INFINITI.

EMPOWER THE DRIVE™

Final production vehicle may vary. Always wear your seat belt, and please don't drink and drive.
©2016 INFINITI. IN-19374 Reorder #17503 (9/16, 35K, CG) ♻️ Reducing our environmental footprint is an important goal at INFINITI. That's why this brochure uses paper stock that is certified to contain a minimum of 10% post-consumer waste materials.

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI QX80

Empower the drive with luxury. The journey is a luxurious destination in leather-appointed climate-controlled seats¹ inspired by private jets. A 15-speaker Bose® Cabin Surround⁰¹ sound system and 41 inches of first-class spaciousness in the second row. Plus, All-Mode 4WD⁰¹ to grip wet, snowy, un-road-like roads. QX80. Travel first class. No matter the destination.

EXTERIOR DESIGN

BOLD IN DESIGN. UNMISTAKABLE IN PRESENCE

Much more than its full-size stature, the QX80 expresses confidence in the clarity of its lines and the sculpting of its curves. It is an invitation to live audaciously.

IMPRESSION AMPLIFIED Expressing signature INFINITI design, the double-arch grille is prominently placed front and center. The arc of the bottom, like a natural reflection to that of the top, gives the front fascia a distinctive appearance.

EXPRESSIVE ILLUMINATION Stylish and functional, the LED headlights of the QX80 shed light where you steer² and also provide another level of awareness with signature LED daytime running lights.

ATHLETIC STANCE Large 22-inch forged aluminum-alloy wheels¹ not only complement the epic proportions of the QX80, they are designed to make handling more responsive. The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-ins.

FUNCTIONALLY SEDUCTIVE Zero-lift aerodynamics help keep your QX80 balanced while in motion, helping maintain exceptional stability at speed and an intimate connection with the road.

INTERIOR DESIGN

THE SPACE TO SHOWCASE YOUR STYLE

Modern materials and rich textures create an interior that's unforgettable in its welcome. Warmth and elegance fill an immense, sophisticated space, while thoughtful design reflects the needs of who or what you bring.

EXPANSIVE COMFORT However you arrange the seating in the QX80, all of your passengers will travel on a grand scale, thanks to the legroom that abounds in every seat.

MORE COMFORTABLE QUICKLY Here, every aspect of your entrance is as hospitable as possible. Climate-controlled front seats¹ actively circulate cool or warm air through perforated, quilted-leather vents, so you reach your comfort zone faster than you imagined.

DESIGN THAT EMPOWERS Space is carefully designed to be eminently useful to you, even in your everyday excursions. The rear liftgate opens to a flat cargo area and when both rows are folded down, it gives you access to the 95.1 cubic feet of cargo space.²

PREMIUM SECOND ROW There is no coach class in an INFINITI QX80. Leather-appointed, spacious captain's chairs support passengers in total comfort even on long journeys. Those in the second row also enjoy heated seats,³ their own customizable climate control zone, and a spacious wood-trimmed center console armrest.

INVITE EVERYONE With comfortable seating for up to 8 adult passengers,⁴ you'll never have to leave anyone behind. The QX80 also makes ingress and egress easy with wide door openings, and a second row that folds with the push of a button. Power-folding third-row seats offer an extra level of hospitality with split-folding seats that lie virtually flat for easy loading.

CARGO SPACE

POWER THAT PUSHES YOUR BOUNDARIES

Discover a whole new world with the QX80 through its refined performance and impressive capability.

POWER TO PULL

With up to an 8,500-pound towing capacity,³ the QX80 offers you an extra dose of confidence and control with just the push of a button. Engage the Tow Mode and the QX80 responds by adjusting throttle response and transmission shift points to accommodate your heavy load.

NATURALLY SMOOTH SHIFTING

The 7-speed automatic transmission offers a wide selection of gears for versatile performance and enhanced fuel economy. A driver-adaptive learning algorithm familiarizes with your driving style and adjusts shifting for responsiveness or efficiency to suit you.

