

The 2014 Sprinter Passenger Van

The new
SPRINTER

First-class style, safety and comfort.

With room for 12 (11+1), the Sprinter Passenger Van features an impressive interior standing height of up to 6'4" that gives everyone plenty of room to move. Mercedes-Benz engineers added the most advanced safety features to protect you, your passengers—and your business. There's also a spacious rear storage area, low step-in height, three- and four-seat benches as well as optional rear air-conditioning for transportation without perspiration.

Delivering up to 18%¹ greater fuel efficiency, the Sprinter's new standard 2-stage turbo diesel engine² also offers spirited performance. Combine that with a quick-shifting new 7-speed 7G-TRONIC transmission and enjoy acceleration that's both smooth and refined. Add it all up—impressive capabilities, greater reliability and reduced ownership costs—and you'll see how the Sprinter means business.

Mercedes-Benz
Vans. Born to run.

The new
PASSENGER VAN

**STANDARD 2-STAGE TURBO DIESEL ENGINE
WITH 7-SPEED TRANSMISSION²**

**OPTIONAL V6 DIESEL ENGINE
WITH 5-SPEED TRANSMISSION²**

Measurements in inches unless otherwise noted.

Safety features that can help protect you today—and down the road.

Blind Spot Assist⁵ helps the driver avoid accidents by giving visible warnings when it detects vehicles in the blind spot.

COLLISION PREVENTION ASSIST⁶ is a radar-based proximity warning system that issues visual and audible warnings when vehicles traveling ahead come within a potentially dangerous distance. In emergency situations, boosted braking pressure levels assist automatically to help prevent rear-end collisions.

Lane Keeping Assist⁷ provides the driver with audible and visible warnings if the vehicle leaves its lane unintentionally. A camera in the windshield monitors the road ahead, detecting when you may veer away from lane markings.

Highbeam Assist utilizes a camera located on the inside of the windshield to monitor traffic ahead. When activated, it controls the headlight main beam to provide the best possible road illumination.

Features listed above are available in the Active Safety Plus options package.

MODEL TYPE	2500 STANDARD ROOF		2500 HIGH ROOF	
	144" WB		144" WB	170" WB
WHEELBASE	144" WB		144" WB	170" WB

Rear Passenger Comfort Package

AGM battery, 12V 95A • Cupholders in passenger compartment • Air conditioning rear, incl. additional battery • Convenience lighting in passenger compartment • Seat armrest, rear seats (left and right) • Rear door step

OPTIONAL EQUIPMENT

Mercedes-Benz offers innovative options that enhance your Sprinter's appearance, performance, comfort and safety. Select from individual options or option packages that help your Sprinter work harder for your business. See your authorized Mercedes-Benz Sprinter dealer for a complete list.

ENDNOTES

1. Fuel savings estimate of up to 18% according to FTP75 testing of engine OM651 (4-cylinder) versus OM642 (V6). Individual mileage will vary, based on factors including vehicle load, driving style, road conditions and fuel quality.
2. Requires the use of ultra-low-sulfur diesel fuel. Mercedes-Benz Sprinters are approved to use B5 biodiesel (approved diesel fuel with a maximum 5% biodiesel content) in all BlueTEC® engines. The only approved biodiesel content is one that both meets ASTM D6751 specifications and has the oxidation stability necessary to prevent deposit-/corrosion-related damages to the system (min. 6h, proven by EN14112 method). Please see your service station for further information. If the B5 biodiesel blend does not clearly indicate that it meets the above standards, please do not use it. The Mercedes-Benz Sprinter New Vehicle Limited Warranty does not cover damage caused by non-Mercedes-Benz approved fuel standards.
3. Driver is responsible for monitoring fluid levels and tire pressure between service visits. See Maintenance Booklet for details.
4. Based on a comparison of the Automotive News classification of full-size commercial vans at time of print.
5. Blind Spot Assist may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It should not be used as a sole substitute for driver awareness and checking of surrounding traffic conditions.
6. COLLISION PREVENTION ASSIST may not be sufficient to avoid an accident. It does not react to certain stationary objects, nor recognize or predict the curvature and/or lane layout of the road or every movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely.
7. Lane Keeping Assist may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury.
8. The Sprinter Roadside Assistance Program is only available for vehicles covered under warranty and includes such services as towing, jump-start in the event of a dead battery and assistance with the installation of a spare tire.
9. Extended Limited Warranty (ELW) not available in all states. Contact your local Mercedes-Benz Sprinter dealer to verify availability.
10. Rear view camera does not audibly notify driver of nearby objects and is not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice or snow on the camera.
11. Please see your dealer for warranty information for accessories and upfitted equipment.

Simplified—and smart— financing solutions.

Through Mercedes-Benz Financial Services, we offer a variety of financing products and solutions with flexible benefits and competitive rates tailored specifically to your business. Whether you need a simple-interest loan or a leasing solution, our dedicated commercial finance experts are ready to work for you, ensuring a first-class financing experience. See your Mercedes-Benz Sprinter dealer for current rates.

Extra protection for the road ahead.

All Mercedes-Benz Sprinters come standard with our 24-hour Roadside Assistance Program⁸ and expert advice 24/7 through the Mercedes-Benz Customer Assistance Center. But we don't stop there.

A Mercedes-Benz Extended Limited Warranty⁹ offers the added peace of mind to drive your business even further. With protection beginning immediately after the original warranty expires, you can have your Sprinter repaired by factory-trained technicians using high-tech diagnostic equipment and completed with Genuine Mercedes-Benz Parts. Choose 1, 2 and 3-year options up to 125,000 miles with no deductibles or cumbersome claims processing.

Take advantage of the money-saving value of a Prepaid Maintenance contract and enjoy even more value from Sprinter Authorized Service. Pay for maintenance in advance (rather than per visit) and help lower the cost of owning a Mercedes-Benz Sprinter. Purchase a PPM contract now and protect against potential and unexpected cost increases for parts and service down the road.
