

2014 MKT

LOOK BEYOND THE OBVIOUS. There is a vehicle made to take you on the most memorable of journeys. It comes from an unexpected place, and promises to take you to so many more.

It is the 2014 Lincoln MKT. From the Lincoln Motor Company.

ONE SEAMLESS CONNECTION KEEPS IN TOUCH WITH ALL SIDES OF YOU: SYNC WITH MYLINCOLN TOUCH.

The conversationalist. The audiophile. The protector. The provider. Phone, entertainment, navigation,¹ climate. See the connection? For the many things you do, we offer a single, simple interface: SYNC[®] with MyLincoln Touch.^{™2}

With vibrant, color-coded graphics, your choices are clear. A large, 8" full-color center screen and crisp LCD gauges are supported by intuitive buttons on the steering wheel. Touch what you need, or control it with easy voice commands.

Dial numbers and answer calls without picking up your phone. Your contacts download automatically. Request music from favorite sources, including your MP3 player, phone, USB or SD card, then achieve auditory bliss through 14 speakers, compliments of the THX[®] II Certified Audio System.¹ Simply state a street address, and the Navigation System¹ will direct you to your destination, even while you are en route. SYNC with MyLincoln Touch brings it all together, beautifully.

¹Available feature. ²Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

EVERY SECOND, YOU'LL FEEL THE DYNAMIC INTERACTION OF LINCOLN DRIVE CONTROL.

Like light and dark, ride and handling is a pair. Why do some cars focus only on handling the twisting turns, but they make drivers suffer firmness? Others offer smooth ride comfort, but where are the butterflies in your stomach?

The reality is that roads have their ups and downs. The heart-racing curves are accompanied by long, sometimes potholed stretches. The secret is adapting, at every moment. MKT has this down to a science. Literally. Using a suite of advanced sensors, MKT with Lincoln Drive Control¹ constantly adjusts its suspension in the blink of an eye to give you the best of both worlds. It helps you carve corners with agility, and travel comfortably over harsh surfaces. At any point, if you choose to dial up the yin or the yang, the choice is yours: select Sport or Comfort for a change from Normal.

¹Available feature.

EVER WONDER WHAT YOU'VE BEEN MISSING? WE CAN HELP. There's so much intrigue in this world. The question of what's beside you, behind you or in front of you shouldn't be part of the mysterious unknown. Allow us to shed some light on the subject.

Equipped with radar,¹ ultrasonic sensing¹ and miniature cameras,¹ MKT can help detect certain things that you may not. For instance, it can alert you to objects in your blind spots!¹ An audible alert system can help warn if traffic is crossing the path behind you.¹ In tight areas and parking lots, it displays guidelines and full-color images from the rear to assist you in backing up, and keeps a mindful eye to guard the recycling bin. MKT even watches for lane drift, then offers a gentle nudge or shudders the steering wheel to alert you to steer back toward the middle of your lane if necessary.¹ The more you know, the better.

DON'T LET UNCERTAINTY BLOCK YOU IN. ACTIVE PARK ASSIST CAN HELP YOU WITH THE TIGHT SPOTS.

You always use your best judgment when maneuvering. But some situations aren't simply black or white. That's why we offer the assistance of advanced technology.

Thanks to active park assist,¹ you can leave your parallel parking concerns at the curb. Let us handle the steering for you. Using radar sensing, this advanced system locates an appropriate space, then literally steers into it for you while you control the brake and accelerator pedals. In addition, when cruising on the expressway, you can't control the driver in front of you. Are you too close? Is he slowing down? Instead of constantly changing your controls, MKT can detect the speed of the vehicle ahead, then smoothly adjust to maintain your preset gap from it.¹ (And if you're curious, the small boxes above are the same size, although they may not appear so. Perception is a tricky thing.)

¹Active park assist, and adaptive cruise control and collision warning with brake support are available features. Driver-assist features are supplemental and do not replace the driver's judgment.

Take comfort in the little things. And the expansive space.

It's hard to describe what it means to feel comfortable. It feels different to everyone. For some, it's stretching out for an afternoon nap. For others, it's a cozy fire. With MKT, it's felt in the space for 7. And leg room – best-in-class 2nd-row, in fact.¹ And in the convenience of dual DVD headrests.² It's felt in the warmth of the heated steering wheel² – as well as the climate-controlled 1st- and 2nd-row outboard seats. Heated and cooled² for your comfort. It's a cold drink on a hot day from the refrigerated 2nd-row console.² And the richness of hand-selected leather-trimmed seats. All with a view.³ It's the peace of mind you get from being prepared. For anything. And knowing that even when life takes you out of your comfort zone, you can find peace in ours.

IT'S MEASURED IN THE DETAILS.

There is beauty in form. And function. With MKT, you see it in accent lighting.¹ Red. Blue. And violet. Personalized for your mood. And in intuitive controls that bring the vehicle to life. All within reach on the graceful, flowing center console. You feel it in rich, Bridge of Weir™ leather trim² in Light Dune, Charcoal Black or Hazelnut. Crafted and tailored with French and Deck seams, just for you. And in genuine woods. Brown swirl walnut or Prussian burl. In all the right places. And you know. This is something unique. Special. Just like you.

