This is the brand our grandparents drove. It's the brand that started with humble beginnings and now holds a multitude of best-in-class awards. It's the brand that boasts both style and power, and never makes you choose between the two. With more than 100 years under their belt, each of the seven vehicles in the 2016 Dodge lineup pays homage to its iconic bloodline with award-winning

features and superior craftsmanship. The powerful engines and bold exteriors of each vehicle beg to be taken out on the open road. The Dodge name continues to live on with the same determination that the Dodge brothers had when first creating the brand. It's time to put the pedal to the metal and live fast.

HERE'S TO THE NEXT 100 YEARS OF INNOVATION.

2016 DODGE DURANGO

SOME CALL IT STUBBORNNESS, BUT WE DON'T VIEW THAT AS A BAD THING. IT'S THE MORE THAN A CENTURY-OLD DODGE SPIRIT THAT BIRTHS VEHICLES UNWILLING TO COMPROMISE. UNDER NO CIRCUMSTANCES DO WE BELIEVE IMPRESSIVE FUEL EFFICIENCY MEANS SACRIFICING POWER. THAT SPACIOUS SEVEN-PASSENGER SEATING MEANS YOUR GEAR FEELS THE CRUSH. OR THAT A VEHICLE WITH UTILITY IN ITS MONIKER CAN'T COEXIST WITH PLUSH, UPSCALE INTERIOR DETAILS. WHEN PUSH COMES TO SHOVE, DURANGO IS ALL-IN WITH ENOUGH BEST-IN-CLASS^{[1]*} AVAILABLE HORSEPOWER TO PULL A BEST-IN-CLASS^[1] TOWING RATING AND PLENTY OF TECHNOLOGY TO KEEP YOU ENTERTAINED AND CONNECTED MILE AFTER MILE. WITHOUT APOLOGIES, THIS IS THE 2016 DODGE DURANGO.

*A note about this brochure: all disclaimers and disclosures can be found on the back cover.

**//// REAR-SEAT
ENTERTAINMENT**

The available Blu-ray™/DVD system boasts two nine-inch screens and High-Definition Multimedia Interfaces (HDMI). When the show's over, hook up the portable gaming console for some friendly competition. Traveling with both a movie buff and a gaming fanatic? Durango has you covered. The rear-seat HDMI/USB ports let passengers tap into the entertainment system and use each screen independently of each other.

**//// PUMP UP
THE VOLUME**

Opt for Beats™ Premium Audio and experience meticulously tuned music the way the artist intended it to be heard. The available system includes an additional 50 watts of power per channel, nine premium speakers, a 506-watt amplifier and a subwoofer.

25 MPG HWY*

*2015 EPA estimated 18 mpg city/25 mpg highway (RWD), 2015 EPA estimated 17 mpg city/24 mpg highway (AWD). When equipped with a V6 engine. Actual mileage may vary. Properly secure all cargo.

////// Durango R/T in Granite Crystal Metallic.

WANDER ~~R~~ FREELY

ALL-WHEEL DRIVE (AWD) // Durango was designed for uncompromising and refined performance even in the worst conditions. Forge on in confidence with available AWD. The system helps enhance driver confidence by leveraging the SUV's 50/50 weight distribution. Durango offers two AWD systems — one for the HEMI® V8 and one for the Pentastar® V6-powered models — each one greatly enhances the vehicle's traction and handling by delivering a smooth driving experience over a wide range of road conditions. On V8 models, AWD includes a low range on the transfer case for extreme 4x4 situations.

TRENDING NOW

There's something to be said for dressing right for the occasion. Journey is a crossover that does just that. The split-crosshair honeycomb grille, jeweled wraparound headlamps and highly sculpted front fascia are perfectly suited for city streets. The rugged stance, five doors and available ring-of-fire LED taillamps make it ready for adventures that require more than an overnight bag.

Journey Crossroad is set apart by a robust exterior with unique front and rear fascias with Platinum accents, distinctive 19-inch Hyper Black aluminum wheels and a Gloss Black grille with fog lamp bezels. R/T models wear their badging with 19-inch wheels, a monochromatic exterior and dual exhaust with bright tips.

////// Journey Crossroad shown in Granite Crystal Metallic.

ROOM FOR EVERYTHING BUT COMPROMISE

The buck stops here. Journey's interior gives, never takes. It starts with must-have features like Dual-Zone Temperature Control, stadium seating, soft-touch surfaces, and flexible five- or seven-passenger seating. Opt for a 10-way power driver's seat including four-way lumbar adjust, heated front seats and a full-circumference heated steering wheel for greater luxury.

With 90-degree rear-door openings and available Tilt 'n Slide second-row seats, accessing the available third-row seats is effortless.

