COOL AS A BREEZE

We've put our years of innovative creativity into the PT Cruiser Convertible, combining an exhilarating open-air ride with the versatility of PT. The three-layer cloth top includes a glass rear window with electric defroster, so you can be ready to go no matter what the weather.

And whether it's top up or top down, the frameless smart glass windows automatically raise and lower to maintain a tighter seat and quieter ride. Even the innovative sport bar reduces wind noise to make the interior of the PT Cruiser Convertible truly conversational.

CUSTOMIZATION

There's a PT Cruiser for everyone—Limited Edition with wood grain accent group, Limited Edition with chrome accent group and GT in Black over Inferno Red Crystal Pearl two-tone.

ENGINES

Pick up the pace with PT Cruiser's high-output 2.4-liter turbocharged engine. It creates 220 horsepower at 5,100 rpm and 245 lb-ft of available peak torque from 2,800 to 4,500 rpm. This engine is standard on PT Cruiser GT, Dream Cruiser Series 4, and PT Cruiser Convertible GT.

A turbocharged 2.4-liter DOHC 16-valve 4-cylinder engine producing 180 horsepower and 210 lb-ft of torque is available on PT Cruiser Limited and PT Cruiser Convertible Touring.

PT Cruiser's standard 2.4-liter DOHC 16-valve 4-cylinder power plant offers 150 horsepower at 5,100 rpm and 165 lb-ft of torque at 4,000 rpm. You'll appreciate those numbers when you step on the gas pedal to climb a hill or pass another vehicle.

AIR BAGS

The PT Cruiser experience includes a reassuring sense of protection. That's because we've included some of the most up-to-date safety features like Next Generation driver and passenger front air bags.*

The available supplemental side air bags* (standard on PT Cruiser Limited, GT, Dream Cruiser Series 4, and PT Cruiser Convertible GT) for front occupants offer additional protection for driver and front-outboard passenger in the event of a collision.

**Always use seat belts. Remember, a back seat is the safest place for children 12 and under.*

VERSATILITY

With the versatility of up to 160 different seating and cargo configurations, you can shape the interior space of a PT Cruiser to fit whoever and whatever you need to carry. Use the available fold-down front-passenger seat or standard 65/35 split-folding rear seat. Or remove all the rear seats and load it up. Of course, with the leather-trimmed seating on PT Cruiser Limited (K package) and GT, you may want to fill those seats with people.

Don't sacrifice versatility for exhilaration—with the PT Cruiser Convertible you get both. The 50/50 fold-and-tumble rear seat allows you to fold flat one or both of the seats to accommodate cargo and passengers. And the cargo pass-through from the trunk is perfect for transporting longer items like two full-size golf bags. Even the front passenger seat tilts and slides to provide more space.

For more information, please visit www.chrysler.com/pt_cruiser

AVAILABLE EXTERIOR COLORS

SEDAN

CONVERTIBLE

Not all models are available in all colors.

For more information, please visit www.chrysler.com/pt_cruiser

AVAILABLE SEAT COLORS

You'll feel as cool as you look in your choice of bucket seats.

1. PT Cruiser and Touring bucket seat. Standard Metro II cloth shown in Dark Taupe
2. PT Cruiser Limited (K Package) leather bucket seat. Standard Royale leather trim with Preferred Suede® accents shown in Dark Taupe
3. PT Cruiser Limited (G Package), PT Cruiser Convertible, and Touring Convertible bucket seat. Standard Fresno cloth shown in Dark Slate Gray
4. PT Cruiser GT and GT Convertible bucket seat. Standard Royale leather trim shown in Dark Slate Gray
5. PT Cruiser Dream Cruiser Series 4 seat. Standard Light Pearl Beige Royale leather inserts with maroon trim and head restraints featuring embossed Chrysler winged badge

WHEEL OPTIONS

Clearly, PT Cruiser's style is the sum of its parts.