5.6L V8

Designed to be both more powerful and more efficient, the 5.6-liter V8 direct-injection gasoline engine features Variable Valve Event and Lift (VVEL[®]) technology that enhances throttle response as well as fuel economy. 400 hp and 413 lb-ft of torque deliver up to 8,500 lbs of impressive towing capacity and the ability to pass with confidence.³

PULLING STABILITY

When heavy cargo is loaded into the rear or when towing, the Rear Auto-Leveling Suspension of the QX80 adjusts the suspension to help maintain an optimum ride height. Along with Trailer Sway Control, it helps provide you with enhanced handling, braking and directional stability.^{2,3}

A CONTINUOUS RUSH

Acceleration Swell is our vision of power, dedicated to delivering a shape and feel to acceleration. By precisely tuning the engine to unleash torque at a broader rev range, the force you feel seems to increase the faster you go, making Acceleration Swell feel more like a limitless rush than a momentary thrill.

CAPABILITY

ELEVATE YOUR COMMAND

The INFINITI QX80 rises above with innovations that adapt to give you more confidence on the road.

EFFORTLESS TURNS Vehicle-speed-sensitive power steering¹ gives you more power-assist at lower speeds and less at higher speeds, for greater connection when you want it, and ease when you need it.

BETTER CORNERING AND COMFORT The power and size of the QX80 is complemented with innovative technology to augment cornering. The Hydraulic Body Motion Control² system monitors force and regulates the suspension for minimized body lean and a smoother ride.

FINDING THE BEST GRIP When your adventures come across unfavorable road conditions, the 4-Wheel Active Brake Limited Slip senses wheelspin, then automatically applies braking force to the spinning wheel while directing power to the wheels with better traction.

HOLD THE ROAD All-Mode 4WD³ helps ensure you're ready for just about anything. Set it to AUTO, and it continually adjusts power between the front and rear wheels, or enable 2WD, 4WD High or 4WD Low to handle almost any condition.

2017 QX80 4WD shown with accessory Roof Rail Crossbars.

ACCOMMODATES EVERYONE'S INTERESTS

Along every journey, never lose touch. And in every seat, always be entertained, thanks to technologies that seek the comfort of every individual.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you—turning ring, touch-screen, input buttons, and even steering wheel controls—responding to you rather than you adjusting to it.

SPEAK YOUR DESIRE INFINITI Voice Recognition allows you to set a destination on the navigation system,⁴ call a contact from your compatible phone, choose a radio station and much more—without removing your hands from the wheel. The system recognizes a wide variety of commands, making your life that much simpler and more elegant.

WIRELESS POSSIBILITIES Pair your Bluetooth®-compatible smartphone with your QX80 and a hands-free world opens up.⁵ Receive and place calls. Stream your favorite playlists from portable music players. All with the touch of a steering wheel button.