A standard center console boasts 12-volt power outlets, a remote USB port, and auxiliary audio input and storage. An available 115-volt/150-watt two-prong outlet easily powers portable game devices or audio hookups. Second- and third-row passengers can access the available Rear DVD Entertainment System that features a nine-inch screen, premium speakers, two sets of wireless headphones and a remote control.

THE ULTIMATE MOBILE DEVICE

Opt for the available largest-in-class^[4] 8.4-inch touchscreen. This screen features icons used for radio and SiriusXM[®] Satellite Radio^[5] controls, personal devices like an iPod[®] or smartphone, climate controls, and available navigation and Bluetooth[®] compatible phones. Bring your own tunes via remote USB port with an iPod mobile device control or Bluetooth Wireless Streaming. Available hands-free calling^[2] can be operated through steering wheel-mounted controls or the touchscreen. It's just that simple. Visit driveconnect.com for a list of available options.

*A note about this brochure: all disclaimers and disclosures can be found on the back cover.

///// VERSATILITY NEVER LOOKED SO GOOD

CARGO AREA ///// A standard hidden storage bin and access door to the tool and jack compartment are located behind the rear seat. When hauling gear is the priority, simply fold down the second- and available third-row seats for up to 67.6 cu ft of cargo capacity. Five-passenger models feature a tri-fold load floor with in-floor storage bin.

DUAL IN-FLOOR STORAGE ///// The second-row floor provides even more clever storage. Two in-floor storage bins with latching lids can each hold up to a dozen 12-oz cans, plus ice. For added convenience, these bins have removable, washable liners so they're a snap to clean, and make the perfect tailgating accessory.

FLIP 'N STOW ///// Standard on Crossroad and R/T and available on SE and SXT, this fold-flat front-passenger seat flips forward to reveal a bin ideal for concealing a camera or tablet.

CENTER FLOOR CONSOLE ///// This deep, easy-to-access floor console features cup holders, 12-volt outlets, remote USB port, auxiliary audio input, out-of-view storage and available 115-volt/150-watt two-prong power outlet.

STORAGE POCKETS ///// Found on all four passenger doors, molded storage pockets give you more places to stash your travel items, as well as 20-oz drink containers and more.

CLASS-EXCLUSIVE^[6] SECOND-ROW INTEGRATED CHILD BOOSTER SEATS ///// There's no need to fumble with bulky, heavy booster seats anymore. Journey is the only crossover in its class^[6] to offer this invaluable feature.

REAR CUP HOLDERS ///// Cup holders conveniently located on the rear quarter panel accommodate 20-oz drinks or juice boxes. Two more cup holders can be found in the second-row fold-down armrest.

Properly secure all cargo.

LIVE LIFE TO THE FULLEST

- 2 // Flip 'n Stow
- 3 // Center console storage
- 4 // Dual in-floor storage
- 5 // Cargo area storage

Properly secure all cargo.

////// Journey R/T in Billet Silver Metallic.

ESCAPE THE EVERYDAY: GO BOLDLY

Journey's confident swagger comes from its advanced automotive engine technology and the surefootedness of available all-wheel drive (AWD). Journey helps you make the most out of your travels, without having to choose between performance and efficiency.

Journey offers two different but equally impressive powertrains. It starts with a responsive 2.4-liter DOHC 16-valve dual Variable Valve Timing (VVT) engine that releases 173 horses and generates 26 mpg highway.* If a bigger performance boost is what you crave, step up to the available award-winning 3.6-liter DOHC Pentastar® VVT V6 engine. This powerplant is mated to a smooth-shifting six-speed automatic and delivers 283 horsepower and an impressive 25 mpg highway,† and allows you to travel over 500 miles on a single tank of gas.

Sometimes getting away from it all means taking a lot with you. Whether you're towing a boat or an ATV or hauling camping gear, Journey's measured muscle easily handles 2,500 lb when properly equipped. Standard Trailer Sway Control¹⁷ helps maintain control of the load being pulled.

Tackle Mother Nature's handiwork with available AWD capability. The system makes it easier to drive on snowy, wet or ice-laden roads. When the system senses wheel slippage, it immediately responds with a transfer of power to the rear wheels for a very noticeable uptick in driving performance.

*EPA estimated 19 mpg city/26 mpg highway. Actual mileage may vary.

†EPA estimated 17 mpg city/25 mpg highway (FWD), 16 mpg city/24 mpg highway (AWD). Actual mileage may vary.

