INFINITE POTENTIAL

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape on the INFINITI QX80, where presence, power, and artfully expansive space create experiences grand enough to be shared beyond yourself. Begin by crafting your QX80 for the journey you share, with selections designed to move, inspire and empower the drive.

PASS CONFIDENTLY Expect performance that pushes your boundaries and pulls whatever you desire. The QX80's 5.6-liter V8 drives with commanding responsiveness, and maximizes power while prioritizing modern-day efficiency. With 400 hp and 413 lb-ft of torque yielding up to 8,500 lbs towing capacity,¹ the confidence extends to towing what you desire.

CORNER WITH EASE Greater power requires greater capability, and the QX80 spares no innovation in elevating your command. The Deluxe Technology Package's Hydraulic Body Motion Control (HBMC) actively adjusts suspension to counter body lean and bounce for a smooth ride and controlled cornering feel.² Augment your hold of the road with INFINITI All-Mode 4WD,[®] which ensures you're ready when pavement is wet, snowy, or not paved at all.

ENHANCE YOUR CAPABILITIES

How will your QX80 come to life? Engineered for luxury without limits, it offers bold ideas for the driven. Indulge everyone in expansive comfort and entertainment, while empowering yourself with innovation that looks as far forward as you do.

JOURNEY IN GRAND COMFORT Quilted leather-appointed seating and a heated, leather-wrapped steering wheel give the QX80 an atmosphere of luxury you can literally touch. To make it its most exquisite, the Deluxe Technology Package adds naturally soft semi-aniline leather seating, climate-controlled front seats, and a selection of new Espresso or Charcoal Burl accents.²

INVITE EVERYONE The QX80 is an experience to be shared. Every seat abounds in legroom. Second-row captain's chairs mean there is no coach class, while the Split Bench Seat Package² can increase capacity to a grand-scale 8 passengers. When it's cargo you want to accommodate, folding the second and third rows gives you 95.1 cubic feet of space.³

EXPAND YOUR AWARENESS The Driver Assistance Package² gives you peace of mind on your journey by helping watch for – and avoid – danger on all sides. Drive with innovations such as Blind Spot Intervention^{®4} that can actively help avoid vehicles in your blind spot area, and Predictive Forward Collision Warning⁵ that watches two cars ahead to help warn you of danger – sometimes before you even see it.

ENTERTAIN MORE OPTIONS You are going places, but surely not alone. Extend to your guests their entertainment of choice with the Theater Package, which offers dual 8-inch monitors for second-row passengers to view their own movies or games while those in front enjoy their own music.²

REFLECT ON YOUR VISION Always forward-thinking, the all-new Smart Rearview Mirror⁶ in the Deluxe Technology Package² means your view need never be compromised by passengers, large cargo, or even darkness. The toggle transforms it from a mirror into an LCD screen, displaying the enhanced view from a wide-angle high-resolution camera. So a full vehicle can still mean a full view behind you.

Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. 4 Blind Spot Warning/Blind Spot Intervention Systems are not a substitute for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. 5 PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. 6 Not a substitute for proper vehicle operation. Cannot detect every object and does not eliminate blind spots or warn of moving objects. Always check surroundings and turn to look behind before moving vehicle. 7 State laws may apply; review local laws before using. 8 Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's owner's manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within INFINITI's control. Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to INFINITI or its partners or agents. Services and features may require compatible cellular network provided by independent companies not within INFINITI or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. INFINITI and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within INFINITI's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new INFINITI. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas.