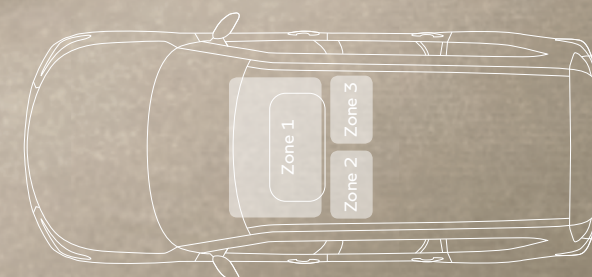

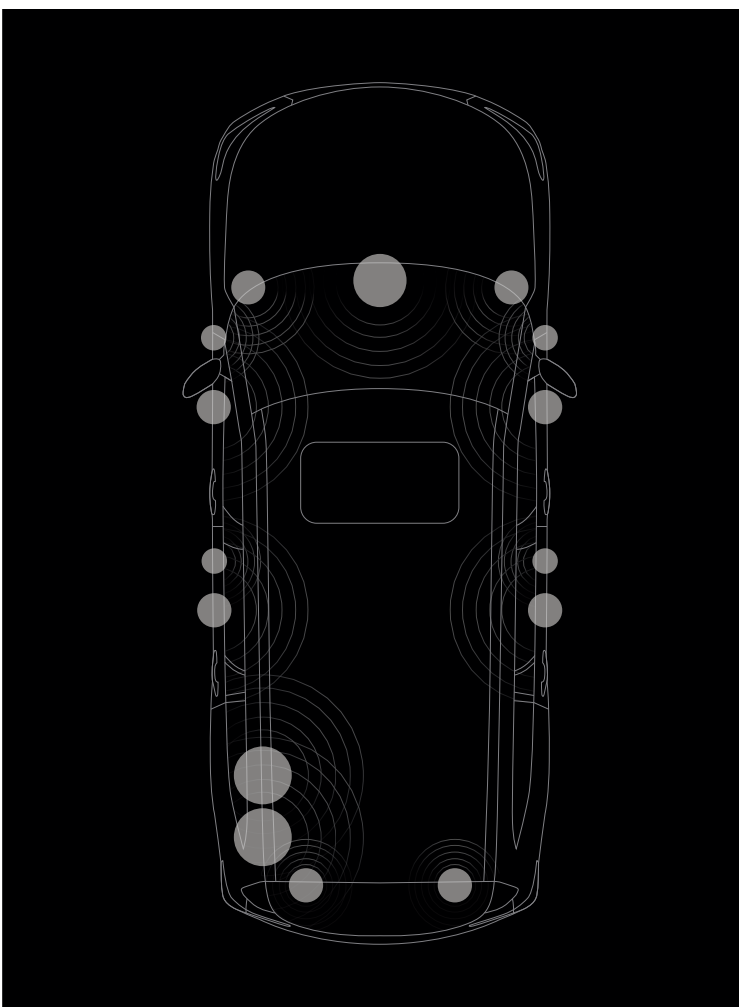

15 SPEAKER

BOSE® AUDIO

AUDITORY INDULGENCE The Bose® Cabin Surround^{®1} sound system brings 15 individual speakers to bear in a powerful 5.1-channel array. Their positioning and sound delivery is engineered specifically for the QX80 to filter out noise and distortion, and delivers music's power from the front, with sound washing through the cabin to the back, as in a live performance.

PURITY OF SOUND Driver's Audio Stage answers your demand for the ultimate audio experience, by shaping the sound emerging from the audio system so that it focuses on the driver. It's dynamic sound imaging at its most immersive.

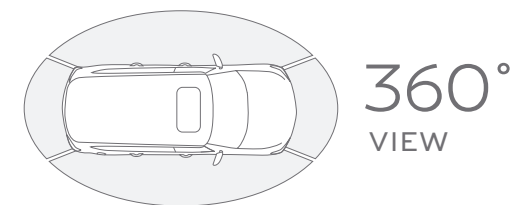

INDIVIDUALIZED ENTERTAINMENT The Tri-Zone Entertainment System⁶ offers dual 7-inch screens for second-row passengers, so they can play their own movies or games, even while those in front enjoy their own music.

CONVENIENCE

YOUR ABILITIES ENHANCED. YOUR NEEDS ANTICIPATED

You live by your instincts and the QX80 will feel like an extension of yourself. Smart systems are looking ahead, acting to assist and customize your comfort, leaving you free to focus on the drive.

SEE EVERY SIDE Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection⁷ and Front and Rear Sonar System⁸ it's easier to see and maneuver in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise, while also alerting you whether a moving or stationary object is detected close by.

INTUITIVE FRONT LIGHTING Illuminate where you truly want to be. The Adaptive Front lighting System (AFS)¹ helps improve visibility at intersections and around curves by sensing your steering and turning the headlights. Together with LED headlights, AFS helps you see not just ahead, but around as well.

A CLEARER REFLECTION Auto-dimming outside mirrors make driving after dark more comfortable and more confident by reducing glare from the headlights of vehicles behind you. Throughout the day and deep into the night, your comfort is catered to.

EXTEND EFFORTLESS COURTESY As a courtesy to you and others, High Beam Assist recognizes any oncoming and leading vehicles, and automatically switches to your low beams. Once traffic is clear, the high beam setting is restored.

COMFORT IN EVERY SEAT The Tri-Zone Automatic Temperature Control with microfilter indulges every passenger with personal comfort, offering climate controls for three distinct zones.

GUIDANCE AND ASSISTANCE ON EVERY DRIVE

Whether roads are clear or chaotic, intelligent technologies help guide you through every moment.

KNOW YOUR WAY

Find your way through busy streets and unfamiliar territory. The INFINITI Navigation System⁶ lets you choose a view that's most intuitive to you—a 2D overhead view or a 3D Birdview perspective. Lane Guidance can also help escort you exactly to where you need to be for exits and interchanges.

EXPAND YOUR AWARENESS

The Blind Spot Warning and Blind Spot Intervention[®] Systems¹⁻¹⁰ use sensors to help alert you to a vehicle detected entering the blind spot area in an adjacent lane and can help you avoid it. First, the warning light illuminates—then, if you begin moving towards the occupied lane after using the turn signal, a warning sounds. The system can even apply opposite side brakes to help guide your vehicle back towards the center of your current driving lane.