1. **17-inch** chrome-plated wheel. Standard on PT Cruiser GT
2. **15-inch** wheel cover. Standard on PT Cruiser, Touring, and PT Cruiser Convertible
3. **16-inch** chrome-clad aluminum wheel. Available on PT Cruiser Limited
4. **16-inch** chrome-clad aluminum wheel. Included with optional turbocharged engine and/or available Chrome Accent Group on PT Cruiser Limited; available on PT Cruiser Limited (G Package) and PT Cruiser Convertible Touring
5. **16-inch** painted aluminum wheel. Standard on PT Cruiser Limited and PT Cruiser Convertible Touring
6. **17-inch** painted aluminum wheel. Standard on PT Cruiser Convertible GT
7. **17-inch** chrome-plated aluminum wheel. Available on PT Cruiser Convertible GT (not shown)
8. **17-inch** aluminum wheel with color-keyed center cap. Standard on Dream Cruiser Series 4 (not shown)

For more information, please visit www.chrysler.com/pt_cruiser

PT CRUISER CONVENIENCES

INTERIOR STYLING

The depth of design innovations doesn't stop with the PT Cruiser's exterior. Interior amenities like leather-trimmed seats with Preferred Suede® accents and a leather-wrapped steering wheel area are available on PT Cruiser Limited. In fact, the interior styling of every PT Cruiser is luxurious, refined, and designed to fit you.

With four sedan and three convertible models to choose from, the level of convenience is up to you. But no matter which PT Cruiser Sedan you choose, you'll get power windows, rear windshield wiper/washer, 65/35 split fold/tumble/removable rear seat, and rear defrost, standard.

SHELF

The available multi-position rear shelf* is perfect for tailgating, but you can also take it out, turn it over and use it as a catch tray for messy items. And since it's nobody's business what you're carrying, you can reposition the shelf as a cargo security screen.

**Do not load objects weighing more than 100 pounds on shelf panel.*

Properly secure all cargo.

For more information, please visit www.chrysler.com/pt_cruiser

SOUND SYSTEMS

1. **AM/FM stereo** with **CD player** and changer controls is standard on PT Cruiser Touring, PT Cruiser Touring Convertible, and available on PT Cruiser.
2. An **AM/FM stereo** with cassette and single **CD player** is standard on PT Cruiser Limited and GT and PT Cruiser Convertible GT, and available on PT Cruiser Touring and PT Cruiser Convertible Touring, giving you the flexibility of listening to the radio or your favorite music on CD or cassette.
3. An **AM/FM stereo** with integrated **six-CD changer** is included on PT Cruiser Dream Cruiser Series 4 and available on PT Cruiser Touring, Limited and GT, and PT Cruiser Convertible Touring and GT.
4. If you're a real technology fan, or you just sometimes need a little help with directions, the available **AM/FM stereo** with **CD player** and **navigation system** may be the perfect choice* (available on PT Cruiser, Limited, GT, and PT Cruiser Convertible Touring and GT).
5. PT Cruiser and PT Cruiser Convertible's standard sound system is an **AM/FM stereo** cassette with changer controls and six speakers. (Not shown)
6. Infinity™ premium audio system with six speakers and 368 watt amplifier, available on PT Cruiser Touring Convertible and GT Convertible. (Not shown)

The **SIRIUS satellite radio system** provides more than sixty streams of commercial-free music and more than forty channels of talk radio. Available on PT Cruiser Touring, Limited and GT. (Not shown. Subscription fees apply. Service not available in Alaska or Hawaii.)

Infinity is a trademark of Harman International Industries Inc.

RB1 is a single-disc DVD/CD player that does not allow simultaneous utilization of the DVD navigational system and CD player. It is highly recommended that if RB1 is ordered, a Mopar multidisc CD changer also be ordered and installed.

CARGO SPACE

If you appreciate having all kinds of places to put your things, you'll be impressed with PT Cruiser. It boasts a full 21 cubic feet of cargo room with all the seats in place, or 64.2 cubic feet with the rear seat removed. It's perfect for running errands around town, packing for an extended road trip, or even hauling the lumber for your next home-improvement project.

And unlike most convertibles, the PT Cruiser Convertible doesn't make you choose between cargo and passengers. In fact, this new addition to the Chrysler line provides 84.3 cubic feet of passenger interior volume and 7.4 cubic feet of cargo space with four passengers on board. Fold and tumble the seats for 13.3 cubic feet of storage—more than you'd ever expect from a convertible.

STORAGE

All PT Cruisers have a center console with cupholders, a driver's seatback pocket, and map pockets in all four doors. Plus a coin holder. Letter tray. D-rings to accommodate tie-downs. Everything has a place. In fact, you can store stuff all over your PT. PT Cruiser has:

1. A rear quarter-panel **storage compartment** for equipment, such as jumper cables
2. Cargo area **grocery bag hooks** (on the available shelf panel) to keep the groceries in the bags where they belong
3. An available handy **storage drawer** under the front-passenger seat to organize CDs or cassettes
4. A locking **glove box**

Properly secure all cargo.
