The innovative, purpose-built CROSSOVER.

Rated America's safest¹ 7-passenger crossover, Taurus X is endowed with 3 rows of flexibility for dozens of seating configurations. It goes about its business confidently: A bold chrome grille catches the eye, while an award-winning 263-hp V6 stirs the soul. The versatile Taurus X is spacious, smart and – most definitely – the safest crossover for active families on the go.

SAFEST¹

5-Star crash test ratings from NHTSA; "Top Safety Pick" from IIHS

LIVELIEST

Best-in-class³ standard horsepower; *Ward's* "10 Best Engines"⁴ 263-hp V6

HANDIEST

Exclusive Ford SYNC voice-activated communications;⁵ Best-in-class 3rd-row room; Class-exclusive 2nd-row auto-fold seats;⁶ 7-passenger versatility

¹Based on NHTSA 5-Star crash test ratings, IIHS "Top Safety Pick." Star ratings are part of U. S. Dept. of Transportation's Safercar.gov program (www.safercar.gov).

²All-Wheel Drive optional. ³7-passenger Crossover class. ⁴*WardsAuto.com*, January 2007. ⁵Standard on Limited and Eddie Bauer, optional on SEL. ⁶Included in the optional Limited Ultimate Package.

ULTRA-RIGID CHASSIS
(crash-modeled on a Cray® supercomputer)

6 AIRBAGS, STANDARD
(2 dual-stage front airbags;
2 front-seat side airbags;
2 side-curtain airbags,
plus a rollover sensor)

PERSONAL SAFETY SYSTEM®
(with Front-Passenger Sensing System)

TRIPOD DESIGN
(high-strength steel
"ring of protection")

SPACE (Side Protection
And Cabin Enhancement)
ARCHITECTURE™

LASER-WELDED SIDE PILLARS
(plus laser-welded steel sheets)

Cray is a registered trademark of Cray, Inc.

LATCH ▲

Taurus X is equipped with LATCH (lower anchors and tether anchors for child-safety seats) in the 2nd and 3rd rows. When the top tether anchor and lower anchor combo is used, safety belts aren't necessary to install the car seat.

Rated America's SAFEST¹ 7-passenger crossover.

Taurus X offers unmatched, class-leading protection. Its crash safety rates the full 5 Stars from the National Highway Traffic Safety Administration (NHTSA). Equipped with standard electronic stability control, Taurus X is an Insurance Institute for Highway Safety (IIHS) "Top Safety Pick" too.

It's the only vehicle in its class to achieve top crash test results across the board from NHTSA and earn the highest ratings in all 3 IIHS categories. Rigorous IIHS criteria include a 40-mph frontal offset crash test assessing structural design, a side-impact crash test simulating what it's like to be struck by an SUV or pickup, and a rear crash-protection test focusing on whiplash prevention. Taurus X = Family Insurance Plan.

Voice-Activated, ▲ DVD-Based Navigation System

Eliminates travel guesswork. The generous 6.5" color LCD monitor clearly displays maps and menus, pinpointing where you are and providing turn-by-turn Route Guidance. More than 20 different functions – many of which can simply be voice prompted – are accessible on this option.

[SAFETY ▶](#)

[SPECS ▶](#)

Class-exclusive COMMAND SEATING.™

Take hold of the leather-wrapped wheel of Taurus X and take charge. An experience enhanced by class-exclusive Command Seating, which sits you comfortably upright and tall, allows for effortless entry and exit, and provides SUV-like confidence down the road.

Bright accents abound, from the door handles and instrument panel gauges to the console controls and shifter. The look is rich, with a feeling of assurance: Audio buttons on the steering wheel, and available power-adjustable pedals, extend your command. Take that family trip in style – and in certainty – from San Diego to Savannah with the optional Navigation System as co-pilot.

In-Dash Storage ▶

This covered, centrally located compartment conveniently pops open for lots of on-the-go essentials.

**Best-in-Class ▲
3rd-Row Room**

Rear seats were designed to accommodate 6'2" adults. Reading lights, adjustable head restraints, cupholders, storage bins and a power point are a few more 3rd-row rewards.

2nd-Row Ventilation ▲

Climate vents are adjustable, and dual cupholders slide in/out.

[SAFETY ▶](#)

[INTERIOR ▶](#)

[PERFORMANCE ▶](#)

[SYNC/TECH ▶](#)

[SPECS ▶](#)

A place for EVERYONE and EVERYTHING.

Within its wealth of room, the Eddie Bauer edition surrounds you with the luxury of two-tone leather trim, contrasted stitching, an 8-way power driver seat and automatic climate control. Limited models include heated front seats; 2nd-row heated seats are available.

Taurus X ranks with the best of them for interior quietness. It's due in good part to the hydraulic engine mounts, aerodynamic sideview mirrors, specially tuned suspension, whisper-like climate controls, and precise application of advanced, patented sound-deadening materials in the doors, headliner and pillars. The Articulation Index – measuring the clarity of conversation inside Taurus X – is exceptional. Family-friendly for sure.

Center Console ▶

Two-tier clamshell storage on Eddie Bauer and Limited: Open the armrest cover to access the upper tier; lift the cover and upper tier to get to the oversized lower bin.

[PERFORMANCE ▶](#)

[SYNC/TECH ▶](#)

[SPECS ▶](#)

The HANDIEST 7-passenger crossover.

Change it aplenty: Whether it's passengers, cargo or a mix of both, Taurus X quickly adapts. Transport 7 people and all their carry-ons with ease. Make way for a smaller group, and there's a remarkable 47.0 cu. ft. of storage space to play with behind the 2nd row. Now fold flat the front-passenger seat and 2nd-row seating, and then simply fold the 3rd-row bench flat into the floor. Just like that, you've got the big-time, weather-protected ability to haul objects a full 10' in length. On Taurus X Limited, the Reverse Sensing System lends an assist when you're slowly backing up that load, detecting objects up to 6' behind the vehicle. It's always looking out for you.

