

IMPALA 2016

CHEVROLET

IS THE AWARD-WINNING IMPALA THE WORLD'S FINEST LARGE SEDAN?

Ultimately, that's something you'll decide when you experience it for the first time.

Discover the harmonious blend of wants and needs. The convergence of aesthetics and aerodynamics in an alluring silhouette. Here craftsmanship puts comfort in a stunning context. Connectivity spreads its wings with an available built-in 4G LTE Wi-Fi® hotspot.¹

Impala doesn't just stand on its own with the world's leading premium sedans. It stands out entirely.

FIND NEW ROADS™

¹ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.

Impala LTZ in Blue Velvet Metallic
with available features.

*“The overwhelming sense in the new Impala
is one of contemporary luxury.”*

– Kelley Blue Book’s KBB.com¹

¹ From 2014 Chevrolet Impala Review on Kelley Blue Book’s kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

EXTERIOR DESIGN

PURE, PURPOSEFUL ELEGANCE.

- 1. Aesthetically pleasing design supports aerodynamic performance.*
- 2. Available LED daytime running lamps enhance visibility to others.*
- 3. The powerdome hood, wide chrome grille and available high-intensity discharge headlamps establish a confident presence.*

Impala LTZ in Silver Ice Metallic.

INTERIOR DESIGN

*“The Impala’s dynamic, modern exterior
writes checks that its interior is pleased to cash.”*

—Edmunds.com

Impala LTZ interior in Jet Black/Mojave
with available features.

Impala LTZ in Blue Velvet Metallic.

IMPALA APPOINTMENTS... TAILORED, TASTEFUL, TIMELESS.

- 1. Carry everything from golf clubs to luggage with 18.8 cubic feet¹ of trunk space.*
- 2. Weather the storm with umbrella storage in the front door pockets.*
- 3. Get situated with available 8-way power-adjustable front seats with power lumbar control.*
- 4. Plug a laptop or other device into the available 120-volt outlet behind the center console.*

¹ Cargo and load capacity limited by weight and distribution.

Impala LTZ interior in Jet Black/Mojave with available features.

¹ Not compatible with all devices.

BEAUTY SURROUNDS YOU. Inside Impala LTZ, you are indulged in elegance. Meticulous French stitching and available woodgrain trim accentuate the flowing instrument panel, which wraps you in ergonomic convenience.

UNEXPECTED LUXURIES ABOUND. The thoughtfully designed LTZ interior makes every journey pure pleasure. The available heated steering wheel with a power tilt/telescoping feature combines with available heated and ventilated leather-appointed front seats to offer year-round comfort.

A SAFE PLACE. The available 8-inch diagonal color touch-screen includes hidden, lockable storage behind the display to stow valuables safely out of sight. It also includes a USB port¹ for charging your smartphone.

EVERY LAST DETAIL PUTS YOU FIRST. Your favorite songs come alive with the available premium 11-speaker Bose® Centerpoint® Surround Sound System, while the sounds of the outside world seem to disappear with triple-sealed doors and acoustic-laminated glass.

TECHNOLOGY

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ² Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. ³ Requires Guidance Plan. Visit onstar.com for coverage map. Services vary by model. ⁴ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about Travel Link and NavTraffic, visit siriusxm.com/infotainment. ⁵ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. ⁶ MLB.com At Bat is available on the App Store. Major League Baseball trademarks and copyrights are used with the permission of MLB Advanced Media, L.P. All rights reserved. Some features may not be available for all countries or all areas. ⁷ Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later. iPhone and Siri are trademarks of Apple Inc., registered in the U.S. and other countries.

TOTALLY CONNECTED. Available Chevrolet MyLink¹ with Bluetooth[®] wireless technology² makes it easy to connect to calls, music, contacts and more on the go – all by using natural voice commands or the 8-inch diagonal color touch-screen display.

SMART NAVIGATION. Get directions with OnStar[®] Turn-by-Turn Navigation, standard for six months³ Or go for the available Chevrolet MyLink¹ Radio with Navigation, featuring full GPS navigation, along with a 3-month trial of SiriusXM NavTraffic and Travel Link⁴ for weather and traffic updates, fuel prices and more.

A SIMPLE AND SMART WAY TO ACCESS YOUR iPhone. With available Apple CarPlay⁵ compatibility, you can interact with some of your iPhone[®] apps. Apple CarPlay takes some of the iPhone features you want to access and puts them on your vehicle's touch-screen display in a smart, simple manner. You'll have access to Phone, Music, Maps, and

Messages, as well as some of your favorite apps (e.g., MLB.com At Bat,⁶ Spotify) controlled via Siri Eyes Free⁷ or the touch-screen display in your Impala.

SIRI EYES FREE. If you have a compatible iPhone, you can use Siri Eyes Free⁷ to compose and read text messages, access your calendar, get game scores, check the weather and more.

INTUITIVE INTELLIGENCE – CUTTING-EDGE AND CUSTOMIZABLE.