¹Ambient lighting is a standard feature. ²1st and 2nd rows.

A HIGH LEVEL OF STANDARDS.

Take tight turns with confidence. Climb mountainous roads just because. MKT gives you the power. To make your drive your own. With 303 horsepower from the standard 3.7L V6 engine that's finely tuned for peak performance – and an EPA-estimated fuel economy of 25 mpg highway.¹ And to know that whatever you choose to do is exactly what you should be doing. Power. It's in the palm of your hand. What you do with it is up to you.

Tuxedo Black Metallic with available equipment. ¹EPA-estimated rating: 17 city/25 hwy/20 combined mpg. Actual mileage will vary.

THE GREATEST POWER IS THE POWER OF CHOICE.

You take the road less traveled instead of the one you'd rather travel less. Confidently. Getting V8 performance and the fuel economy of a V6 with the 3.5L EcoBoost® engine.¹ A sharp curve unfolds before you. And you let the urge take over and upshift and downshift through the gears using the paddle shifters on the SelectShift® transmission. Convenience. And control. You choose to drive the way you do because you can.

PROTECTIVE INSTINCTS.

Security. What does it mean to you? For MKT, it's airbags. Front, and side-curtain for all 3 rows. It's a luxury-automotive first – 2nd-row outboard safety belts that inflate! And an SOS Post-Crash Alert System™ that can alert others when you need help.² It's stability on slippery roads, with AdvanceTrac® with RSC® (Roll Stability Control™).³ And HID headlamps that automatically adjust to high or low beams as needed. It's a commitment. To help protect you. That's what it means to us.

¹Available feature. ²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. Try to avoid water higher than the bottom of the hubs and proceed slowly. Refer to your owner's manual for detailed information regarding driving through water.

There is only one you.

Find beauty in things others fail to notice. Realize that experiences can take you further than any possessions. Figure out what is important to you, and embrace it. We did. And it's apparent in everything the 2014 Lincoln MKT offers. Like intuitive technology that seamlessly connects you to your world. And a distinctive exterior that sets it apart as something different, and you as someone unique.

THERE'S MORE TO LINCOLN THAN MEETS THE EYE. MEET OUR MOBILE APP! It's a new way to Experience Lincoln. Beautiful videos. Feature demonstrations. Color selectors. And a few surprises. Go to lincolnexperienceapp.com for a direct link to download. Or get it from the App StoreSM or Google Play.TM

OWNING A LINCOLN MEANS MORE THAN JUST OWNING A LUXURY CAR – it means being treated as a unique individual. No one understands that more than we do. From the day you pick out your new Lincoln, until the day you decide you're ready for your next one, we'll be here to answer any questions, guide you through routine maintenance, and anticipate anything else you may need along the way. Lincoln Concierge is just the first step in making sure your ownership experience is one that's tailor-made just for you. Come see what we are all about.

Lincoln Concierge

Introducing Lincoln Concierge. You're just a click away from accessing personalized, enhanced shopping tools, or getting access to a complimentary trained shopping advisor who is available 24/7 and will personalize your Lincoln purchasing experience. Your Lincoln Concierge is prepared to assist you in answering questions, comparing vehicles, scheduling a test-drive and more when you are ready. Visit lincoln.com to sign up and explore more benefits.

Lincoln Automotive Financial Services

Whether you decide to purchase or lease, you'll find a plan designed to fit your individual needs. Visit LincolnAFS.com or your Lincoln Dealer to explore your financing options.

Lincoln Warranties

You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable. Safety Restraint System and Corrosion coverage are also provided. Your dealer will be happy to provide all the details about these limited warranties.

Lincoln Extended Service Plan

For a purchase or lease, the Lincoln Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Whether looking for additional mechanical, prepaid maintenance or tire protection plans, Lincoln ESP has you covered. Ask your dealer for Lincoln ESP, the only service contract backed by Lincoln and honored at all Lincoln dealerships in the U.S. and Canada.

Insurance Services

Helping protect you and your investment is another way Lincoln continues to keep your best interests in mind. Our program offers industry-leading benefits at competitive rates. Contact us at 1-866-329-4367 and we'll be happy to provide a complimentary quote.

Lincoln Complimentary Maintenance²

To help you keep your new Lincoln MKT in top condition, we are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation. See your Lincoln Dealer for additional details – and enjoy the ride.

Complimentary Car Wash

At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle. It's just another shining example of our commitment to you.³

Lincoln Roadside Assistance for Life⁴

Help is only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing to the closest – or to your preferred – Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services at no charge. Your dealer will be happy to provide all the details.

MyLincoln Mobile™ app

The new MyLincoln Mobile app extends the benefits of being a Lincoln client beyond the vehicle. Intuitive and useful features include: directions sent from your phone to your vehicle, vehicle finder, parking meter timer, locate a dealer, live operator-assisted vehicle information, and roadside assistance.⁴

¹Lincoln Licensed Accessory. Genuine Lincoln Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Dealer for details and/or a copy of all limited warranties. INVISION is a trademark of Audiovox Corporation. THULE is a registered trademark of Thule Sweden AB.

²Lincoln reserves the right to change program details at any time without obligations. See Service Advisor for complete details. ³Availability depends on dealership participation. See dealer for details. ⁴Message and data rates may apply.
