Hiller Ford Inc.
6455 South 108 Street
Franklin, WI 53132
414-425-1000
www.hillerford.com

It was built
for life on the go.
Translation? It knows
what to do with 221 horses*
and an agile 4-wheel
independent suspension.
So, get in.

'07 Fusion SEL

J.D. Power and Associates:
"Most Appealing Midsize Car"***

*V6 engine optional on SE and SEL. **Ford Fusion received the highest numerical score among midsize cars in the proprietary J.D. Power and Associates 2006 Automotive Performance, Execution and Layout Study.SM Study based responses from 63,607 new vehicle owners, measuring 251 models and measures opinions of consumers after 90 days of ownership. Proprietary study results are based on experiences and perceptions of consumers surveyed in February-May 2006. Your experiences may vary. Visit jdpower.com.

Details make the interior.
And Fusion delivers
in the form of contrast seat stitching
on available leather-trimmed seats.

'07 Fusion SEL
fordvehicles.com

It's not all black leather-trimmed surfaces and beautiful cream stitching. (Although, we couldn't help mentioning it again.) There's also a rear seat that does a 60/40 split just by giving a lever in the trunk a quick pull. Optional woodgrain or black appliques. And an available 6-disc, 8-speaker CD changer with MP3 capability.

THE 5 YEAR/ 60,000 MILE POWERTRAIN WARRANTY*

Every new Ford now comes with a longer, 5-year/60,000-mile powertrain limited warranty. So what do you get besides engine and transmission coverage? Try no deductibles for repairs. Full transferability to future owners at no cost. And complimentary roadside assistance. Sound good? Find out more, plus get all the specs, options and colors available for this vehicle at fordvehicles.com.

*See your dealer for limited warranty details. Includes all 2007 model year Ford products regardless of launch date. 2007 model year Focus coverage will be greater. 2007 model year E-Series and F-Series (up to F-550) diesel engine warranty coverage is 5 years/100,000 miles. Unique Escape Hybrid components have 8-year/100,000-mile (10-year/150,000-mile in CA emission states) limited warranty coverage.

FORD FUSION MODEL LINEUP

FUSION I4 S

Price: **\$17,995***

- Audio input jack
- Audio/climate controls on leather-wrapped steering wheel
- Low-profile 17" all-season tires on machined cast aluminum wheels
- Fog lamps
- Heated outside mirrors with puddle lamps
- Electrochromic auto-dim inside mirror
- Compass
- Automatic on/off halogen headlamps
- Side impact front seat air bags
- Side impact 1st and 2nd row air curtains
- Anti-theft perimeter alarm system

+ 20 city/28 highway mpg**

* Starting Manufacturing Retail Price, excluding taxes, title, and registration fees. Optional equipment not included.

**EPA estimated city/highway mpg based on base engine/transmission configuration.

The 4-wheel independent suspension keeps chassis motion and body roll to a minimum with help from front and rear stabilizer bars. And control through the turns means – you guessed it – responsive driving. Gotta love that.

| SAFETY AND SECURITY - SAFETY | I4 S | I4 SE | I4 SEL | V6 SE | V6 SEL |
|---|---------|----------|-----------|----------|-----------|
| Personal Safety System® The Personal Safety System® uses an electronic crash severity sensor, a restraint control module, a driver's seat position sensor, safety-belt pretensioners, energy-management retractors and front outboard safety-belt usage sensors to help protect the driver and front-seat passenger in certain frontal collisions. Its pretensioners tighten the front safety belts during the first moments of a crash, and energy-management retractors gradually slacken them when necessary to help reduce the force of the belt on the occupant's chest. The best line of defense in crashes remains the safety belt. | S | S | S | S | S |
| Occupant Classification System Occupant Classification System builds on the strength of the Personal Safety System to tailor deployment of the front outboard passenger air bag. If the passenger seat sensor detects no weight on the seat – or very little weight such as a newspaper, bagels or a pair of work gloves – the passenger air bag is automatically switched off. If more weight is on the seat, as with a small child, the airbag remains turned off and a light on the instrument panel alerts the driver with the message "PASSENGER AIRBAG OFF." If an adult is seated properly in the passenger seat, the airbag is automatically switched on and ready to inflate within milliseconds, if needed. The safest place for children, of course, is always in the rear seat. | S | S | S | S | S |
| Side impact air bags, driver and front passenger | S | S | S | S | S |
| Side impact 1st and 2nd row air curtains | S | S | S | S | S |
| Unibody construction with energy-absorbing design and side-impact door beams | S | S | S | S | S |
| Belt-Minder® – driver and passenger | S | S | S | S | S |
| LATCH System (Lower Anchors and Tethers for Children) – rear seat LATCH incorporates rigid metal anchor bars built into the vehicle structure, which are located in the two rear outboard seating positions where the seat back meets the seat bottom. The child safety seat is placed directly on the seat and attaches to the rigid anchor bars and the top tether anchor, in addition to the safety belt. | S | S | S | S | S |
| Rear door child safety locks | S | S | S | S | S |
| Emergency glow-in-the-dark inside trunk release | S | S | S | S | S |

| SAFETY AND SECURITY - SECURITY | I4 S | I4 SE | I4 SEL | V6 SE | V6 SEL |
|---|---------|----------|-----------|----------|-----------|
| SecuriLock® Passive Anti-Theft System (PATS) With Ford's SecuriLock® Passive Anti-Theft System, only the factory-issued electronically coded ignition key will start the vehicle. If an uncoded or improperly coded key is used – or the ignition switch is tampered with – the SecuriLock® anti-theft system will not allow the engine to start. | S | S | S | S | S |
| Anti-theft perimeter alarm system | S | S | S | S | S |
| Illuminated entry system: illuminates interior courtesy lights which remain on for 20 seconds or until the ignition is turned on. Door lock/unlock, trunk release and panic buttons are built into key fobs (2). | S | S | S | S | S |
| Battery saver The battery saver feature automatically turns off interior or underhood lights after a set period of time (e.g., 30-45 minutes) to help prevent battery power drainage and save enough power to restart the vehicle. | S | S | S | S | S |

WHY FORD CREDIT?

At Ford Credit, auto financing is our specialty. Whether you purchase or opt for a Red Carpet Lease, we offer a range of terms and features that make your experience hassle-free. Contact your local Ford Dealer or visit us on the Web at www.fordcredit.com.

ROADSIDE ASSISTANCE

Every new Ford includes the assurance of a 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile limited warranty period. Ask your Ford Dealer for complete details on this program, which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your vehicle.

NEW VEHICLE LIMITED WARRANTY

Under the New Vehicle Limited Warranty, you receive bumper-to-bumper coverage for 3 years/36,000 miles with no deductible. You also receive corrosion perforation coverage for five years with unlimited mileage and no deductible. Ask your Ford Dealer for a copy of the warranty.

HELPFUL FORD LINKS

Now that you've learned more about this Ford vehicle, we would like to recommend the following links that can help you get all the information you need about finding, purchasing and owning the Ford that's just right for you:

BOLD MOVES

[Fordvehicles.com](#) - The best place to get information about Ford cars, trucks, and SUVs.

[Get a Price Quote](#) - Request a quick quote from a Ford Dealer in your area.
