

2018 Chrysler Pacifica
Smart innovation dedicated
to uncompromised versatility.

IMPORTED FROM DETROIT®

Long and winding roads reveal panoramic views within the purposefully planned, kid-friendly road-trip vehicle. Your travels will inspire while ensuring the well-being of all your beings with over 100 standard and available safety and security features. The available seating for eight offers plenty of elbow room, as well as your turn to relax, needing only to focus on the road ahead. The ergonomic advantages of Pacifica make it easy to count on a peaceful trip.

No-compromises minivan.

The Chrysler Pacifica offers an unprecedented level of functionality, versatility, technology and bold styling while delivering innovative fuel and hybrid powertrains. The available Uconnect® Theater with dual HD touchscreens and built-in games, along with a full array of available comfort and convenience technologies, including Stow 'n Vac integrated vacuum, tri-pane panoramic sunroof, hands-free sliding doors and liftgate, class-exclusive^{1*} Stow 'n Go® seating, and storage, are all part of the ideal minivan for today's families.

*A note about this brochure: all disclaimers and disclosures can be found on the back cover.

Design 4

Here's to creating balance in a busy world.

You are not simply a parent, coach, carpooler or commuter — you're a traveler, teacher, worker, fixer, breadwinner, trusted caregiver and so much more on any given day. That's why every day, you're prepared to answer the call. And why the Chrysler Pacifica is here to serve your real life with care as the most family friendly minivan in its class.²

Chrysler Pacifica and Pacifica Hybrid

19 city / 28 highway mpg*

Pacifica S Appearance Packages for a tougher touch of bold styling.

The new S Appearance Packages offer exterior features that speak to your brazen side, such as unique 18- or 20-inch Black Noise wheels, Black Stow 'n Place® roof rack, Black Chrysler grille wing badge and "S" badge, Black daylight opening (DLO) moldings and Black grille surrounds. Bringing the feeling inside, the leather-wrapped steering wheel sets the pace along with distinctively sporty S Appearance Package seats.

Strong and efficient for on-the-go drivers.

The Pacifica includes a powerful yet economic powertrain, with the standard 3.6L Pentastar® Variable Valve Timing (VVT) V6 engine non-Hybrid models delivering an impressive 287 horsepower and 262 lb-ft of torque. The pioneering mechanics of a standard 9-speed automatic transmission are a primary factor of the driving dynamics and fuel efficiency of up to 19 city / 28 highway mpg.*

Ride and handling.

The structure and independent rear suspension optimize ride and handling, with a front suspension cradle configured for strength, stiffness and redefined driving dynamics. The low-rolling-resistance tires are a key component to outstanding highway fuel efficiency, while stiffer wheel designs help reduce noise, vibration and harshness (NVH) factors.

A bright spot in the drop-off lane.

The ultimate family vehicle displays a sleek, athletic stance with a sculpted body. Features like expansive side window panes and the available LED lighting shed plenty of light on the task at hand.

Pacifica is powered to deliver robust SUV-like handling

*Based on EPA-estimated fuel economy ratings. 18 city / 28 hwy mpg (3.6L V6 with 9-speed automatic transmission), 19 city / 28 hwy mpg (3.6L V6 with 9-speed automatic with Engine Stop/Start (ESS) technology). Actual mileage may vary.

Class-exclusive¹ Stow 'n Go[®] seating and storage system saves workouts for the gym.

Designed to be used without having to remove³ the seats, the Stow 'n Go system is the key to smooth transitions. With the available Auto Advance 'n Return feature, stowing gear or the seats in the second-row bins is as simple as pressing a button to slide the front seats forward, allowing easy access to the in-floor bin.

What's easy for them makes your life easier.

With the available class-exclusive¹ second-row Easy Tilt seating, passengers can easily climb in and out of the third row. At the simple pull of a lever, the second row seat smoothly shifts forward without having to push or pull it, even with an unoccupied child seat in place.

A platform for smooth utility.

Tuned and calibrated on rural roads, thoroughfares, highways and at validation facilities, the Pacifica is equipped to deliver the ride, feel and comfort of a premium vehicle. The precision-tuned handling allows for more aggressive driving characteristics, precise, responsive steering and best-in-class towing capacity.⁴

Real life rarely stays within the lines

The far-reaching conveniences of Pacifica are never out of reach.

Armloads are a given — hands-free entry is a gift.

