\* Not all buyers will qualify for Ford Credit financing. Please use the chart below to determine the monthly charge per \$1000 financed regardless of down payment. National incentives are effective on retail deliveries from dealer stock through May 31, 2005 but subject to change. A combined customer cash reduced financing rate option is available on most models. Regional programs may vary.

† Not all lessees qualify for Ford Credit RCL. Some payments higher, some lower. Residency restrictions apply. Take new retail delivery from dealer stock by May 31, 2005.

\*\* Take new retail delivery from dealer stock by May 31, 2005. See dealer for complete details.

\*\*\* When financed through Ford Credit. Not all buyers will qualify for Ford Credit financing. Take new retail delivery from dealer stock by May 31, 2005. See dealer for qualifications and complete details. Ford Credit Bonus Cash is compatible with Ford Credit Financing Offer.

## LIFE ADAPTER.

Every day, something new comes up. (It's practically a guarantee.) So you need a vehicle that adapts as quickly as your needs change. Enter the 2005 Ford Freestar. Its third row can fold flat into the floor (head restraints and all) or reverse into a rear-facing bench\* for camping trips, a little tailgating – you name it. While available second-row captain's chairs fold and tumble so easily, they can be moved with one hand. Need more cargo room? Then fold the third row flat and remove those seats in the second row with a simple lift of a lever. What you'll get is an unbelievable 134 cu. ft. for loading just about anything. So whether you're watching the second half or cashing in at a garage sale, Freestar is designed to work with you at every step.

\*3rd-row Tailgate Bench Seat™ is not intended for passenger seating while vehicle is in motion.

- 1. Available leather trim is not the only feature that invites you in. There's a convenient in-dash storage compartment. Your choice of a single CD player or optional 6-disc in-dash CD changer. And tri-zone climate control to keep everyone comfortable.
- 2. Controlled by a button on the key fob or on the overhead console, this available power liftgate makes things easier when your hands are full.
- 3. Best-in-class front-door storage system with two dual-bin storage pockets in each front door comes standard on all Freestar models.
- 4. Groceries have met their match with this extra-deep third-row cargo well. There are even hooks for added assurance that nothing gets out of the bag.
- 5. The available Rear Seat DVD Entertainment System comes with a 7" color LCD screen (that folds neatly into the headliner when not in use), two wireless headphones and a remote control.

## LEAVE YOUR EXPECTATIONS AT THE SLIDING DOOR.

When you get into a Freestar, you'll appreciate the big stuff first. The flexible interior. The multitude of places to stow and tuck your belongings. But the more you get in it, the more you'll find that the little extras make a big impact too. Like the available Reverse Sensing System that uses ultrasonic sensors to detect objects behind the vehicle. (The closer you get, the quicker the alert tone beeps.) Or the available power adjustable pedals that make it easy to find the most comfortable driving position for your height. Or a conversation mirror that lets you see what's going on behind you in the back seats without turning around. But it doesn't end there. Get to know Freestar and you're sure to find something else that will make your driving experience even easier.

## FORD FREESTAR MODEL LINEUP

## FORD FREESTAR VS. HONDA ODYSSEY

Want to see Freestar breeze past the other minivans? Then opt for its 4.2L V6 engine. Not only is it the largest engine available in a minivan, it also gives Freestar best-in-class torque (263 lb.-ft.@3,650 rpm). Take a look and see how it stacks up against Honda Odyssey in other areas. Then experience the real thing with a test-drive. And for even more comparisons, visit www.fordvehicles.com.

## BUILDING A TRADITION OF SAFETY.

It starts with the available Safety Canopy<sup>™</sup> System. This patented feature uses a sensor to anticipate a rollover situation – deploying side curtain airbags\* that protect all three rows of seating. Deployed from the headliner on both sides, these airbags also stay inflated longer than others. And as a result, are among the best types of protection a minivan could offer.

Add to that the standard Personal Safety System.<sup>™</sup> With 12 safety sensors in all, it can constantly monitor vehicle movement. Data collected is sent to a central computer, and in case of an accident, works in conjunction with the Occupant Sensing System. This system, in turn, tells the computer if the front seats are occupied, as well as how far the driver is from the steering wheel. The computer then responds appropriately by activating safety belt pretensioners and dual-stage airbags that deploy at two different speeds.

And finally, there's the available AdvanceTrac<sup>®</sup> Electronic Stability Enhancement System. Using advanced sensors, this system can monitor driving input and vehicle responses. So, in certain understeer or oversteer situations, it can make braking and throttle adjustments to help correct vehicle direction.\*\*

Drivers are responsible for safe vehicle speed and operation.

<sup>\*</sup>Always wear your safety belt and secure children in the rear seat.

<sup>\*\*</sup>While AdvanceTrac® can help you control your vehicle, it cannot overcome the laws of physics.

## DEALER ACCESSORIES

Your local Ford Dealer has just the right car for you, plus a host of accessories to tailor it perfectly to your needs.

#### **Remote Start**

You can use remote start to turn on the ignition, lock and unlock the doors or activate the panic alarm from up to 500 feet away.

#### Second-row Center Console

A second-row center console will come in handy when you need extra storage. It includes pockets in the lid big enough to hold two notebooks and some pens, with a large bin underneath for all the extras.

#### Mobile-ease Hands-free Communication System

This Mobile-Ease hands-free communication system allows you to place and receive calls without added distraction. Works with your Bluetooth®-equipped cell phone using the audio system.

#### WHY FORD CREDIT?

At Ford Credit, auto financing is our specialty. Whether you purchase or opt for a Red Carpet Lease, we offer a range of terms and features that make your experience hasslefree. Contact your local Ford Dealer or visit us on the Web at www.fordcredit.com.

#### **ROADSIDE ASSISTANCE**

Every new Ford includes the assurance of a 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile limited warranty period. Ask your Ford Dealer for complete details on this program, which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your vehicle.

#### NEW VEHICLE LIMITED WARRANTY

Under the New Vehicle Limited Warranty, you receive bumperto-bumper coverage for 3 years/36,000 miles with no deductible. You also receive corrosion perforation coverage for five years with unlimited mileage and no deductible. Ask your Ford Dealer for a copy of the warranty.
