## FUN. GETTING THERE IS ONLY HALF OF IT.

Climb into a dirt-throwing, snow-gripping, hill-defying, road-embracing, story-collecting Jeep® vehicle and thrills are all but guaranteed. For over 65 years, we've been taking fun-lovers to some of the world's most adventurous destinations. Every Jeep vehicle is purpose-built to put a world of excitement within easy grasp, giving you permission to confidently go where others may fear to tread. Today, discover what's new with our expanded lineup that includes Jeep Wrangler Unlimited, Patriot, Grand Cherokee, Commander, Compass, Wrangler and the all new 2008 Jeep Liberty. Jeep 4x4s have made the exhilarating trek to the top of the mountain and now you're invited to join the party. The rest of the ride, with you at the wheel, promises to be just as fun. **Have fun out there. Jeep**

## THE POWER TO MAKE BOLD CHOICES

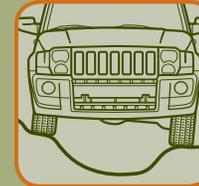

The 2008 Jeep® Commander has three available 4x4 systems that offer varying degrees of on-road ability and off-road mastery. Standard full-time **Quadra-Trac I® 4WD** is an always-on system. It transparently transfers power to wheels with the most traction. Available **Quadra-Trac II® 4WD** offers a full-time high- and part-time low-range 4x4 system. Its innovative all-speed traction control can detect wheel slippage and send up to 100 percent of the available torque to the axle with the most traction. In low gear, this system delivers maximum torque off-road. Available **Quadra-Drive® II 4WD** is a full-time high- and part-time low-range 4x4 system with front and rear Electronic Limited-Slip Differentials (ELSD). The ELSD feature can quickly shift up to 100 percent of available torque to any one of the four wheels with the best traction.

From construction potholes to the nastiest logging trails, come explore the kind of rugged beauty you can only experience behind the wheel of a Trail Rated® Jeep® Commander 4x4.

**JEEP TRAIL RATED<sup>®</sup>** vehicles are designed to perform in a variety of off-road conditions identified by five performance categories:

### **ARTICULATION**

The ability to keep tires in contact with the road, providing traction to climb over large obstacles.

### **TRACTION**

The ability to transfer power to the road or trail along with the ability of the suspension to keep the wheels in contact with the terrain.

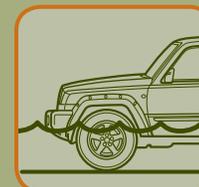

### **MANEUVERABILITY**

The ability to navigate around obstacles that are tightly situated.

### **GROUND CLEARANCE**

The ability to drive over large obstacles or logs in combination with approach/departure/breakover angles.

### **WATER FORDING**

The ability to cross a specific depth of water at a specific speed.

Do not attempt water fording unless depth is known to be less than 20 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

JEEP, COMMANDER LIMITED SHOWN IN MINERAL GRAY METALLIC WITH TRAILERING ACCESSORIES, AUTHENTIC JEEP ACCESSORIES BY MOPAR (MORE INFO ON PAGES 28-29)

## POWER, EFFICIENCY, FLEXIBILITY

The legendary **5.7L HEMI® V8 engine with Multi-Displacement System (MDS)** provides a one-two punch of 330 hp and ingenious economy.<sup>(1)</sup> The MDS seamlessly deactivates four cylinders when cruising between 40 and 60 mph and, by doing so, offers increased fuel efficiency.<sup>(1)</sup> Standard on Commander Overland and available on Limited. Commander's choices continue to impress with a new **4.7L V8 engine**. This workhorse has been designed to run on unleaded gasoline, ecologically friendly E85, or any combination — without compromising its powerful performance of 305 hp and 334 lb-ft of torque. This strong performer is standard on Limited and available on Sport. Tried and true and perfectly capable of empowering the most far-reaching pursuits, the **3.7L V6 engine** showcases durability and efficiency<sup>(2)</sup> in a compact, 210-hp package. It is worthy of standard equipment status on Sport.

THE 2008 JEEP® COMMANDER INCLUDES A LIFETIME POWERTRAIN LIMITED WARRANTY. No deductible. See dealer for a copy of limited warranty and details. Non-Transferable. Not available on certain fleet vehicles.

5.7L HEMI® V8 Engine

4.7L V8 Engine

3.7L V6 Engine

You can equip your Commander with your choice of three engines, depending on the performance you need. For the ultimate in towing power, choose the 5.7L HEMI® V8 for the strength to pull up to 7,400 lb when properly equipped.

