

08 DODGE CALIBER

GRAB LIFE

DODGE

2008 Dodge Caliber R/T in Inferno Red Crystal Pearl.

POISED TO POUNCE WITH PRECISION, ITS ATHLETIC STANCE RADIATES A FULL-ON PURPOSE FROM ANY ANGLE. WITH FOOTWORK THAT PUTS POWER TO THE GROUND WITHOUT WASTING A SINGLE STRIDE, IT WAS BUILT TO BREAK FREE. ONE LOOK AT ITS BROAD SHOULDERS AND YOU KNOW THAT THIS ONE WILL SHRUG OFF ANY CHALLENGE THAT'S THROWN ITS WAY. THIS IS THE 2008 DODGE CALIBER. IT'S ANYTHING BUT CUTE.

Dodge Caliber SXT in Steel Blue Metallic with available MusicGate Power® sound system.
Visit dodge.com/caliber for more bold exterior styling.

DESIGNED TO BE HEARD

1 DOOR HANDLES. Even before closing the doors with a reassuring thunk, Caliber's door handles inspire confidence. The door pulls are black on SE and SXT and body-color on the R/T. **2 HEADLAMPS.** Large wraparound headlamp modules with crystalline appearance stretch from front grille to fender. **3 WHEEL ARCH.** Broad-shouldered wheel flares solidify Caliber's athletic stance and complement the muscular rear muscle bulge. **4 TAILLAMPS.** Massive taillamps put other drivers on notice along with Caliber's integrated six-light LED center high-mounted stoplamp.

AUTHENTIC DODGE ACCESSORIES

AUTHENTIC DODGE ACCESSORIES

When you enhance your Caliber with Authentic Dodge Accessories by Mopar, you gain far more than substantial style, premium protection or extreme entertainment. You also benefit from the authentic difference found only in an original equipment accessory. It's a difference that demands tighter tolerances and envelope-pushing testing methods. And one backed by a superior warranty* serviced by Dodge dealerships nationwide. Choose the full line of accessories that feature a fit, finish and functionality designed specifically for your Caliber. Check us out at mopar.com.

THREE-PIECE BODY KIT. Instant fit, and instant hit. This kit features front, rear and side accents designed specifically for your Caliber's aggressive, bold stance. **REAR SPOILER.** Not only does it provide a little aerodynamic incentive that's free from vibrations, it also attracts approving looks with its uncompromising presence. Prepainted with a durable Clear Coat finish to match select body colors. **CHROME FUEL FILLER DOOR.** It's the go-to accessory that brightly complements every body color. Uniquely sculpted one-piece design replaces your existing fuel door with a seamless fit. **17-INCH 5-SPOKE CHROME-PLATED ALUMINUM WHEEL.** These wheels help you make a statement coming and going, with a guaranteed long-lasting shine to back it up. They're also machined to match your Caliber's hubs exactly for a balanced ride.

*See your dealer for full details and a copy of the limited warranty.

A GROUNDBREAKING PERFORMER

Caliber takes its fuel efficiency seriously, with up to 29 miles per gallon.* Fuel economy goes hand in hand with engines and drivetrains rigorously tested for maximum performance and durability.

1 WORLD ENGINE. Four World Engines are offered — 1.8-liter, 2.0-liter, 2.4-liter, and 2.4-liter Turbo — which provide 148, 158, 172, and 285 horsepower, respectively. They meet aggressive performance and fuel economy targets through advanced cylinder head port and intake manifold design. State-of-the-art automotive technologies include dual Variable Valve Timing (VVT) and an intake with flow control valves. Combined, these features produce more power, better fuel economy and smoother, quieter operation than engines without them. **2 CVT2.** The CVT2 is a second-generation Continuously Variable Transaxle (CVT) calibrated for precise ratio control. A Continuously Variable Transaxle operates by varying the working diameters of the two main pulleys in the transaxle. The CVT2 allows the engine to run at optimum rpm to provide approximately 8 percent better fuel economy.[†] The CVT2 also allows the fuel injection to remain off during deceleration, as the transaxle works its way down to the lowest ratio, ingeniously saving more gas.

*2008 preliminary EPA estimated 24 city/29 highway mpg with 1.8L engine with 5-speed manual transaxle. [†]Combined EPA city/highway fuel economy of Caliber's 2.0L engine with CVT2 (25 mpg) compared to Dodge's comparable 4-speed automatic transaxle.

