

Drive it for a day. **Love it for life.**

Life moves fast. Don't slow it down with a car you can't trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing, and with designs that are inherently tough and resilient. It's why our vehicles excel in the most rigorous of motorsports, like rally racing. And why 95% of all vehicles we've sold in the last 10 years are still on the road today! It's also why Subaru owners are so likely to stay Subaru owners for years and years. What's more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we've done our job.

Love. It's what makes a Subaru, a Subaru.

Love. It's what makes a Subaru, a Subaru.

The joy of driving **purified.**

The 2015 Subaru BRZ

Absent of fluff, with a direct connection to the road, the BRZ delivers fun at any speed. Engineering this level of driving engagement was anything but easy. It required starting with the right technology—namely, the low-slung SUBARU BOXER® engine—and placing it in a vehicle with a supremely low center of gravity and the perfect power-to-weight ratio. The end result is no less than the ideal sports car driving experience. Creating elegant simplicity is anything but simple.

— | 2015 BRZ

BRZ Limited in both WR Blue Pearl and Ice Silver Metallic.

The open road is your canvas.

Engaging

With a traditional rear-wheel drive layout, the BRZ pays homage to traditional sports car ideals, while retaining all modern necessities. Its traits—lightweight, low center of gravity, fully independent suspension, telepathic handling—deliver the pure, unfiltered driving experience worshipped by purists.

Potent

Powered by a 200-hp direct- and port-injected 2.0-liter 4-cylinder SUBARU BOXER® engine, the BRZ hits all the right notes in both performance and sound. The sonorous, high rpm rumble from the tuned exhaust system is music to the enthusiasts' ears.

Dialed-in

The ideal sports car driving position means you'll find everything you need, right where you need it. The bolstered, sport-design front seats keep you planted, while the small-diameter, leather-wrapped steering wheel is perfectly complemented by a point-and-shoot 13.1:1 steering ratio.

Connected

Be as in touch with the world outside as you are with the road, thanks to a standard touch-screen navigation system with Bluetooth® connectivity and SUBARU STARLINK™ in-vehicle technology with Aha™ smartphone app integration,¹ which provides seamless access to web content such as podcasts, internet radio, audiobooks, and personalized restaurant and hotel searches.

¹ Compatible smartphone and application required. For applications to operate, latest version of each application and integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

BRZ Premium in Lightning Red.

"...Subaru's new coupe is **gifted with exceptional balance and clairvoyant reflexes.**"¹
CarandDriver.com, December 2011

"With an **excellent driving position, firm brake pedal, slick gear change, and easily controllable oversteer,** the car is a **delight to push hard.**"¹
Motor Trend, January 2014

"The chassis is so balanced and focused, **you could steer it with your right foot while blindfolded.**"¹
RoadandTrack.com, October 2013

"It offers a **pervasive sense of control,** allowing you to place the tires within millimeters of your intended target."¹
Motor Trend, July 2012

"The **BRZ** is an **AUTOMOBILE Magazine All-Star** for the second year in a row."
AUTOMOBILE Magazine, April 2014

¹Accolade based on 2013 Subaru BRZ.

It only lacks one thing—**you.**

Driver-focused Cockpit

A lot of thought went into the place where the magic happens—the driver-focused cockpit of the BRZ. From the driver's seat, everything is optimized and coordinated. From the small-diameter, leather-wrapped steering wheel to the strategically placed pedals, oblique shifter and low-mounted bolstered front seats, it's all perfectly assembled to create the ideal sports car driving position.

BRZ Premium with Black Cloth.

Every excess eliminated.
Every thrill amplified.

2,764 POUNDS
 CURB WEIGHT

[18.11"]
 CENTER OF
 GRAVITY HEIGHT

Lightweight—2,764 Pounds¹

Lightweight sports cars can react quicker, accelerate faster, and stop with more authority. With less heft, the 200-horsepower SUBARU BOXER® engine becomes a powerhouse, and the 11.6-inch disc brakes—world-beaters. High-tensile steel makes it not only lighter but stiffer as well. Also a priority was balance—so it's rear-wheel drive for better front-to-rear weight distribution.

