

NEW GRANDLAND X

VAUXHALL
British Brand since 1903

LIFE JUST GOT A LITTLE MORE
GRAND

Isn't it funny how a little extra ride height makes you feel so much... grander? All of a sudden, commutes feel cooler. Getaways get greater. Adventures are reinvented.

But its commanding driving position is far from the only thing that's a bit grand about Grandland X. There's serious brains beneath the brawn, giving you powerful, on-the-go connectivity with the reassurance of smart safety technology.

But that's not all. There's plenty more splendid little moments to come. So turn the page and let's start feeling it.

COMPLETE THE PICTURE

We've only skimmed the surface in this brochure, if you'd like the detail on exactly what's available on every single model you'll need a copy of our comprehensive Grandland X Price and Specification Guide. It contains everything you need to know about the entire Grandland X range and it's only a click away.

EXPECT A WHOLE LOT
MORE

More innovation, more control, and bags more features – the Grandland X has your back whatever the situation.

1. Impressive 360° surround vision*

Grandland X not only has your back – but your front too. Our 360° panoramic camera alerts you of objects all around your car, making reversing out of a tight space super easy.

1.

2. Premium Denon® sound system*

Because every great adventure needs a great soundtrack. Turn it up with our tailor-made sound system.

2.

3.

3. Advanced IntelliGrip*

Keep your cool and stay in control with IntelliGrip – our fully-electronic traction control that keeps you steady and stable on even the most difficult roads.

4. Bright LED headlights*

We told you it was clever. The Grandland X boasts an intelligent LED headlight system which shapes the beams according to your driving situation.

IT GETS YOU

SO GET IN

Look the part, and you feel the part too.
So when you step out looking and feeling
good, it gives you that same feeling.
Grandland X gets this.

Or rather, Grandland X gets you. Confidently poised, it's ready to take you
greater places. That energetic SUV design fuses lavish looks with practical
versatility. So, while the LED daytime running lights are sharply stylish, they
also improve your visibility for greater safety.

Because that's the way Grandland X rolls – not just to look grand, but to make
life feel that bit grander too.

YOU'RE INTO SOMETHING
GOOD

No matter how good your car looks, or even how powerful it is, it should bring a smile to your face. Make you feel you've arrived – even before you've started up.

So, if you're sitting comfortably, it's probably down to Grandland X's ergonomic active front seats*. With full lumbar support, extendable and tiltable cushions, each seat adjusts 16 different ways for the ideal back therapy.

The soft-touch facia and controls are ergonomically designed to keep your eyes on the road. The central IntelliLink touchscreen helps too, reducing clutter for a calmer, more luxurious cabin that takes you to a happy place. Now that's grand.

*Optional at extra cost on certain models.

BRITISH WEATHER **BEATEN**

Frosty mornings, misty windows and days cold enough to freeze the carrot off a snowman. Whatever the weather, life's a bit more grand inside Grandland X.

Panoramic roof

All the heating tech inside Grandland X helps you enjoy your journeys even more, and if you treat yourself to a panoramic roof* you can love the sunlight streaming in too.

1. Heated windscreen*

Starting with those icy windows, ThermoTec technology quickly unfreezes the Grandland X's windscreen, making frantic morning scraping a thing of the past.

2. Heated seats*

With a nice clear view outside, settle inside with the warm welcome of heated front and outer rear seats.

3. Heated steering wheel*

Windscreen clear – check. Bottom cosy – check. How about a heated steering wheel to warm up those chilly hands on a cold morning?

*Optional at extra cost on certain models.

MAKE A SMART **MOVE**

Driving, parking and getting around in busy towns and cities can be a challenge. Luckily, Grandland X has some moves.

1. Keyless entry and start*

For starters, getting in and out and on the road is easier with keyless entry and start, which gives you secure access to your car and its ignition without taking your keys out of your pocket.

2. Side blind spot alert

This is a real lifesaver. Standard on most models, it helps prevent collisions by ultrasonically detecting vehicles hidden either side of you. If a vehicle moves into your blind spot, a warning light illuminates in the appropriate door mirror, making you aware of any hazard.