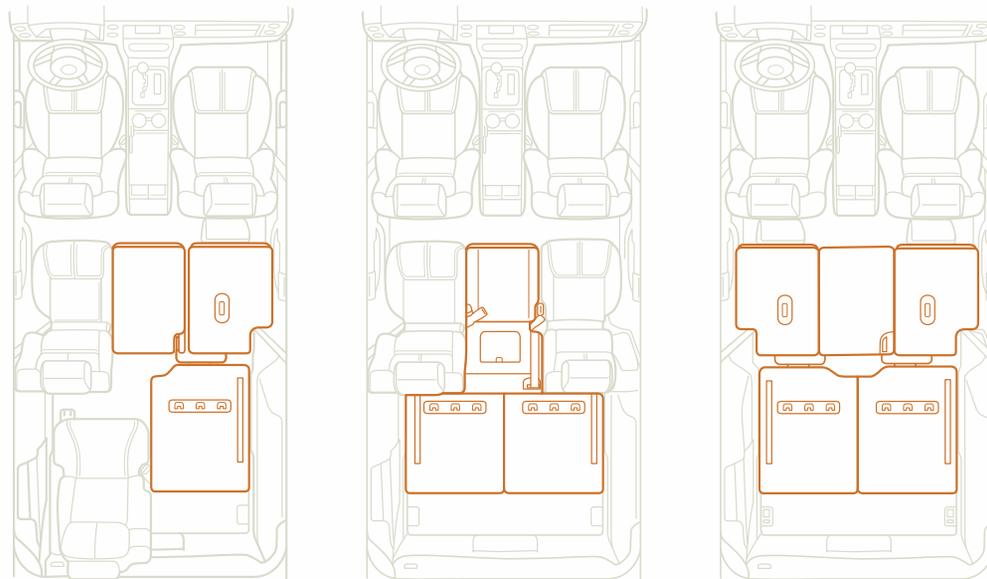

<sup>(1)</sup>EPA estimated mpg 13 city/19 highway.  
<sup>(2)</sup>EPA estimated mpg 14 city/19 highway.

## CONFIGURE IT OUT

When properly equipped, the Trail Rated® 2008 Jeep® Commander can seat up to seven. By selecting the option for the third row of seating, you're driving the most capable seven-passenger Jeep vehicle in our legendary history. With three rows of stadium seating, the interior features no less than 15 different seating/cargo configurations. And with numerous cubbies and bins to store toys, gear or snacks, you can keep Commander's interior neat and clean. Or you can fill its 68.9 cu ft of maximum cargo volume full of backpacks, lumber, groceries — you name it. But no matter what Commander holds, you can count on providing supreme comfort for up to seven and all but unparalleled adaptability. Commander delivers a degree of ultimate versatility and capability that only a member of the Trail Rated family could provide.

Fold and Tumble 40/20/40 second-row seats provide a spacious, flat cargo load floor and access to third-row seats. Reclining second-row outboard seatbacks provide comfort. The second-row center armrest features deployable cup holders. Auto-folding head restraints make for exceptionally easy cargo load floor conversion. Flexible third-row 50/50 single-action split-folding seatbacks include outboard head restraints.

JEEP COMMANDER LIMITED SHOWN IN JEEP GREEN METALLIC

## SETTING THE STANDARD

Jeep® Commander's robust Electronic Stability Program (ESP)<sup>1)</sup> includes Electronic Roll Mitigation (ERM), an antilock brake system (ABS), Brake Assist and the new Trailer Sway Control (TSC), all working together to help you and your trailer load safely reach your destination. When the network of ESP sensors detect that you're veering off your intended path, this comprehensive system automatically initiates braking action to stabilize the trailer and help keep you moving safely forward. Hill Start Assist (HSA) and Hill Descent Control (HDC) are new available features that employ automatic braking to help get you safely up and down the mountain.

Commander's standard ParkSense® Rear Park Assist System<sup>2)</sup> helps to make sure you back into and out of your parking space safely. Ultrasonic sound waves give an audible and visual warning when driving in reverse at speeds below 10 mph. Advanced driver and front-passenger multistage air bags<sup>3)</sup> and Side Occupant Protection System with side-curtain air bags<sup>3)</sup> help protect Commander's outboard occupants.

<sup>1)</sup>No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

<sup>2)</sup>Always check entire surroundings before backing up.