KEEP YOUR DISTANCE

Distance Control Assist¹⁻¹¹ looks ahead and helps warn you if your following distance becomes too short. If detected, and you do not take your foot off the accelerator pedal, the system can apply partial braking power and push back on the pedal.

MANAGE YOUR PACE

Set your desired speed and distance, and Intelligent Cruise Control (Full-Speed Range)¹⁻⁹ can automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control can bring you back up to your preset speed and distance.

MAINTAIN YOUR LANE

The Lane Departure Warning and Lane Departure Prevention Systems¹⁻¹² monitor lane markings and can help warn you if you start to drift. If the drift continues, the Lane Departure Prevention System can ease your vehicle back towards the center of your lane by applying the brakes on the opposite side of the vehicle.

SAFETY

INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

A unique combination of active and passive safety innovations are on alert, ready to help you respond and acting to help protect.

RESPOND TO YOUR SURROUNDINGS Forward Emergency Braking with Pedestrian Detection^{1,3} can sense vehicles in the lane ahead of you, and if deceleration is required, the accelerator pedal can push up and the brakes can activate to help minimize a collision—or even help prevent one. The system may also detect pedestrians who enter your vehicle's path, adding another dimension of security.

MORE SURE IN REVERSE Backup Collision Intervention^{1,4} helps increase your awareness. As you back up, the system warns you if approaching vehicles or large objects are detected behind your vehicle and can help you avoid a collision by applying the brakes.

TOW WITH CONFIDENCE Trailer Sway Control helps keep your trailer from swaying side-to-side during towing, which helps you experience enhanced stability and control.³

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

THE SUPPORT YOU NEED In certain rear-end collisions, the Front-seat Active Head Restraints can move forward to help cushion the head.

ENHANCED PROTECTION Based on the severity of the crash and seat belt usage, the INFINITI Advanced Air Bag System adjusts inflation in the dual-stage front supplemental air bags. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags with rollover sensor.¹⁵

PREPARED TO PROTECT During emergency braking situations, the Front-seat Pre-Crash Seat Belts¹ are automatically tightened.

QX80 LIMITED

A HIGHER DISTINCTION

Be drawn into the striking presence of the QX80 Limited. By adding an even higher level of craftsmanship, it takes the QX80 to new heights of style and comfort.

LEATHER APPOINTMENTS Inside the QX80 Limited, you'll be rewarded with leather treatments on the steering wheel, grab handles and speaker grille trim. Truffle Brown leather-appointed seats are also tailored with unique silver contrast stitching and piping that highlights the distinctive quilting of the seats.

INVITING DETAILS Be welcomed by the glow of the lighting under the running board. While inside, the distinct Open Pore Matte Finish Ash Wood trim raises the level of sophistication. Take it all in, then look above and feel the added touch of elegance of the ultrasuede headliner.

EXCLUSIVE COLORS In addition to the Hermosa Blue, Majestic White, Mocha Almond and Black Obsidian, the QX80 Limited offers two exclusive paint colors—a dramatic Imperial Black and a rich Dakar Bronze.

DARK ACCENTS Appointed with 22-inch dark chrome finish wheels and complemented with dark chrome accents throughout, the elusive demeanor of the QX80 Limited follows you wherever you go. The darkened headlight and taillight lenses underscore the refined aesthetic.

ACCESSORIES

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an INFINITI vehicle go into designing and manufacturing Genuine INFINITI Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.¹⁶ For more information and to shop online for Genuine INFINITI Accessories, go to parts.infinitiusa.com.

ACCESSORIES SHOWN Hood Protector, Chrome Mirror Covers, Moonroof Wind Deflector, Roof Rail Crossbars,² Side Window Deflectors, Chrome Body Side Moldings.

INFINITI RADIANT ILLUMINATED KICK PLATES The INFINITI logo glows softly along the bottom of the front door sills—a signature flourish you and your passenger will appreciate every time you get in.

CARGO NET² With your INFINITI QX80, everything can come with you yet stay in the same place. A high-quality cargo net will help keep things secure.

ALL-SEASON FLOOR MATS Custom-made of durable and long-wearing material—they are designed to protect the interior footwells and capture dirt, sand and other debris while staying securely in place.

ROOF RAIL CROSSBARS² You'll be able to greatly increase the utility and capability of the QX80, especially when you pair them with accessory attachments. These crossbars are wind tunnel-tested to improve their aerodynamics.