Dodge Caliber SRT4 in Bright Silver Metallic

SRT4® DESIGN

The Street and Racing Technology (SRT®) engineers fitted Caliber SRT4 with a turbocharged and intercooled 2.4-liter World Engine with dual Variable Valve Timing (VVT) that pumps out 285 horsepower and 265 lb-ft of torque. For handling that kind of power smoothly, SRT4 also features a 6-speed Getrag manual transmission and SRT-enhanced braking system. Inside, race-inspired design cues include deeply bolstered, SRT-badge embroidered seating, and a leather-wrapped steering wheel and shift knob boot. SRT owners are invited to earn their own high-performance pedigrees at the SRT Track Experience, a complimentary one-day driving school conducted by the pros. Prepare to qualify at dodge.com/caliber, drivesrt.com or call 800-4ADODGE.

4

1 WHEELS. SRT4® transfers its power to the pavement on 19-inch painted cast-aluminum wheels (with optional 19-inch polished aluminum wheels) with standard 225/45R19 BSW all-season performance Goodyear tires. **2 2.4-LITER ENGINE DOHC WORLD ENGINE.** The finely tuned 2.4-liter intercooled and turbocharged dual Variable Valve Timing (VVT) engine uses its four cylinders to put out 285 horsepower and an awesome 265 lb-ft of torque. **3 TURBO BOOST GAUGE.** The turbo boost gauge measures intake manifold pressure generated by the turbocharger as well as engine vacuum during light load conditions. The engine is torque controlled. Boost pressure will vary based on ambient conditions, altitude, gear selected, and coolant temperature. **4 REAR SPOILER.** The aerodynamically designed rear spoiler complements the unique rear fascia while maximizing the rear view. It also houses the LED center high-mounted stoplamp. It matches the attitude delivered by an oversized, chrome-tipped exhaust system.

Caliber R/T interior shown with available Bright Pedal Kit, Machined Aluminum Shift Knob, Carbon Fiber-Style Center Stack and Shift Surround, Authentic Dodge Accessories by Mopar.

For more on Caliber's tech-savvy interior, visit dodge.com/caliber.

INTERIOR DESIGN

INSTRUMENT PANEL. Add a triple threat of high-tech with a Machined Aluminum Shift Knob, Carbon Fiber-Style Center Stack and Shift Surround, all Authentic Dodge Accessories by Mopar. The center stack features an input jack on the faceplate of the standard AM/FM radio with CD player that allows a direct connection for your personal music players. **GLOVE BOX.** The glove box has more tiers than a wedding cake, with an upper, wide and shallow bin, the available Chill Zone® beverage storage bin in the midsection and a traditional glove box beneath it. **BRIGHT PEDAL KIT.** Stainless steel pedal covers add plenty of bold brightwork. Rubber on pedals provides high-tech contrast and added traction. Available as an Authentic Dodge Accessory by Mopar. **SIRIUS® SATELLITE RADIO.** SIRIUS Satellite Radio delivers over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic and weather. Factory-installed SIRIUS Satellite Radio includes a one-year subscription. For more information, go to sirius.com.

"SIRIUS" and the SIRIUS dog logo are registered trademarks of SIRIUS Satellite Radio Inc. All other trademarks, service marks and logos are the property of their respective owners. For full terms and conditions, visit sirius.com. Prices and programming are subject to change. Not available in AK and HI.