<sup>3)</sup>Always use seat belts. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and size.

## DRESSED TO IMPRESS

Behind the detailed chrome finish on Jeep® Commander Overland's traditional seven-slot grille, roof rack side rails, bodyside moldings, license plate brow and wheels resides a technological wonder. The authoritative and efficient<sup>(1)</sup> 5.7L HEMI® V8 engine with MDS is standard. The Jeep brand's most capable Quadra-Drive® II 4WD system is standard on 4x4 models. A GPS Navigation System is standard. A ParkView® Rear Back-Up Camera<sup>(2)</sup> is standard. Even a Class IV Trailer Tow Package is standard. From capabilities to luxuries, Overland's wishlist of premium features leaves nothing to spare. And even though its power, capability and premium content is maximized, Overland's ride remains comfortably quiet, with substantial sound-dampening elements integrated into nearly every inch of its design.

Standard on Overland is the new, voice-activated MyGIG® Multimedia Infotainment System® with Navigation — an all-in-one navigation, audio, entertainment and communication device with touch-screen capability. You'll get real-time traffic updates, ParkView® Rear Back-Up Camera, plus you can upload pictures and up to 1,600 songs to its 20GB hard drive — all this, and much, much more.

<sup>(1)</sup>EPA estimated mpg 13 city/19 highway.

<sup>(2)</sup>Always check entire surroundings before backing up.

<sup>(3)</sup>MyGIG in-dash DVD capability is not available in all states. See your dealer for details.

JEEP COMMANDER OVERLAND SHOWN  
IN BRIGHT SILVER METALLIC

JEEP COMMANDER OVERLAND ROYALE LEATHER-TRIMMED INTERIOR SHOWN IN LIGHT GRAYSTONE AND DARK KHAKE

## ULTIMATELY PREMIUM

The 2008 Jeep® Commander Overland conveys prestige and luxury with its real wood trim and front suede microfiber- and leather-trimmed seating. Innovative, useful standard features include MyGIG® Multimedia Infotainment System<sup>(1)</sup> with a touch-screen NAV radio and real-time traffic control, SmartBeam™ intelligent headlamp system and remote start. Adding to the upscale feel is a leather-wrapped steering wheel with a real Walnut Burl wood insert. The leather-trimmed center armrest exudes elegance with a hand-sewn appearance. And front seats bear an embroidered Overland logo on the seatbacks. Overland confidently establishes Commander as a premium Jeep 4x4 for those with the most discriminating tastes.

Overland comes standard with virtually everything, including a very large power sunroof and CommandView® Dual Skylights, fixed in place above the second row. The available rear-seat DVD Video Entertainment System (VES®) with SIRIUS Backseat TV™(2) adds premium value for the fortunate rear-seat passengers.

LIMITED

## EVERYTHING AND MORE

Jeep® Commander Limited delivers the unique Go Anywhere, Do Anything™ Jeep vehicle experience with unlimited attitude. Chrome exterior accents include a gleaming seven-slot grille, roof rack side rails, bodyside moldings, front fascia and license plate brow. The standard SmartBeam™ intelligent headlamp system automatically and quickly adjusts high-beam brightness and intensity, depending on your surrounding light sources. Commander Limited's available Quadra-Drive® II four-wheel-drive system benefits from advanced Electronic Limited-Slip Differentials (ELSD) that help transfer power to any one wheel within a fraction of a second should wheel slippage be detected. That means you can easily conquer difficult road and trail conditions that leave the wheels of other, less capable, systems spinning in their tracks.

Traveling over a sand dune is as natural for Commander Limited as running to the local market. Legendary Jeep® brand capability will take you wherever you want to go — and bring you back again.

<sup>2)</sup>Late availability.

## READY TO GO

It is Jeep® Commander Sport's natural heritage to deliver the goods. Here's a vehicle that provides a wealth of standard equipment straight out of the box: standard 3.7L V6 power (or step up to the all new 4.7L V8), standard Quadra-Trac I® 4WD on 4x4 models, standard variable-ratio rack-and-pinion steering and an independent front and a multilink rear suspension system. Included in the core of Commander Sport's safety and security features are an Electronic Stability Program (ESP) with Electronic Roll Mitigation (ERM), a Tire Pressure Monitoring System, side-curtain air bags<sup>(1)</sup> and all-speed traction control. All these systems work together to give Sport an edge in maintaining constant control on a variety of landscapes.