Whether you're carrying shopping bags, a sleeping baby, or various other items to load on a daily basis, getting settled has never been smoother. With the available class-exclusive² hands-free sliding doors and hands-free liftgate, a simple foot kick opens up the vehicle while the key fob is with or near you.

Intuitive spaces.

Clever storage spots come in handy throughout the interior, including cup holders, map pockets, sliding drawers for tablets and more. The front row offers generous leg room along with a spot to place purses or larger items. The available center console and instrument-panel drawer allow you to easily reach items you don't want left out in the open, keeping your space organized and tidy.

Easy cleanup with the available Stow 'n Vac vacuum.

The convenience of an available lightweight, built-in vacuum makes cleanup simple. The powerful, integrated vacuum by RIDGID® is stored near the second row of the driver's side for easy access. Stow 'n Vac includes a removable debris drawer for easy disposal, and a longer hose attachment allows an extended reach to every corner, nook and cranny of your Pacifica.

Look, no crumbs.

Generation us

Versatility 12

Utility at the top of its game.

The family room on wheels offers 243 different seating setups with the available seating for eight.* With seats stowed in the floor, an expansive flat cargo space will hold a large stack of 4' x 8' sheets of construction material. When seats are upright, in-floor bins provide storage organization.

Available seating for eight makes room to grow.

The available seating for eight* includes an easily removable³ center seat in the second row, adding an armrest, cup holder and bin when the seatback is folded down. The eighth seat increases the capacity of LATCH-installed child seats to five.

All precious cargo could use some divided attention

*Non-Hybrid models. Properly secure all cargo.

Personalize the information you see.

An available 7-inch full-color Driver Information Display (DID) delivers sharp, configurable graphics, seamlessly integrated with cluster gauges for a wide range of customizable settings, digital speedometer, fuel economy, active safety features and turn-by-turn navigation with instant access.

Uconnect® touchscreen with available 4G Wi-Fi⁵

Remain focused on the road with your hands on the wheel, while you communicate, navigate and stay entertained. Personalize your information and connectivity with available features like SiriusXM® Guardian⁶ and 4G Wi-Fi⁵ Hotspot, Siri® Eyes Free⁷ voice commands,⁸ Do Not Disturb to route incoming calls and texts, and the Drag and Drop menu bar to display your top Uconnect features and services.

SiriusXM Guardian⁶

SiriusXM Guardian,⁶ with a one-year trial subscription, helps you manage your busy lifestyle. Services include SOS Call,⁹ Roadside Assistance Call,¹⁰ Remote Vehicle Start,¹¹ Send & Go,¹² Stolen Vehicle Assistance¹³ and many more.

SiriusXM All Access¹⁴ Package

From coast-to-coast road trips to your daily commute, get over 160 channels to enjoy, as well as online streaming as part of your one-year trial. You have the ability to customize your music and listen to your favorite content on demand. SiriusXM Traffic¹⁴ and SiriusXM Travel Link¹⁴ are included on the available Uconnect 4C NAV with 8.4-inch Display radio with a five-year trial.

android auto

Android Auto™¹⁵

Automatically provides a safer way to use Android devices while driving, sharing information while you easily access the best apps: Google Maps with voice-guided navigation and Google Play Music; place phone calls or send and receive messages⁸ and ask Google Search any question by voice command.⁸

Apple CarPlay™¹⁶

A smarter, safer way to use an iPhone® inside your vehicle and seamlessly integrate it with the Uconnect® touchscreen and Siri® voice control.⁷ You can make calls, access music, send and receive messages,⁸ get directions optimized for traffic conditions and more while staying focused on the road.

The technologically advanced family hub

Available 4G Wi-Fi is the Pacifica's traveling hot spot.

Securing the perfect location to get online is simple with Uconnect's available built-in hot spot that connects your Pacifica to fast, reliable Internet speed for up to eight devices and within 50 feet of your vehicle.

Uconnect® Theater

The available Uconnect Theater allows rear occupants to bring their lives along for the ride with dual HDMI inputs, headphone jacks, a Blu-ray® DVD player and a 115-volt outlet. A USB port in the first-row center stack can be used to play movies in the second row, while available ports in the first, second and third row also provide charging convenience. Nine built-in games and apps, as well as wireless streaming from Android devices, Bluetooth® touchpad remotes, and two 10-inch HD touchscreens, truly make this a mobile theater.