200-hp Boxer Engine

Low, stable, with immediate power delivery, the SUBARU BOXER® engine is the heart and soul of the BRZ. With port and direct-injection technology, its efficiency is impeccable—34 mpg³—and its power easily harnessed with either the lauded 6-speed close-ratio manual transmission, or a quick-shifting 6-speed automatic transmission with manual mode and paddle shifters.

Driver-centric Ergonomics

With design features like a small-diameter steering wheel and optimally placed short-throw shifter, your hands can fully capitalize on the quick 13.1:1 steering ratio. And with sport-design instrumentation, you'll immediately get the information you need most.

Low .28 Coefficient of Drag²

To a sports car, wind is like weight—the more of it you have to move, the more it takes from your ability to perform. Features like a channeled roof and rear diffuser help the BRZ cut through the air, sharpening the performance you'll feel.

Low Center of Gravity

Not only was the engine designed to make it compact, allowing it to be mounted lower in the chassis, every element of the BRZ was placed as low as possible, from the roofline to the seating position. This blesses the BRZ with a supercar-like center of gravity measurement—18.11 inches—that keeps it firmly planted to the ground for otherworldly composure and response.

Performance-design Seats

When you're deep in the corners, you'll be glad the BRZ comes standard with supportive front seats with deep bolsters. It's also available with Alcantara® inserts, which provide extra grip to help keep you in the pocket.

¹ Base curb weight for BRZ Premium with manual transmission.
² BRZ Limited.
³ With automatic transmission. 2015 EPA highway fuel economy estimates. Actual mileage may vary.

G-force optimized.

Inside, you'll find a plethora of features that set the BRZ apart. Find destinations and attractions, and monitor traffic with the 6.1-inch touch-screen navigation system. Customize your comfort with the available dual-zone automatic climate control system. Make calls easily, and stream your favorite tunes with Bluetooth® hands-free calling and audio streaming. Adapt to changing road conditions with auto on/off headlights. Enjoy luxury and control with the supple, yet grippy, available heated Alcantara®-lined, heavily bolstered seats and the leather-wrapped, small-diameter steering wheel.

2015 BRZ Series.Blue

A rare breed of an exotic species.

With a production run limited to 1,000, the exclusive, elusive BRZ Series.Blue comes with a host of unique exterior and interior upgrades. The exterior gets some Subaru Tecnica International flair, with STI 17-inch 15-spoke gloss black alloy wheels and STI front, side and rear quarter under spoilers, to go along with the Series.Blue-exclusive red brake calipers, and additional underbody covers that improve the already stellar aerodynamics. The interior includes a stylish blend of blue-accented leather and Alcantara® everywhere you look, with a red STI engine start/stop button capping the exclusive experience.

2015 BRZ | Trim Levels

BRZ Premium

- 200-hp direct-injected 2.0-liter 4-cylinder SUBARU BOXER® engine
- Close-ratio 6-speed manual transmission
- Sport-tuned suspension
- Multi-spoke 17-inch aluminum-alloy wheels
- HID headlights
- Cloth upholstery
- Manually adjustable air-conditioning system
- Voice-activated 6.1-inch high-resolution touch-screen GPS navigation system and 8-speaker audio system with SUBARU STARLINK™ in-vehicle technology featuring Aha™ smartphone app integration; HD Radio® with iTunes® tagging, USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity, SMS text messaging capability, SiriusXM® Satellite Radio and NavTraffic®²

BRZ Limited

Includes BRZ Premium key features and adds:

- Fog lights
- Trunk spoiler
- Alcantara® and leather-trimmed upholstery
- Heated front seats and side mirrors
- Dual-zone digital climate control
- Keyless Access with Push-button Start