When it comes to seating seven in comfort and delivering them to places both common and unseen, no other SUV provides everything quite like Commander Sport, when equipped with optional third-row seats.

<sup>(1)</sup>Always use seat belts. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and size.

JEEP COMMANDER SPORT SHOWN IN STEEL BLUE METALLIC WITH SPORT UTILITY BARS, ROOF TOP CARGO BASKET, ROOF BASKET CARGO NET, ROCK RAILS AND TUBULAR GRILLE GUARD, ALL AUTHENTIC JEEP ACCESSORIES BY MOPAR. (MORE INFO ON PAGES 28-29)

Properly secure all cargo.

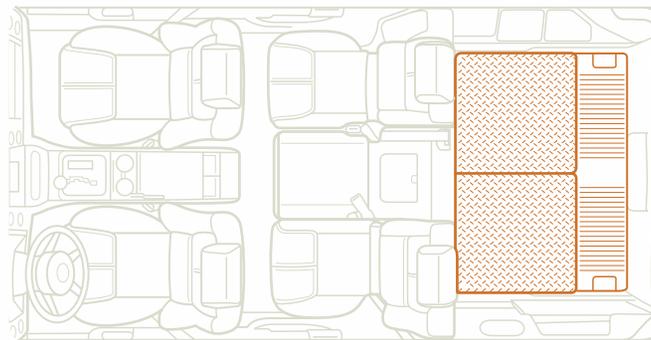

JEEP COMMANDER SPORT TELLURIDE PREMIUM CLOTH INTERIOR SHOWN IN MEDIUM KHAKE

## THE INSIDE STORY

Jeep® Commander Sport is a bold tale all about convenience and control for everyone on board. Its spacious interior with premium cloth seats offers more room for more passengers and more room for your own cargo. Commander Sport is well-equipped so you don't have to leave your favorite creature comforts behind. An easy-access cubby bin in the instrument panel is extra handy for a cell phone, MP3 player, digital camera or wallet. The center console holds an available 115-volt AC power outlet that's useful for powering up laptops, electronic games and small electronic devices. Second- and optional third-row fold-flat seats with integrated third-row head restraints make maximizing the potential amount of cargo storage space as easy as possible.

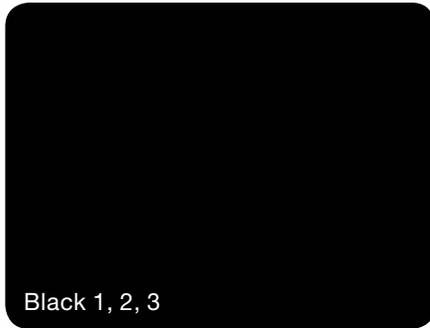

Now you can choose to equip Commander with either two or three rows of seats. If you go with two rows, you will have 69.4 cu ft of maximum cargo space at your immediate disposal.

**SPORT STANDARD** ♦ 3.7L V6 Engine ♦ Quadra-Trac I® 4WD (4x4 models) ♦ Electronic Stability Program (ESP) with All-Speed Traction Control and Electronic Roll Mitigation (ERM) ♦ ParkSense® Rear Park Assist System ♦ Antilock Brake System (ABS) with Brake Assist ♦ Tilt/Telescoping Steering Wheel with EVIC Controls ♦ Eight-Way Power Driver's Seat ♦ Auto Up/Down One-Touch Driver and Front-Passenger Power Windows ♦ AM/FM Stereo Radio with CD Player and Six-Speaker System ♦ SIRIUS® Satellite Radio ♦ Tire Pressure Monitoring System ♦ Rear Center Armrest with Deployable Cup Holder

## AUTHENTIC JEEP® ACCESSORIES

When you enhance your Jeep® Commander with Authentic Jeep Accessories by Mopar, you gain far more than substantial style, premium protection or extreme entertainment. You also benefit from the authentic difference found only in an original equipment accessory. It's a difference that demands tighter tolerances and envelope-pushing testing methods. And one backed by a superior warranty\* serviced by Jeep dealerships nationwide. Choose the full line of accessories that feature a fit, finish and functionality designed specifically for your Commander. Explore the possibilities at [mopar.com](http://mopar.com).

**[A] Chrome Front Air Deflector.** Creates an air stream to help direct road spray, dirt and bugs up and away from your vehicle's hood and windshield. Features Jeep® logo. (Also available in Smoke.) **18-inch Chrome-Plated Wheel.** Style meets substance. This premium wheel is treated with a Clear-Coat finish for a stylish look that is a brilliant reflection on you.

