

Honda Insight

2019

There's no better feeling than arriving in a car as beautiful and sleek as the all-new Honda Insight, except the satisfaction of knowing that it's also a hybrid. With stunning design and an impressive fuel economy rating of 55-mpg city (LX and EX),* the Insight always makes an entrance.

The hybrid that's as beautiful
as it is efficient.

Looks That Impress

- Eye-catching alloy wheels
- LED headlights, taillights and brake lights
- Bold, aggressive grille and clean exterior lines

Insight Touring shown in Aegean Blue Metallic.

*55 city/49 highway/52 combined mpg rating for LX and EX trims. 51 city/45 highway/48 combined mpg rating for the Touring trim. Based on 2019 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on driving conditions, how you drive and maintain your vehicle, battery pack age/condition and other factors.

Looking sharp never felt so smart.

The Insight features high-tech amenities and plenty of interior space. Once you enjoy them, you won't be able to remember how you traveled without them.

Tech Made Easy

- Apple CarPlay™ integration*¹
- Android Auto™ integration*²
- 8-inch Display Audio with high-resolution touch-screen, knob and hard keys*
- HondaLink®*³
- Mobile hotspot capability*¹
- 450-watt premium audio system*

*Available feature. Please refer to specs for actual trim application.

Insight Touring shown with Ivory Leather.

¹Requires AT&T data plan.

Insight Touring shown with Ivory Leather.

2656

With an airy, sporty aesthetic and elegant finishing details, the Insight is just as impressive inside. The spacious cabin provides a one-of-a-kind experience for drivers and passengers.

A Dash of Refinement

- Seating for 5
- Heated front seats*
- Perforated leather-trimmed seats*
- Dual-zone automatic climate control*

*Available feature. Please refer to specs for actual trim application.

Insight Touring shown in Crimson Pearl with Ivory Leather.

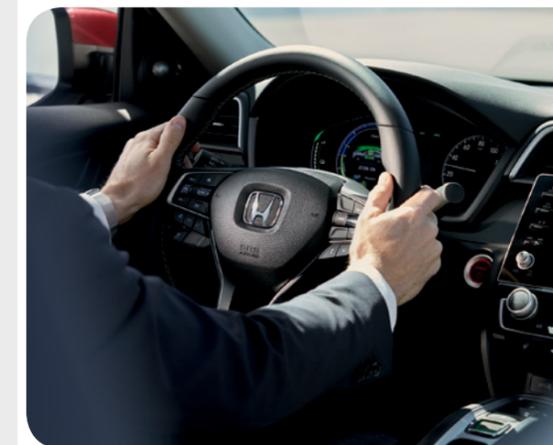

Start in style.

Want to get a jump on the morning? Available remote engine start will allow you to start the vehicle from up to 100 feet away. Then get behind the wheel and admire the intuitively designed Driver Information Interface. It displays phone call and audio data (EX, Touring) as well as trip information and driver-alertness reminders.

Sporty look, sporty feel.

Hold on tight. The available leather-wrapped steering wheel adds a touch of excitement to your drive. Plus, activate Sport Mode for an enhanced driving experience. It's sure to make you feel the thrill of the road.

Plenty of space.

With a battery pack tucked out of the way under the rear seat, the Insight offers nearly 15 cubic feet of trunk capacity* for whatever you love. Plus, the 60/40 split rear seatback (EX, Touring) folds down to reveal a sizable pass-through, for those extra-large items.