Active Noise Cancellation (ANC)

Contributing to the quietness of the cabin, the standard built-in ANC technology means engine and street noise are subdued through white-noise wavelengths. The Pacifica offers three levels of audio systems, which are equipped with six ANC microphones to enhance noise quality.

Front and center performance with a backstage pass.

With the available Harman Kardon® premium audio system, every seat is perfectly tuned by sound specialists to immerse you in multichannel Surround Sound with up to 20 speakers in 13 locations — providing a life-like audio experience.

● Six (6) Active Noise Cancellation Components

The most advanced entertainment system in its class²

The staycation that travels.

Appreciate leisure time anytime you can get it. The visually expansive Pacifica interior offers, with the available tri-pane panoramic sunroof, a power dual-pane, first- and second-row sunroof with third-row fixed overhead glass. The deep-tint glass and sunshades filter or block the sunlight as desired.

Built-in tranquility.

The sculpted shape of Pacifica offers advanced aerodynamics, while the enhanced low-sound exhaust and motor, laminated glass, Active Noise Cancellation technology and triple-seal doors contribute to making the Chrysler Pacifica peacefully quiet.

A sweet spot for handling stress.

The premium, ergonomically designed available heated and ventilated seats support contours of the body and provide generous leg room for ultimate comfort. The refined interior displays leather and cloth seating options with distinct stitching detail, as well as the standard Rotary E-shift dial and available open center console with storage. The available 12-way adjustable driver seat with four-way power lumbar support and memory settings, heated steering wheel and keyless entry with push-button start are part of the available comforts that make Pacifica built to appreciate the driver.

The best road-trip minivan in its class²

The mother of invention meets mother nature.

Eco-friendly living has evolved through nurture and nature; and driving farther while reducing your carbon footprint makes sense to the environmentally conscious, cost-efficient family. Pacifica Hybrid offers an astounding 84 MPGe¹⁸ without compromising the space and seating you need. With the automatic-transfer power of a 3.6L V6 gas engine and 16kWh battery, taking the scenic route is always the favored option.

America's first-ever Hybrid minivan¹⁷

A mission for reducing emissions.

Living an environmentally conscious lifestyle becomes second nature when you drive the Pacifica Hybrid. With a 33-mile electric driving range,¹⁸ the Hybrid is less dependent on gas, helping you to produce less emissions for a greener planet. It's about increasing your resources through the power of choice, and the gas pump isn't the only place you'll see savings. When you purchase a Pacifica Hybrid, you may qualify for up to a \$7,500 federal tax credit* — the full amount allowed thanks to the 16kWh battery. You may even qualify for additional state and local credits.

Electric + gas = powerful efficiency.

The Pacifica Hybrid offers the best of both worlds. Powered by an electric motor and gasoline engine, it automatically switches between electric power and hybrid power. Now it's simple to get the efficiency you are looking for with a surprisingly extensive 566-mile total driving range.¹⁸

Instinctively evolved design.

The distinctive Pacifica Hybrid exterior includes LED signature daytime running lamps (DRLs), wave-pattern grille design, teal accents and badging, as well as unique 17- and 18-inch wheels. The port located in the driver fender allows easy charging access after exiting the vehicle, while the capless fuel filler is placed on the same side at the rear of the vehicle for no-guesswork convenience.

Upgrade your garage with a Level II charger.

You have more important things to do than wait for your minivan to charge. Good thing the available 240-volt Mopar® charger¹⁹ (sold separately) lets you fully charge your Pacifica Hybrid in as little as two hours. Simply order the charger through your dealer and schedule an appointment for professional installation. It's that easy.

566-mile total driving range with 33-mile electric driving range¹⁸

*State and/or local incentives may also apply.

16kWh battery with the 3.6L Pentastar® V6 eHybrid engine.

The heart of the Pacifica Hybrid is the 16kWh lithium-ion battery, delivering up to 33 miles and 84 MPGe¹⁸ solely on zero-emissions electric power. It works seamlessly with a specially adapted version of the 3.6-liter V6 gasoline engine to deliver optimal efficiency. Additionally, every time you brake while driving, the Hybrid's regenerative braking system turns the motor into a generator, charging the battery to help extend the electric range.