3. Advanced park assist*

Trying to get into a tricky space? Just switch to advanced park assist. Then watch as Grandland X steers you in. Now that's a smart move.

4. Rear-view camera*

If you're parking in a confined space, check the 180° rear-view camera so you can reverse into a tight spot with ease. Upgrade to the 360° panoramic camera which allows for a high and wide angle view around your car so you can move with even more confidence.

*Optional at extra cost on certain models.

IT LOOKS OUT **FOR YOU**

Feels grand to know you're being looked after – especially when you're busy travelling.

Based on Grandland X's front camera technology, intelligent safety assistance is built into every model, giving you a greater sense of security. It's a reassurance that makes all the difference to your journeys.

Looking out for you

Standard on most Grandland X models, the Safety Pack (explained below) combines the front camera and radar system for even greater safety assistance on the road.

Automatic emergency braking

No trouble ahead with automatic emergency braking. In busy traffic, it warns you if you approach a vehicle too fast, and automatically brakes for you as a failsafe.

Lane departure warning

Keep on the straight and narrow with lane departure warning. If you drift out of your lane without signalling, the system alerts you with a sound, then a gentle nudge of your steering wheel.

Driver drowsiness system

This potentially life saving safety feature monitors your driving time and behaviour to help prevent accidents if you seem tired.

LED adaptive forward lighting*

Giving you greater visibility and safety at night, LED adaptive forward lighting headlights automatically optimise the beam shape in different driving situations, from town and country roads to motorways and adverse weather.

*Optional at extra cost on certain models.

EVERYTHING UNDER **CONTROL**

Music goes so well with driving. And so does knowing where you're going and staying connected. Luckily we thought of everything you need to stay relaxed, entertained and perfectly in control.

Touchscreen sat nav*

Keeping you on the right track, the Navi 5.0 IntelliLink system gives you an 8-inch colour touchscreen with fully integrated European navigation and route planning.

Smartphone integration

Every Grandland X features Bluetooth^{®**} connectivity and USB connection. You can also connect your smartphone using Apple CarPlay[™] or Android Auto[™] to project your phone onto the IntelliLink[†] display. Simple access to your phone, music and apps, complete with voice control.

Premium sound system*

Pin-sharp sounds pump gloriously through the Denon[®] sound system, a premium Hi-Fi unit with eight speakers, bass subwoofer and 240watt amplifier – so you can really crank it up when the mood takes you.

Wireless charging dock*

Oh yes, and there's a handy wireless charging dock to keep your smartphone charged, hands-free and ready when you're on the go.

*Optional at extra cost on certain models.

**The majority of phones, MP3 players and tablets can be connected by either Bluetooth[®], USB connection or aux-in. Please note you may need to change your connection method (i.e. from Bluetooth[®] to USB cable) if you want to access another function on your device. †Compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems. OPEN TO **IDEAS**

Space. Like time, it's something that's often a bit scarce.

Thing is, with a bit of clever thinking, there's always ways to make more. Grandland X starts off with a generous 514 litres of rear storage, but with a simple flip of the rear seats, space expands to 1652 litres. Perfect for storing extra kit, luggage and loads of all sizes.

Power tailgate*

Complementing Grandland X's keyless entry and start system*, a sensor-operated power tailgate gives you hands-free access when you're carrying and loading luggage. Just swipe your foot under the rear bumper to spring open the tailgate – grand.

Split-folding rear seats

Make space work your way with seats that fold down flat in one easy hand movement. They've got a 60/40 split ratio too, so they adapt for all sorts of tasks.

Flexible space*

Perfect for long loads, the seats feature a pass-through space so you can safely store anything from ski gear to fishing tackle inside your car.

*Optional at extra cost on certain models.

GRIP THOSE **CURVES**

Who doesn't love the confidence of control? That feeling of knowing what you can do, and just being able to do it.