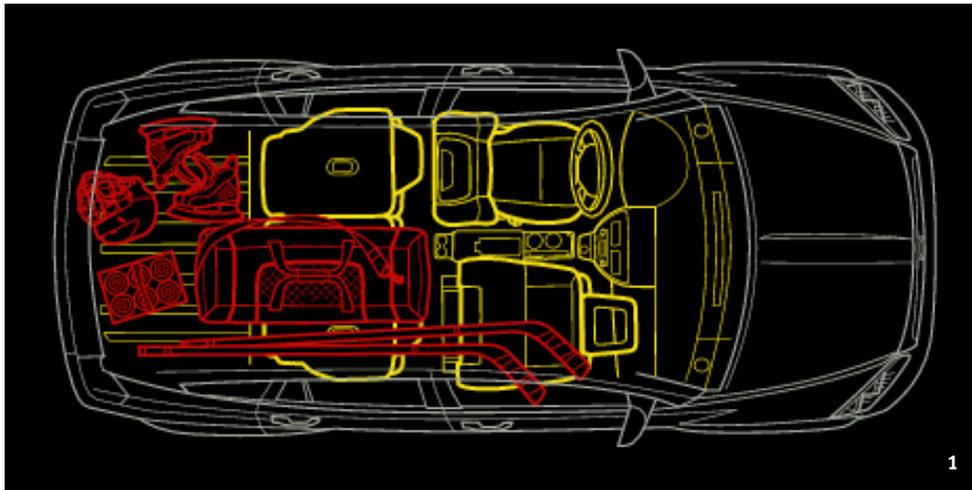

INTERIOR TECHNOLOGY

1 CHILL ZONE®. The available Chill Zone® beverage storage bin features a contoured mat to hold four cans, four 20-oz bottles, or any combination of the two. **2 FLASHLIGHT.** This available removable and rechargeable flashlight is piggybacked onto the headliner of Caliber's rear cargo area. Its batteries are conveniently recharged when the flashlight is returned to its cradle. **3 GLOWING CUP HOLDERS.** Two electroluminescent cup holders between Caliber's front seats emit a muted blue light when lit. **4 MP3 PLAYER CRADLE.** This cradle will rock. Caliber's center console features an adjustable armrest that slides forward and flips open to reveal a rubber-lined MP3 cradle. It was designed to hold MP3 players, cell phones, or PDAs, keeping them within easy reach of the available 115-volt two-pronged outlet, a standard 12-volt power outlet or the input jack on the face of the standard stereo system's head unit. **5 MUSICGATE POWER®.** The one-and-a-half-ton boombox. The available MusicGate Power® 458-watt Boston Acoustics® nine-speaker sound system (including a subwoofer built into the rear cargo area) features two speakers that swing down from the rear liftgate when open. **6 YES ESSENTIALS®** SEAT FABRIC.** This interior can take a spill. Standard on SXT and optional on R/T, YES Essentials stain resistant, odor resistant, antistatic seat fabric employs a dual-action technology to help resist stains by beading spills for easy cleaning. For more information on Caliber's interior ingenuity, log on to dodge.com/caliber/interior or call 800-4ADODGE.

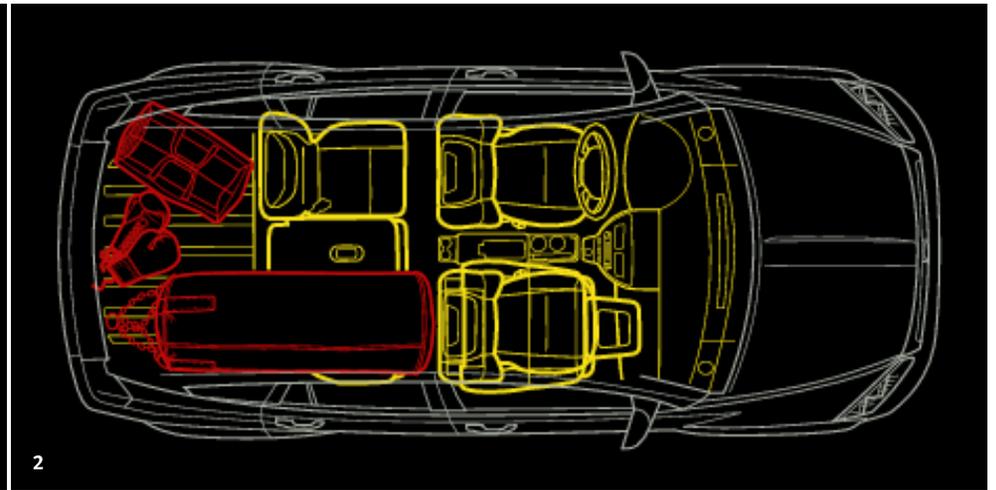

*Not compatible with aftermarket fabric-protecting coatings.

SEATING CONFIGURATIONS TO SPARE

1 FOLD THREE FLAT. The longest of items are absorbed into the interior of an SXT and R/T with ease, thanks to a fold-flat front-passenger seat. The feature can be used in any number of combinations, including the solo configuration (think bread van driver). **2 FLOOR IT.** Caliber's flat load floor features a removable carpeted load floor. The rear seatbacks are covered with a durable carpet, protecting them when they are folded down. **3 TIME TO SPLIT.** Caliber's interior was designed to deliver a veritable algebra class of configurations. The 60/40 split-folding rear seat allows Caliber to accommodate the bulkiest cargo without interfering with a rear-seat passenger's comfort. **4 FOUR-AND-THEN-SOME.** It seats up to five in comfort, and with an interior that can fold from one to three seats flat. With available rear seats that recline, this cabin is business class at every corner. Leave it to Caliber to take all the excitement out of calling "shotgun."