**[B] Chrome Tubular Side Steps.** Steps feature 4-inch oval chromed aluminum, with textured stepping surfaces that match the rear bumper tread pattern. Step pads feature Jeep logo and mount securely with corrosion-resistant, ElectroCoated steel mounting brackets. No drilling required. (Also available in Black.)

**[C] Chrome Fuel Filler Door.** Features a special bolt pattern that uniquely complements the fender flare patterns on Commander Limited, as well as the shift knob and steering wheel on all trim levels. Replaces existing fuel filler door.

**[D] 17-Inch Black-Painted Cast-Aluminum Wheel and 17-Inch Black-Pocketed Cast-Aluminum Wheel.** Put a new spin on style. Our premium wheels are machined to match your vehicle's hubs exactly for a balanced ride and undergo stringent testing for optimal durability and long-lasting shine.

**[E] Door Sill Guards.** Protect interior door sills from scratches while adding a nice touch of style. Brushed stainless steel plates feature embossed Commander name on front guards. Set of four.

\*See your dealer for full details and a copy of the limited warranty.

**WORTH A SECOND LOOK.** Jeep<sup>®</sup> Commander shown with Roof Top Cargo Basket, Roof Basket Cargo Net,\* Tubular Grille Guard, Rock Rails, Tow Hooks and Sport Utility Bars, Authentic Jeep Accessories by Mopar.

**[F] Sport Utility Bars.** Functional Bars attach to the production roof rack side rails and accommodate our Sports and Cargo Carriers.

**[G] Molded Running Boards.** Skid-resistant diamond plate step surfaces help ensure easier entry and exit.

**[H] Rock Rails.** These heavy-gauge steel rails help absorb impacts from rocks and provide lower bodyside panel protection.

**[I] Molded Cargo Tray.\*** Fits in the rear cargo area when third-row seats are down. Skid-resistant, thermoplastic tray is available in matching interior colors.

**[J] Slush Mats.** Feature deep grooves to help prevent water,

snow and mud from spilling onto the floor. Rubber-nibbed backing helps keep mats in place.

**[K] Hitch Receiver.†** This hitch receiver features a 2-inch opening and can tow up to 7,400 pounds with proper weight-distributing equipment. Hitch Ball, Ball Mount and Wiring Harness sold separately.

**[L] DVD Rear Seat Video.™** Watch movies and play games with this single-disc CD/DVD player that features a 10-inch-wide LCD screen, wireless headphones and remote control.

**[M] Rear View Camera.‡** The camera's 3½-inch diagonal screen shows a view of what's

behind you and includes on-screen markers to help you determine distance from an object.

**[N] Interface Module for iPod.®** This FM-bounded system allows you to listen to your favorite music through your vehicle's audio system. iPod music file navigation is maintained by the iPod click wheel.

\* Properly secure all cargo.

† This product is designed solely to enhance the appearance of the vehicle; it is not intended to prevent injury or damage in the event of an accident.

‡ Check Owner's Manual for hitch types, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle as equipped.

§ Always check entire surroundings before backing up.

**Camp Jeep**

Journey deeper into the Jeep® brand lifestyle at Camp Jeep®, the ultimate adventure held exclusively for Jeep owners and their guests. We invite you to join us for three unforgettable days of activities, entertainment and camaraderie. Some of the action-packed thrills include 4x4 Trail Rides, Off-Road Courses, Adventure Sports, Guided

Hikes and Kids Activities. Immerse yourself in Jeep brand history and talk with Jeep vehicle engineers.

[jeep.com/campjeep](http://jeep.com/campjeep)

Jeep® Jamboree USA has a long tradition of giving Jeep owners the opportunity to enjoy their Go Anywhere, Do Anything™ freedom.

Jeep Jamborees are off-road adventure weekends that bring together the outdoors, down-to-earth people and their Jeep 4x4s. We invite you to explore America's remote backcountry, where friendships bond quicker and memories

are deeper, where pine needles smell fresher and blue skies last longer.

[jeep.com/jamboree](http://jeep.com/jamboree)

Jeep® Gear includes an extensive line of gifts and gear for the Jeep enthusiast.

This handpicked collection of authentic wearables, sports equipment, luggage and electronics is just right for those looking to show their pride in the Jeep brand. All items are just as rugged and durable as your Jeep vehicle.