One-Touch Seats ▶

Class-exclusive auto-fold heated 2nd-row seats are included in the optional Limited Ultimate Package.

One-Touch Liftgate ▶

The advantage of a one-touch power-up/-down rear liftgate comes with the optional Limited Ultimate Package.

263 HP &
24 MPG
HIGHWAY

Award winner in the 13th annual *Ward's 10 Best Engines*¹ review: "Along with inspired mid-range snap, the Duratec 35 3.5L DOHC V6 fronts what we believe to be class-leading refinement." And it posts some impressive EPA-estimated fuel economy figures: 16 MPG CITY/24 HWY for front-wheel drive; 15 MPG CITY/22 HWY for All-Wheel Drive. Just as noteworthy is the astounding 456-MILE RANGE you can achieve on a full tank of gas.

¹WardsAuto.com, January 2007.

SAFETY ▶

INTERIOR ▶

PERFORMANCE ▶

SYNC/TECH ▶

SPECS ▶

Calm, cool, collected: CONFIDENT.

On-demand acceleration gives you the strength to make things happen. Ford's most powerful V6 ever is one of the cleanest-running, which marks another first in Ford history: The V6 achieves PZEV (Partial Zero Emissions Vehicle) in certain states² so it's as eco-responsible as a hybrid vehicle.

The die-cast, aluminum-block engine produces a best-in-class standard 263 horsepower and 249 lb.-ft. of torque; employs intake variable cam timing (iVCT) for optimal horsepower per liter; attains peak performance on regular unleaded gasoline; and is perfectly paired with a new 6-speed automatic transmission. It delivers impressive cruising efficiency and precision shifts are ultra-smooth. V6 acceleration never felt so good.

All-Wheel Defense

ALL-WHEEL DRIVE (AWD) is optional on all models for enhanced safety, increased control and superior performance. AWD for Taurus X utilizes an on-demand electronic center coupler to deliver the ideal amount of torque to all 4 wheels independently. So wheel slippage is anticipated – and virtually eliminated – before it can occur.

ADVANCETRAC[®] ELECTRONIC STABILITY CONTROL is standard. When conditions warrant the need, AdvanceTrac will reduce engine torque and apply braking to help keep Taurus X tracking safely on the intended path. Studies show this feature can be a true lifesaver.

²CA, MA, ME, NY and VT.

Link Your Digital Media Player

Just connect your player to SYNC's USB port, press the  button on the steering wheel and start talking. SYNC even charges most media players for you.

You talk. SYNC listens.™

Introducing the new standard for in-vehicle communications. Ford SYNC,™ developed in association with Microsoft,® is a voice-activated, customizable media system that integrates Taurus X with most Bluetooth®-enabled mobile phones and most popular digital media players.

With Microsoft Auto software actually embedded in your Ford Taurus X, SYNC allows you to operate your Bluetooth-enabled mobile phone and your media player using simple voice commands. SYNC is so well-designed, it's received an "Editor's Choice" award from *Popular Mechanics* magazine. *Jalopnik.com* concurs: "... definitely the most robust system we've yet seen... for in-auto infotainment."

Link Your Bluetooth-Enabled Mobile Phone

When you enter Ford Taurus X with a compatible and paired Bluetooth-enabled mobile phone, SYNC automatically recognizes its presence. Then you just press a button and use simple voice commands to make calls, take calls and more – with both hands on the wheel.

Driving while distracted can result in a loss of vehicle control. Only use mobile phones (even with voice commands) and other devices not essential to driving when it is safe to do so. Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc. Go to SyncMyRide.com for more details.

SIRIUS Satellite Radio¹

This option offers more than 130 channels of crystal-clear, digital-quality sound. This factory-installed option is your passport to an amazing range of music (all of it 100% commercial-free), sports, news, talk and entertainment. SIRIUS coast-to-coast coverage is seamless in the contiguous U.S., and as a subscriber, you'll also receive free online access to all music channels. To top it off, a complimentary 6-month subscription to SIRIUS is included in the price.

¹See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information.

Play up the PLEASURE.

Take the show – and those games – on the road. The next-generation DVD Family Entertainment System is the perfect option. Its flip-down, full-color LCD screen is sized a generous 8". Two infrared wireless headphone sets and an infrared remote control are also included.

Another plus for the DVD Family Entertainment System: Its dual-media function lets those in back remain transfixed with on-screen action, while you and your front seatmate listen to the radio, a CD, or all those portable MP3 tunes – courtesy of the built-in auxiliary audio input jack that's wired directly to the acoustically optimized sound system and standard on every Taurus X. It's good to have connections.

Audiophile[®] Sound System ▶

Standard on Taurus X Limited, this audio system features 8 speakers, a 2-channel 90-watt amplifier, subwoofers, speed-compensated volume and a 6-disc in-dash CD player that's MP3-capable.

Left to right: Taurus X Limited in Dark Ink Blue Metallic; Taurus X Eddie Bauer in Merlot Metallic; Taurus X SEL in Silver Birch Metallic

New Vehicle Limited Warranty

We want your Ford Taurus X ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage and Roadside Assistance, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: The 5-year/60,000-mile powertrain limited warranty is fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components, including the engine and transmission — beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford **Extended Service Plan (ESP)** gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Ford Accessories are designed and engineered specifically for Ford vehicles. Visit our website at fordaccessoriesstore.com to use the Accessorizer, and to learn about complete accessory details and purchase instructions.
