FULL-SIZE BLAZER

FULL-SIZE BLAZER.

BACK-COUNTRY ROUGHNECK.

Chevy's full-size Blazer is the tough 4x4 that matches man-sized muscle with family-style room. This rugged trail-climber really rawhides through the back country. Then, quickly and easily, Blazer becomes a freewheeling 2WD street cruiser ready to take on the town. At the heart of Blazer's versatility is an available action-traction system that allows shifting from 2WD to 4WD High without stopping at speeds up to 25 MPH. Blazer's standard 4WD setup, manual hubs and nonsynchronized transfer case, has logged millions of road-to-rough miles.

The reason for Blazer's strength of character is really quite simple—beneath that civilized exterior lies a tough half-ton Chevy truck frame. The same tough truck-type frame that undergirds Chevy's most popular full-size 4x4 pickup. Powering Blazer is a brawny standard 5.0 Liter V8 gas engine (5.7 Liter V8 required in California) or the available 6.2 Liter V8 Diesel, the same truck diesel that propels thousands of full-size Chevy trucks.

You'll find Chevy's full-size 4x4 roughneck at your Chevy dealer's. Finding the back country is up to you.

Blazer thrives on the challenge of snow country. Special equipment is required. Consult your Chevy dealer and snowplow distributor for details. Shown at right, Blazer 4x4 Custom Deluxe in Indian Bronze Metallic with newly available color-keyed top.

Shown on cover: Blazer 4x4 Silverado in Silver Metallic with newly available color-keyed top.

Blazer 4x4 Silverado in Apollo Red with standard Frost White top.

If your going calls for towing, full-size Blazer, properly equipped, can tow up to 11,000 lbs. worth of vehicle, trailer, cargo, equipment and crew. Shown at left, Blazer 4x4 Silverado with Extended Cab Package in Black and Silver.

Tires supplied by various manufacturers.

INSIDE FULL-SIZE BLAZER.

ROOM FOR THE LONG HAUL.

When you slide into the full-size Blazer, you leave the rough country outside where it belongs. This is an interior designed to accommodate as

many as five adults comfortably when optional seating is added, plus 800 lbs. of gear. It also provides nearly five feet of load length when you fold the available rear seat out of the way.

A glance around

the cabin reveals many thoughtful items—fully padded instrument panel, three interior lamps, day/night mirror, available locking center console and more. These visible amenities work

together with important components you can't see—leaf spring front suspension, double-acting shock absorbers, stabilizer bar—to deliver an impressive level of riding comfort in any type of terrain.

Even with the optional rear seat and five people aboard, Blazer accommodates 800 lbs. of cargo.

Custom Deluxe trim in Blue vinyl, shown above. Features standard full-leather-padded front bucket vinyl seats, color-keyed door trim panels, integrated armrests and three interior lamps. New blade windshield wiper blades are included on all Blazers this year.

NOTHING WORKS LIKE A CHEVY TRUCK

Important: A word about this catalog. We have tried to make this catalog as comprehensive as possible and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories, and specialized equipment from various in-plant suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up-to-date. The right is reserved to make changes at any time without notice, in prices, colors, materials, equipment, special options and models. Check with your Chevrolet dealer for complete information.

A word about updated service information.

Chevrolet regularly sends to dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-123.

A word about engines. Chevrolet trucks are equipped with engines produced at facilities operated by GM car and truck group, subsidiaries or affiliated companies worldwide.

A word about assembly, components and optional equipment in these Chevrolet products. The full-size Chevrolet Blazers described in this catalog (Series K10) are assembled at facilities operated by General Motors or GM of Canada.

*With Electronic Fuel Control. *Not Available in California. *California Only. *Reduced in U.S. or Canada.

These vehicles incorporate thousands of different components produced by car and truck groups and various corporate divisions of GM and by various suppliers to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy require-

ments, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to factory-installed extra-cost optional equip-

ment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your vehicle is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if any option you ordered is unavailable. We ap-

Dimensions

ges, that you verify that your vehicle includes the options equipment you ordered or, if there are any changes, that they are acceptable to you.

These vehicles are also available under the GMC nameplate GMC Jimmy Series K1500.

Let's get it together... buckle up.

Every new 1985 full-size Blazer delivered by a Chevrolet dealer in the United States comes with a one-year, \$10,000 seat belt insurance certificate from Millenium General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM seat belt. Buckle up every time you drive.

The GM Protection Plan.

An option that offers coverage protection in addition to that provided by GM's new-vehicle limited warranty. Available only in the U.S. and Canada for the 1985 model year. Ask your dealer about this option.

As part of the 1985 Chevrolet new-vehicle limited warranty, your Chevy truck includes three-year perforation-from-corrosion coverage. Exhaust system components not included. See your Chevy dealer for details and other limitations.

For information on any new Chevy truck,

See your Chevy dealer for a complete selection of 1985 truck catalogs. They cover • Chevy S-10 Blazer • Chevy S-10 Pickup • full-size Chevy Pickup • Suburban • H-1 Camper • Sportvan • Chevy Van • Astro Passenger Van • Astro Cargo Van • all Medium-Duty Chevys and the • Chevy Fleetside & Fleeting Guide.