1. To personalize the home screen, simply drag and drop the application icons – just as you would on a smartphone or tablet. Available on LT and LTZ.
2. Available Chevrolet MyLink¹ is capable of pairing up to 10 mobile devices with Bluetooth[®] wireless technology.²
3. Keyless Access with Push-Button Start is standard on Impala LTZ.

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.
² Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle.

TECHNOLOGY

AVAILABLE BUILT-IN 4G LTE WI-FI MAKES IMPALA YOUR INTERNET CONNECTION.

Connected by  4G LTE

Impala LTZ in Blue Velvet Metallic
with available features.

AVAILABLE INTERNET IN YOUR IMPALA.
Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet!

THE ULTIMATE BUILT-IN WI-FI HOTSPOT.
After initial setup, whenever your Impala is on, available 4G LTE Wi-Fi is automatically on too. It offers great signal quality and bandwidth for up to seven devices!

FAST, EASY, RELIABLE. OnStar with 4G LTE provides a better in-vehicle experience than you'll get with your smartphone. Our stronger signal means you have a reliable connection!

¹ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.

SAFETY

WE'VE GOT YOUR BACK. AND SIDES. AND FRONT.

TECH THAT PROTECTS. Some of the most impressive Impala features are the ones you can't see, including available Forward Collision Alert, Lane Departure Warning, Side Blind Zone Alert with Lane Change Alert and Rear Cross Traffic Alert.

FORWARD COLLISION ALERT. This available feature identifies vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Impala is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

SIDE BLIND ZONE ALERT. With radar sensors on both sides of the vehicle, the available Side Blind Zone Alert helps to "look" for other vehicles in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as the Side Blind Zone Alert system, this available feature alerts you to crossing traffic behind your Impala when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

LANE CHANGE ALERT. Working with Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and warn the driver of fast-approaching vehicles in the adjacent lane from up to 82 feet away, not just in the side view mirror blind zones.

REAR VISION CAMERA. When traveling in reverse at low speeds, the available rear vision camera provides a real-time picture of the area immediately behind your Impala on the touch-screen display.

FULL-SPEED-RANGE ADAPTIVE CRUISE CONTROL. Using grille-mounted radar, this available feature maintains your selected cruise speed and following gap distance, automatically braking when necessary in stop-and-go traffic.

FRONT AUTOMATIC BRAKING. Using the same radar sensors as Adaptive Cruise Control, available Front Automatic Braking helps prevent or mitigate collisions at low speeds. The system alerts the driver if the lead vehicle slows unexpectedly.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

Impala 2LT in Siren Red Tintcoat
(extra-cost color) with available features.

OVERALL VEHICLE SCORE FOR SAFETY!¹

— NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION

¹ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ² A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ³ Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁴ Available on select iOS, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar service, which is standard for six months.

CORE STRENGTH. With high-strength steel forming a rigid structure around the passenger compartment and 10 standard air bags,² Impala establishes a solid foundation for safety.

STABILITRAK® ELECTRONIC STABILITY CONTROL. This standard system automatically adapts to the environment to help you stay on course in challenging weather and road conditions.

ONSTAR AUTOMATIC CRASH RESPONSE³

In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Impala to see if you need help — even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Guidance Plan is standard for six months.

ONSTAR REMOTELINK® MOBILE APP⁴

Now you can control your car from anywhere you have a signal with an app that lets you remote start your vehicle (requires available factory-installed and enabled remote vehicle starter system), pinpoint your vehicle's location on a map, manage your Wi-Fi hotspot, unlock your doors, and monitor your fuel level and oil life — all from your smartphone. You're connected wherever you go.

PERFORMANCE

305-HP V6

HIGHWAY FUEL ECONOMY

EPA-estimated

29 MPG

DIRECT INJECTION

Improves power and efficiency while it

LOWERS EMISSIONS

VARIABLE VALVE TIMING

Provides near peak torque over a

WIDER RPM RANGE

Available 3.6L V6 engine.

Impala 2LT in Silver Ice Metallic
with available features.

RAZOR-SHARP REFLEXES. A stiff body structure and athletic stance allowed Impala engineers to precisely tune ride and handling. Premium electric rack-and-pinion steering provides crisp, responsive handling. The tight steering radius is enhanced by a variable-effort feature, which increases power assistance during low-speed maneuvers.

305-HP 3.6L V6 ENGINE. Would you appreciate robust performance with the fuel efficiency of an advanced V6 engine? With an available 305-hp 3.6L V6 matched to an electronically controlled 6-speed automatic transmission, Impala leaps from 0 to 60 mph in 6.8 seconds.

196-HP ECOTEC 2.5L ENGINE. This 4-cylinder engine combines Direct Injection, Variable Valve Timing and stop/start technology to help save on gas. Stop/start technology can automatically shut off the engine when stopped and enables a smooth transition when the brake pedal is released.

SPECIAL FEATURES

ELEVATE YOUR NEW IMPALA. These are just a few of the impressive features available for your 2016 Impala. For a complete list of features and accessories, check out chevrolet.com.

Plus, you get 5 years/60,000 miles (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at

the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Car Sedan segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.