Caliber R/T in Bright Silver Metallic.

For more on Caliber's safety surrounds, visit dodge.com/caliber/safety_security.

SAFETY AND SECURITY

1 CRUSH ZONES. High-strength, hot-stamped steel provides Caliber's body and chassis with high levels of impact protection. The combination of strengthened materials and engineered crush zones — sections of the core structure designed to divert and dissipate energy away from the passengers — help ensure that Caliber is tough to the core. **2 ALL-WHEEL DRIVE (AWD).** Caliber R/T AWD hits the scene with an electronically controlled all-wheel-drive system with variable torque output and an available Electronic Stability Program (ESP).^{*} Without driver input, Caliber's system seamlessly transfers power to assist any wheel in need. In doing so, the AWD system benefits both straight-line traction and cornering stability. **3 ADVANCED MULTISTAGE AIR BAGS.**[†] As standard equipment, Caliber features multistage driver and front-passenger air bags. Side-curtain air bags are also standard across all trim levels, extending protection to both rows of Caliber's outboard passengers. Front seat-mounted side air bags are optional. All Caliber models also include a driver's inflatable knee blocker as standard equipment. **4 ANTILOCK BRAKE SYSTEM (ABS).** State-of-the-art electronics allow Caliber's available antilock brake system to provide faster response times than previous systems. ABS is standard on Caliber R/T and Caliber models equipped with the CVT2 (available on all models). ABS helps prevent wheel-lock and maintains directional control when braking on slippery surfaces.

^{*}No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. [†]Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

THE 2008 DODGE CALIBER INCLUDES A LIFETIME POWERTRAIN LIMITED WARRANTY.
See dealer for a copy of limited warranty and details. Non-Transferable. Not available on SRT, diesel vehicles, Sprinter, Ram Chassis Cab, and certain fleet vehicles.

CALIBER SE. All Caliber SE models come standard with a 1.8-liter dual VVT with five-speed manual transmission, manual liftgate with electronic defroster and wiper, body-color fascias, illuminated cup holders, sliding storage armrest with cell phone/MP3 holder, AM/FM CD player/radio with MP3 auxiliary input jack, electroluminescent instrument panel cluster with 120-mph speedometer, cloth seating with 60/40 split-folding rear seat, flat-loading rear seat, removable load floor with four tie-down loops, heater with rear-seat ducts, power accessory delay, tilt steering wheel, advanced multistage front air bags, side-curtain air bags and driver-side inflatable knee blocker,* Sentry Key® Theft Deterrent System, and an available 2.0-liter dual VVT engine with CVT2.

CALIBER SXT. In addition to the standard equipment of the SE trim level, Caliber SXT includes a chrome grille, 17-inch painted aluminum wheels, air conditioning with Chill Zone® beverage storage bin, power automatic door locks, power exterior mirrors, power windows, remote keyless entry, tachometer, reclining rear seat, cargo light with removable, rechargeable LED flashlight, 115-volt two-prong power outlet and an available Sport Appearance Group Package includes body-color grille, color-keyed instrument panel and shifter trim, premium cloth with color-keyed inserts, 1.8-liter 16V dual VVT 4-cylinder engine, with an optional 2.0-liter 16V dual VVT 4-cylinder CVT2 with AutoStick.®

CALIBER R/T. In addition to the standard equipment of the SXT trim level, Caliber R/T offers the 2.4-liter dual VVT with CVT2 and AutoStick, available all-wheel drive (AWD), performance-tuned steering and sport suspension, four-wheel disc ABS, 18-inch aluminum wheels, body-color door handles and bright exhaust tip, chrome bodyside molding, fog lamps, color-keyed cloth seating or optional leather-trimmed seating, color-keyed, instrument panel trim accents, leather-wrapped steering wheel with audio controls, and more.