Strong enough to power the vehicle for up to 33 miles¹⁸ on a single charge, the lithium-ion battery of the Pacifica Hybrid can be charged in as little as two hours with an available 240-volt Level II charger.¹⁹ The battery has a 10-Year/150,000-Mile Limited Warranty²¹ or a 10-Year/100,000-Mile Limited Warranty,²¹ depending on where the vehicle is purchased.

Ready-to-guide-you coaching tool.

If you're going to drive a hybrid, you want to optimize your fuel efficiency. The Pacifica Hybrid uses a small green light on the dash to tell you when you're driving efficiently. When you push performance beyond the eco-friendly range, the light turns yellow.

Uconnect® Hybrid Pages.

It's never been easier to be in tune with your ride. The Uconnect 4C with 8.4-inch Display lets you see your vehicle's performance — both hybrid and electric. Adjust your charging schedule to run during less expensive off-peak hours, view your power flow and more.

Remote access.

Stay connected to your Pacifica Hybrid from anywhere. View a driving history report, see your vehicle's charging progress, locate a charging station and more — all from the convenience of your phone within the Uconnect Access App.

America's first-ever Hybrid minivan with 84 MPGe²⁰

Pacifica Hybrid 26

Day-tripping on a single charge.

Extracurricular activities make for an active driving schedule during the normal course of any day. And when drop-offs and pick-ups are mapped by your local city streets, the 33-mile electric range¹⁸ fits well within capacity. A full charge of the Pacifica Hybrid covers lower-speed daily trips, such as errands, carpooling and shopping, without a charge at the gas pump. Stops at home offer a convenient time to recharge, as well as regenerative braking to keep the day moving along at perfect tempo.

One day, one charge — all the stops

Pacifica Hybrid 28

In harmony with its surroundings.

The symphony of interior hues, illumination and shapes complement exterior design cues to form the Hybrid signature style. The vivid Teal wing and leaf badging, charge light, Hybrid screens, available Ice Blue stitching and interior accents create a vibrant palette reflecting its environmental purpose from the inside out. The convenient five-point charging indicator, positioned on top of the dash, is visible at a glance, as well as from outside the vehicle to easily identify the battery's charge level from a distance.

Ready to drive.

Monitoring the Pacifica Hybrid energy output and input is so simple, you'll instantly know that it's ready to drive. The Pacifica Hybrid includes the standard Uconnect® 4C 8.4-inch touchscreen system with available navigation and Integrated Voice Command.⁹ In addition, the Hybrid Electric Pages provide helpful vehicle information screens for Power Flow, Driving History and Charge Scheduling.

Uncompromised versatility.

Without compromising space for efficiency, the Pacifica Hybrid delivers seating for seven, a fold-in-floor third-row seat and all the flat cargo space of the standard Pacifica minivan. This uncompromised utility also comes complete with the versatility to remove³ the second-row seats, allowing you to change to up to 81 configurations as needed.

The most technologically advanced 7-passenger Hybrid²

Properly secure all cargo.

SafetyTec™ Group
Standard on every Pacifica.

Blind Spot Monitoring²² [A] — Sees where you can't.

This available system continuously monitors rear blind zones on either side of your vehicle via radar and, if a vehicle is sensed in the zones, will notify you via a yellow triangle symbol on the outside rearview mirror.

Available Rear Cross-Path Detection²³ monitors for vehicles/objects in perpendicular relationships to the vehicle when maneuvering backward in parking lots, and provides feedback to you by audible chimes and/or visual icons.

ParkSense® Rear Park Assist with Stop²³ [B] Parking close to other vehicles or objects is made easy with sensors positioned on the rear bumper. Park-Sense Rear Park Assist with Active Braking can automatically apply the brakes to prevent a potential collision, or contact with a vehicle behind yours in low-speed parking situations. The system alerts you with a chime if your vehicle is too close to another vehicle or object, such as a building, bike, parking meter or lot barrier, as well as provides a visual reference in the Driver Information Display for further convenience.

Available Advanced SafetyTec™ Group

360° Surround-View Camera²³ [C]

Whether parking, changing lanes, or simply backing out of your driveway, the available full-surround camera views²³ — with visual and audio alerts — provide a display of your vehicle surroundings in the Uconnect® touchscreen.

Full-Speed Forward Collision Warning with Active Braking²⁴ [D]

This available system reduces speed to prevent a potential impact. Radar and video sensors detect if the vehicle is approaching another vehicle or large obstacle in its path too rapidly, warning and assisting the driver.