INFINITI WI-FI Enables you to seamlessly and securely conduct internet activities in stationary or moving vehicles. Your vehicle becomes a roving Wi-Fi hotspot, connecting up to five Wi-Fi-enabled devices to the internet in and around the car.^{1,17}

CARGO AREA PROTECTOR² Constructed of heavy, durable and flexible material, it helps keep your packages and other items from moving around while driving, while also protecting your cargo area from scratches and damage.

SAFETY FEATURES

Safety

	QX80	QX80 4WD	QX80 4WD Limited
INFINITI Advanced Air Bag System (AABS) includes dual-stage front supplemental air bags with seat belt and occupant classification sensor, which adjust their inflation rate depending on crash severity and seat belt usage. If the front-passenger's seat is empty, a sensor will deactivate the air bag ¹⁵	•	•	•
Driver and front-passenger front seat-mounted side-impact supplemental air bags (SRS) ¹⁵	•	•	•
Roof-mounted curtain side-impact supplemental air bags with rollover sensor for outboard occupant head protection for all three rows ¹⁵	•	•	•
Front-seat Active Head Restraints (AHR)	•	•	•
3-point height-adjustable front seat belts with pretensioners and load limiters, driver's seat Emergency Locking Retractor (ELR) and passenger's seat ELR and Automatic Locking Retractor (ALR)	•	•	•
Second-row outboard 3-point height adjustable seat belts with ELR and ALR (3-point center position seat belt available with split bench seat option)	•	•	•
Third-row 3-point seat belts with ELR and ALR	•	•	•
Zone Body construction with reinforced passenger compartment and front and rear crumple zones	•	•	•
LATCH System (Lower Anchors and Tethers for CHildren) helps simplify proper installation of compatible child restraint seats	•	•	•
Child safety rear door locks	•	•	•
Electronic Brake force Distribution (EBD)	•	•	•
Brake Assist (BA) ²³	•	•	•
4-wheel Anti-lock Braking System (ABS)	•	•	•
Blind Spot Warning helps alert the driver to a vehicle detected in the blind spot area ¹⁰	◦	◦	•
Backup Collision Intervention (BCI) ¹⁴	◦	◦	•
Predictive Forward Collision Warning (PFCW). This available active safety feature senses the relative velocity and distance of the vehicle in front of the one you are following. If the QX80 detects a potential risk, it provides an audible and visual alert ²⁴	◦	◦	•
Forward Emergency Braking with Pedestrian Detection ¹³	◦	◦	•
Intelligent Cruise Control (Full-Speed Range) ⁹	◦	◦	•
Lane Departure Warning (LDW) sounds an audible warning when you start to drift out of your lane and Lane Departure Prevention (LDP) can lightly apply the appropriate brakes to help ease your vehicle back toward the center of the travel lane ¹²	◦	◦	•
Vehicle Dynamic Control (VDC) ²⁵ with Traction Control System (TCS)	•	•	•
Tire Pressure Monitoring System (TPMS) with individual tire pressure display and Tire Inflation Indicator ²⁶	•	•	•
Auto Hazard Warning Signal turns on the hazard lights in the event of the air bags being deployed	•	•	•
Trailer Sway Control (TSC)	•	•	•
Slide-away brake pedal assembly	•	•	•
Security			
Remote keyless entry system with selective unlocking of driver's door or all doors	•	•	•
INFINITI Vehicle Immobilizer System embeds an encoded transponder chip into ignition key. The engine control computer will not allow the engine to start without the correct key and transponder	•	•	•
Vehicle Security System sounds alarm if intrusion is detected	•	•	•

OPTION PACKAGES

Driver Assistance Package

Backup Collision Intervention (BCI)¹⁴ · Blind Spot Warning (BSW)¹⁰ · Intelligent Cruise Control (Full-Speed Range)⁹ · Distance Control Assist (DCA)¹¹ · Predictive Forward Collision Warning (PFCW)²⁴ · Forward Emergency Braking with Pedestrian Detection¹³ · Lane Departure Warning (LDW) and Lane Departure Prevention (LDP)¹² · Blind Spot Intervention® (BSI®) System¹⁰ · Steering Wheel Switch for Safety Shield Technologies

Theater Package – Requires Driver Assistance Package.

Dual 7-inch color monitors for multimedia video playback · Two wireless headphones · Wireless remote control · Auxiliary audio/video input jacks²⁰ · 120V power outlet · Heated second-row seats (outboard only) · Remote tip-up second-row seats for easy third-row entry/exit

22" Wheel Package – Requires Driver Assistance Package. Spare tire is 20" alloy wheel.