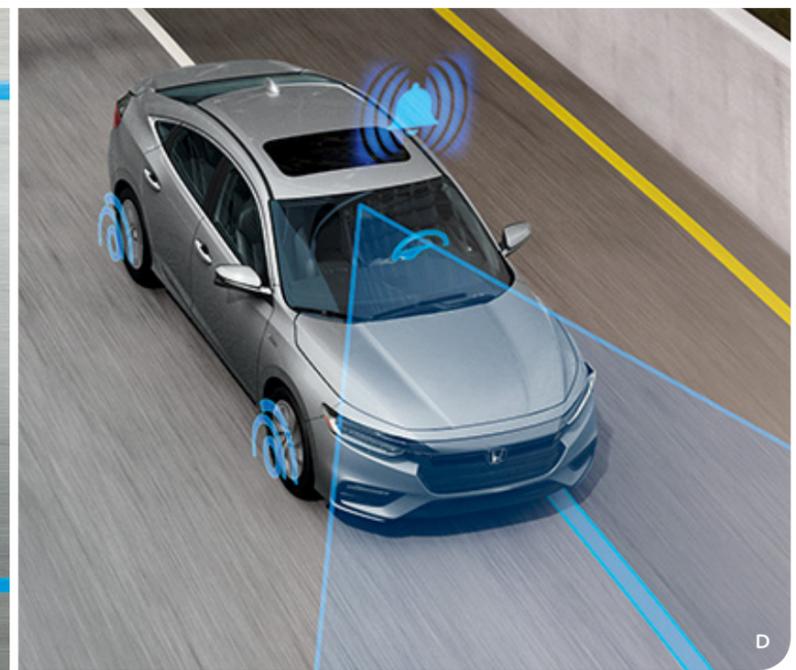

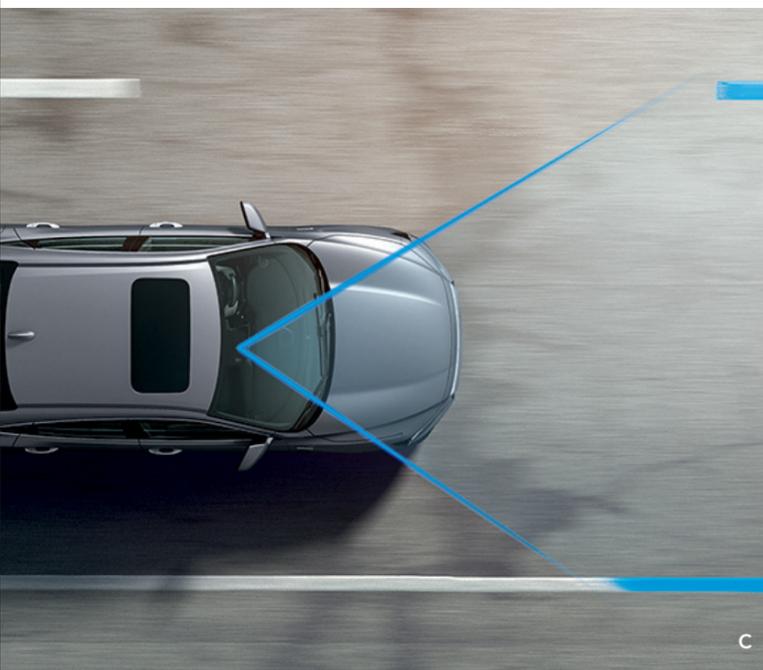

Make a statement with LEDs.

The Insight comes with full LED headlights, including low-beam, high-beam, Daytime Running Lights and turn indicators, plus LED taillights and brake lights.

Honda reminds you to properly secure cargo items. *15.1 cu ft for LX and EX trims; 14.7 cu ft for Touring trim.

Avoid misadventure.

Even the most attentive of drivers can miss things. That's why every Insight is equipped with Honda Sensing®, a full suite of safety and driver-assistive technologies designed to assist and help protect you and your passengers.

A - Traffic Sign Recognition (TSR)⁴

TSR displays speed-limit sign information to assist the driver while the vehicle is moving forward. The camera can recognize speed-limit signs and display the information on the Driver Information Interface.

B - Adaptive Cruise Control (ACC) with Low-Speed Follow⁵

ACC helps you maintain a set following interval behind detected vehicles for highway driving. If the detected vehicle slows to a stop, ACC is designed to slow and stop your vehicle as well. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval.

C - Lane Keeping Assist System (LKAS)⁶

With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Insight centered in a detected lane.

D - Road Departure Mitigation System (RDM)⁷

RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you return to your lane, or provide braking to help keep you from leaving the roadway entirely.

Collision Mitigation Braking System™ (CMBS™)⁸

CMBS can help bring your Insight to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

Accessorize your Insight.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details and a complete list of accessories.

Available Honda Insight Genuine Accessories

- 17-Inch Dark Chrome Alloy Wheels
- Door Pull Illumination