Adaptive Cruise Control (ACC) with Stop²⁵ [E]

This available system uses sensors to help maintain a safe distance from vehicles in your forward path. This system initiates braking to manage speeds down to zero mph with four selectable distance settings.

LaneSense® Lane Departure Warning with Lane Keep Assist²⁶ [F]

With a forward-mounted camera, this available system identifies lane lines to determine your vehicle position. If you drive on or outside of the lane lines without using a turn signal, a warning is displayed in the cluster and aligns the vehicle to its correct lane position if the driver does not correct the drift.

ParkSense^{®23} Front Park Assist

The available system uses sensors on the front fascia when driving at low speeds to detect objects. It will alert you with a chime and a visual warning in the cluster display if you are too close to another vehicle or object.

Parallel and Perpendicular Park Assist²³

When activated by the driver, this available system helps to maneuver the vehicle into a perpendicular or parallel parking space by automatically controlling steering-wheel turn as the driver controls the gears, brake and accelerator.

The 2017 IIHS Top Safety Pick+ applies to non-Hybrid vehicles equipped with optional front crash prevention and specific headlights, and built after August 2016.

100+ standard and available safety and security features

Structural integrity.

The upper body and frame of the Pacifica unibody structure are engineered as a single unit, bringing a superior foundation for achieving premium sedan-like agility. This architecture carries exceptionally solid strength, advanced structural applications, optimized proportions and dynamic qualities like the use of an enhanced grade of high-strength steels. The door design also increases visibility around the front windows and pillars while sound-absorbing barriers throughout the body and engine area reduce overall cabin noise, contributing to less driver distraction.

The Pacifica utilizes approximately 65% high-strength steel for maximizing stiffness and strength — for vehicle dynamics and crash performance — while optimizing weight efficiency. That means you'll always feel well-protected inside.

Your family's safety and security are what matter most

(1) Based on the latest available competitive information and the FCA US LLC Premium Minivan segment. (2) Based on available features and the latest available competitive information and the FCA US LLC Premium Minivan segment. (3) Be sure to follow all instructions in Owner's Manual for removal. (4) Based on the latest available competitive information and the FCA US LLC Premium Minivan segment. Excludes other FCA US LLC vehicles. (5) Wi-Fi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for Wi-Fi usage. Wi-Fi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of Wi-Fi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using Wi-Fi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. (6) All SiriusXM Guardian-equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (7) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (8) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (9) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. (10) Roadside Assistance Call connects you directly to an agent who can provide the vehicle's location to the Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada to have network coverage. Additional roadside assistance charges may apply. Check warranty for details. (11) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect wherever you operate your vehicle. (12) Send & Go requires a vehicle equipped with a Uconnect 8.4 Navigation unit. To use Send & Go, you must have the SiriusXM Guardian mobile app installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (13) Active SiriusXM Guardian subscription is required to use this service. Stolen vehicle police report required. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. (14) SiriusXM audio and data services each require a subscription sold separately or as a package by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations or on all receivers. (15) Android Auto uses your smartphone's data plan. Additional charges may apply. To use Android Auto, you must be in an area with cellular coverage. Requires the Android Auto app on Google Play and on Android compatible smartphone running Android 5.0 Lollipop or higher. (16) Apple CarPlay uses your smartphone's data plan. Additional charges may apply. To use Apple CarPlay, you must be in an area with cellular coverage. (17) Based on available competitive information. (18) Based on EPA-estimated 84 MPG, 32 mpg combined and 33 miles all-electric range rating. Actual mileage may vary. (19) Requires purchase and professional installation. See your Chrysler dealer for details. (20) Based on the latest available competitive information and FCA US LLC Premium Minivan segment MPGe rating based on EPA-estimated fuel economy rating. Actual mileage may vary. (21) Transferable. See dealer for complete details and a copy of the warranty. (22) Always check visually for vehicles prior to changing lanes. (23) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (24) This system is not intended to avoid collisions on its own, nor can FCW detect every type of potential crash. The driver must remain aware of traffic conditions and be prepared to brake and steer to avoid potential collisions at all times. (25) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (26) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (27) Not compatible with all garage door openers. (28) Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Check UconnectPhone.com for device compatibility. (29) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (30) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (31) Complete details, including restrictions, limitations and exclusions, will be available when you become a Cardmember.