22 x 8.0-inch, 14-spoke forged aluminum-alloy wheels with 275/50R22 H-Rated all-season performance tires

Split Bench Seat Package – Requires Driver Assistance Package.

Second-row split bench seat with 60/40-split folding · Center armrest with two cupholders · Increases seating capacity from 7 to 8

Deluxe Technology Package – Requires Theater and 22" Wheel Packages. Replaces front and rear anti-roll bars, and Driver's Audio Stage.

Chrome Mirror Caps · Adaptive Front lighting System (AFS) with auto-leveling headlights · Headlight washers · Semi-aniline leather seating · Bose® Cabin Surround® sound system with digital 5.1-decoding, 15 speakers · Hydraulic Body Motion Control system · Climate-controlled front seats · Stratford Burl trim · Advanced Climate Control System (ACCS) with auto recirculation, Plasmacluster® technology and Grape Polyphenol Filter²⁷ · Second-row footwell courtesy lights · Front Pre-Crash Seat Belts

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with INFINITI Retailer before relying on it to make a purchase decision. Nissan North America, Inc., reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit INFINITI website.

1 Available on select models. **2** Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect handling and stability of the vehicle. **3** See INFINITI Towing Guide and Owner's Manual for proper use. **4** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **5** Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. See http://www.infinitiusa.com/bluetooth for details. **6** Tri-zone operation requires compatible auxiliary media system. See Owner's Manual for details. **7** AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **8** The Sonar System is a convenience, not a substitute for proper parking procedures. Always check that it is safe to do so before moving the vehicle. May not detect every object. **9** Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **10** The Blind Spot Warning/Blind Spot Intervention Systems are not substitutes for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. **11** Distance Control Assist helps maintain a distance to the vehicle in front under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. **12** The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible. Speed limitations apply. See Owner's Manual for details. **13** FEB with Pedestrian Detection is not a replacement for responsible driving. May not provide braking or pedestrian detection in certain conditions. Limitations apply. See Owner's Manual for details. **14** BCI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **15** Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. **16** Some accessories may require installation, which is not included in the Manufacturer's Suggested Retail Price (MSRP). Retailer sets actual price. **17** Up to 10 feet radius of the vehicle. Monthly subscription required for use of feature. **18** 2017 EPA Fuel Economy Estimates. Actual mileage may vary with driving conditions. Use for comparison only. **19** State laws may apply; review local laws before using. **20** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® not included. **21** Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Satellite Radio U.S. service and NavWeather service available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2016 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. **22** Driving is serious business. Only use INFINITI Connection™ and INFINITI Connection Plus when safe to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Services, including Automatic Crash Notification and Emergency Call, require an active subscription, and are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach INFINITI Connection Customer Care or receive support. Services require compatible 3G GSM/GPRS cellular network provided by AT&T. Vehicles equipped with telematics hardware compatible with a 3G cellular network will no longer be able to receive services after the 3G network is discontinued. 3G cellular network not available in all areas and/or available at all times. Changes to cellular networks provided by independent companies are not within INFINITI's or Sirius XM Connected Vehicle Services Inc.'s control. Certain vehicle services, including Google® compatible services, provided by independent companies are not within INFINITI's or SiriusXM's control and are subject to change without notice or liability to INFINITI, its affiliates and agents or SiriusXM. Like other devices that rely on network coverage, once the network service is discontinued, INFINITI Connection will not function without equipment replacements, upgrades, or alternative network coverage, which neither INFINITI nor Sirius XM can guarantee. INFINITI and Sirius XM are not responsible for associated costs that may be required for continued operation due to cellular network turndown or discontinuation (including equipment upgrades, if available, or roaming charges on alternative networks). INFINITI Connection and INFINITI Connection Plus services are complimentary during the first six months after the date of purchase or lease of your new INFINITI vehicle. Trial Periods, unless otherwise specified: Six (6) month trial subscription begins on your date of purchase or lease of your new INFINITI. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will renew automatically under the terms of your subscription. Standard text rates and/or data usage may apply. Terms and conditions of Subscription Agreement apply. See www.infiniticonnection.com for more information. **23** Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. **24** PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. **25** VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. **26** TPMS is not a substitute for regular tire pressure checks. **27** The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. **28** May require additional options or packages.