That's exactly what makes Grandland X gripping stuff on every stretch, turn and curve. Oh yes, and its economical fuel consumption means you'll refuel less often, which can only add to that good mood.

Gripping stuff

IntelliGrip traction control is an intelligent front-wheel drive system that gives you greater traction in different driving conditions by adjusting torque distribution and optimising the operation of the ESP system. There are five different modes; standard ESP operation switched on or off plus a mode for driving in snow, in muddy conditions or on sand. So wherever you might head off you can dial in the right level of grip.

Lean, mean and clean

A powerful range of super-efficient petrol and diesel turbo engines give you a choice of manual or automatic transmissions, all with our Start/Stop fuel saving system. All diesel engines feature BlueInjection, our next generation NOx emission control technology, using AdBlue® to reduce nitric oxide levels and improve emissions.

Official Government Test Environmental Data. Fuel consumption figures mpg (litres/100km) and CO₂ emissions (g/km). Grandland X Range: Urban: 46.3 (6.1) – 64.2 (4.4) Extra-urban: 57.7 (4.9) – 74.3 (3.8) Combined: 53.3 (5.3) – 68.9 (4.1). CO₂ emissions: 108 – 128*.

*Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data are provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors. LET'S GO **BOLDER**

What's the colour that makes you feel that little bit grander inside?

It's different for everyone. Could be a pristine white or perhaps something moodier. Or maybe the seduction of a premium or tri-coat finish. Whichever you fancy, there's plenty of ways to stand out that little bit more*.

Quartz Grey – Two-coat Metallic

Amethyst Purple – Two-coat Premium

Dark Ruby Red – Two-coat Metallic

Pearl White – Tri-coat Premium

The vehicles shown are for colour illustrative purposes only and do not represent a specific model. *Please refer to the latest Grandland X Price and Specification Guide available from vauxhall.co.uk/gograndlandx for details of colour availability by model and price. Due to the limitations of the printing process, the colours reproduced may vary slightly from the actual paint colour and trim material. As a result, they should be used as a guide only. Your Vauxhall Retailer has a comprehensive display of paint finishes.

Moonstone Grey – Two-coat Metallic

Jasper Grey – Solid

Topaz Blue – Two-coat Metallic

White Jade – Brilliant

Black on top*

Oh yes, on top of all this you can match your body colour with a jet black roof (with black door mirrors) for even more dynamism.

*Optional at extra cost on certain models.

Diamond Black – Two-coat Metallic*

GIVE YOUR DRIVE A LITTLE **EXTRA**

Having just the right little extra makes a big difference to your journeys. We've only shown you a small selection here but log on to vauxhall.co.uk/accessories to see the complete range.

Treat your feet. Your car floor stays protected and comfortable with a set of four high-quality mats, available in durable black velour or toughened, anti-slip rubber, they're styled with the Grandland X logo.

Clean getaway. Keep your paintwork pristine with front and rear splash guards designed for superior protection against mud and water splashes and stone chips. Available in classic black with an easy clean finish.

Grandland X

2.

1. Screen time. Keep your rear seat passengers entertained with this FlexConnect tablet holder that securely adjusts for every viewing angle. Other FlexConnect attachments are available for holding shopping bags, jackets and drinks.

2. Nice footwork. Add an even more stylish and sporty look to your Grandland X's interior with the racing glitz of alloy pedal covers, available for either manual or automatic transmissions.

Big up your adventures. Aerodynamic Thule® roof boxes, available in a range of stylish finishes complement Grandland X's shape. There's a range of sizes, which use a Power-Click quick mounting and safety locking system, increasing your load capacity by up to 520 litres for even grander escapes.

Furry good idea. If you have a four-legged friend, a fitted dog guard is the perfect way to separate the passenger and luggage compartments to keep your furry pal happy and safe (and your rear seats tidy!).

Tidy travels. Drive smart with a Grandland X cargo liner. Available as a velour carpet load liner (illustrated left) or a custom moulded tray with a raised lip to keep loads and spills contained, both are designed to keep your boot floor clean, tidy and protected.