CALIBER SRT4. Caliber SRT4 features the turbocharged and intercooled 2.4-liter DOHC dual VVT World Engine. Exterior race-inspired design cues include a functional hood scoop, rear spoiler, pronounced fender flares, unique front fascia, fog lamps and special SRT® badging. Inside are deeply bolstered SRT-badge embroidered seats, and a leather-wrapped steering wheel and shift knob. SRT-tuned ABS system, all-speed traction control with brake lock differential, and a lowered, SRT-tuned suspension along with 19" aluminum wheels give the SRT4 standout looks and performance.

*Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

CALIBER ENGINES

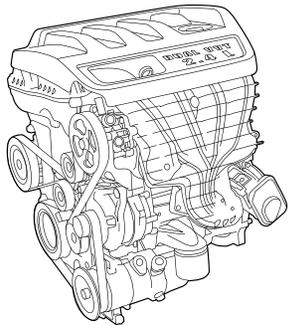

1.8-LITER DOHC 16V I-4

The 1.8-liter World Engine standard on SE and SXT puts out 148 horsepower @ 6,500 rpm and 125 lb-ft of torque @ 5,200 rpm. It is a fuel-efficiency expert on the road, with an EPA est. 24/29¹ mpg for city/highway.

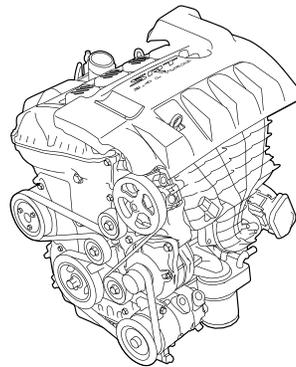

2.0-LITER DOHC 16V I-4

The 2.0-liter World Engine is available on SE and SXT, with 158 horsepower @ 6,400 rpm and 141 lb-ft of torque @ 5,000 rpm. Fuel economy is up to speed with an EPA est. 23/27¹ mpg for city/highway.

2.4-LITER DOHC 16V I-4

Standard on R/T, it has the ponies with 172 horsepower @ 6,000 rpm and 165 lb-ft of torque @ 4,400 rpm. The 2.4-liter World Engine gets a very reasonable EPA est. 21/25¹ mpg for city/highway.

2.4-LITER DOHC TURBO WORLD ENGINE

The turbocharged and intercooled 2.4-liter dual VVT World Engine pumps out a robust 285 horsepower and 265 lb-ft of torque. Standard on Caliber SRT4,[®] it features a 6-speed Getrag manual transmission.

CALIBER BUYER'S GUIDE

FEATURES COMMON ACROSS ALL TRIM LEVELS

AIR BAGS⁽¹⁾ — Advanced multistage driver and front-passenger and driver-side inflatable knee blocker
— BeltAlert, cluster lamp remains lit until driver buckles up
— Side-curtain air bags
CHILD PROTECTION REAR DOOR LOCKS
CHILD SEAT ANCHOR SYSTEM (LATCH) — Lower child seat anchors and upper tether anchors help ease the installation of aftermarket child seats
CONSOLE — Floor, sliding armrest with flip-out cell phone/MP3 player holder, 2 illuminated cup holders front/2 cup holders rear, cubby bin
GAUGES — Outside temperature gauge
HEADLAMPS — Halogen
INTERIOR ACCENTS — Bright door handles and lock pulls
MIRRORS — Driver and front-passenger visor vanity — Rearview manual day/night
POWER ACCESSORY — 12V auxiliary located on instrument panel — Delay feature, interior lights, radio and power controls (if so equipped) stay operational 45 seconds after ignition off
RADIOS — AM/FM stereo radio with CD changer controls and auxiliary input jack
REAR WINDOW DEFROSTER
SEAT BELTS — Three-point lap/shoulder for all occupants with driver's emergency locking and automatic locking retractors for all other occupants; front height adjustable with pretensioners and traveling buckles
SENTRY KEY® THEFT DETERRENT SYSTEM
STEERING COLUMN — Tilt
STORAGE — Concealed rear bin (not available with Premium Sound Group) — Instrument panel cubby, below radio, above glove box — Folding flat, carpeted load floor, removable
SUSPENSION — Four-wheel independent MacPherson strut front; multilink rear
TIRE PRESSURE MONITORING SYSTEM

⁽¹⁾ Certified to the Federal Regulations that allow less forceful front air bags. Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

⁽²⁾ No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

⁽³⁾ Requires Bluetooth® enabled mobile phone.
