

WORK HARD. PLAY HARDER.

Colorado offers full-powered choices in three cab configurations — Crew, Extended or Regular. It's available in a Value Model (Crew Cab and Extended Cab models only) that includes XM Radio¹ with three trial months, Remote Keyless Entry, power door locks and windows, 16-inch aluminum wheels, and a Vortec 2.9L I-4 engine. When equipped with the I-4 engine, Colorado is more powerful than Ford Ranger with its 3.0L V6 engine. And the new 5.3L V8 engine — standard in Sport and available in Z85 and Z71 — pumps out 300 horsepower.