2016 DODGE GRAND CARAVAN

MORE THAN THREE DECADES AGO, DODGE HAD THE VISION TO SEE SOMETHING THAT THE WORLD DIDN'T KNOW WAS MISSING. NO ONE ASKED DODGE TO BUILD THE MINIVAN. DRIVERS DIDN'T EVEN KNOW THEY NEEDED ONE. BUT ONCE BUILT, FAMILIES FLOCKED. WEEKEND WARRIORS ARRIVED. SMALL BUSINESS OWNERS LINED UP. TODAY, GRAND CARAVAN POWERS FORWARD BY OFFERING DRIVERS UNLIMITED VERSATILITY, THE LATEST TECHNOLOGY AND PREMIUM FEATURES. IT HOLDS TITLES INCLUDING BEST-SELLING^[8]* MINIVAN AND MOST-AWARDED^[9] MINIVAN EVER. IT ALSO OFFERS MORE THAN 55 STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES. BUT MOST IMPORTANTLY, IT HOLDS THE CONFIDENCE OF FAMILIES, THEIR HOBBIES AND THEIR LIVELIHOODS. IN OUR OPINION, NOTHING TOPS THIS ORIGINAL.

DO MORE
EVERY DAY

Regardless of where your travels take you, Grand Caravan gets you there with ease. Available dual power sliding side doors and an available power liftgate let you load your most precious cargo easily. Once inside, even a commute that used to feel more like a Himalayan trek becomes enjoyable thanks to plush surroundings and a bevy of standard and available entertainment features.

GRAND CARAVAN:
BECAUSE MOST-VERSATILE-MINIVAN-ON-THE-PLANET WAS TOO LONG.

Properly secure all cargo.

CLASS-EXCLUSIVE^[10]

STOW 'N GO®: GRAND CARAVAN

No one doubted there would be plenty of flexible seating and storage options behind Grand Caravan's available dual power sliding doors. But the comfort, luxury and superior craftsmanship are a guaranteed double take.

- 1 // Available power liftgate
- 2 // Available second-row Captain's Chairs
- 3 // Observation mirror
- 4 // Available class-exclusive^[10] Super Console
- 5 // Grand Caravan SXT shown in Sandstorm cloth interior
- 6 // Available USB port in glove box
- 7 // Third-row Stow 'n Go in-floor storage
- 8 // Second-row Super Stow 'n Go in-floor storage

Properly secure all cargo.

81 DIFFERENT SEATING CONFIGURATIONS

//// This is the most versatile vehicle in its class!^[10] Flip, fold and tumble your way to the perfect interior without physically removing any seats. They're simply stowed in-floor. Go configure!

81

Where you go, what you do and who's with you today won't be the same tomorrow. That's why this interior has been designed to move, fold, tumble and stow. **Grand Caravan is the only vehicle in its class^[10] to offer second-row Super Stow 'n Go® seats that fold into the floor to give you flexibility, easy access and a flat load floor for optimum cargo capacity.** In fact, there are 81 different seating configurations available on Grand Caravan.

Want to know what else we have that the competition doesn't? A best-in-class^[10] storage system that includes second-row in-floor storage bins. When Super Stow 'n Go seats are upright, travel essentials can be tucked away for uncluttered access to the third-row seats — making life easier, especially for those helping little ones into child restraint seats. The 60/40 split-folding Stow 'n Go third-row seats also fold into the floor bin with a few easy pulls on the conveniently numbered straps. When in Park, the seat can flip completely rearward for tailgate seating. It's no wonder Grand Caravan is the best-selling^[8] and most-awarded^[9] minivan ever.

STOW 'N GO®

*FOR DADS WHO CAN HANDLE
COFFEE WITHOUT THE SLEEVE*

//// Grand Caravan SXT Plus shown with optional equipment.

GOT IT HANDLED

The back is where all the fun is for the littlest passengers, but the front is for adults only. There are soft-touch surfaces and must-have features at every turn, including different levels of available Uconnect® touchscreen systems. Uconnect features easy-to-navigate icons for radio and SiriusXM® Satellite Radio^{[5]*} controls, personal devices like an iPod® or smartphone, climate controls and available navigation. Visit driveuconnect.com for a list of available options.

The instrument panel houses gauges surrounded by upscale touches of chrome. Opt for the available full-circumference heated steering wheel for comfort in chilly climates. An available fully integrated Super Console contains four cup holders, two power outlets and covered storage to conceal your technology. This is the kind of smart, well-designed interior that outshines the competition.

*First year of service is included.

EPICALLY AWESOME MULTIMEDIA-VAN

Grand Caravan is the multiplex of minivans. It has all the technology that kids crave and adults aren't overwhelmed by. Opt for the available Blu-ray™ player and watch the latest movies in high quality. The system plays both Blu-ray and DVD formats and can be viewed on both second- and third-row VGA screens.

With two available DVD players, HDMI inputs, and second- and third-row screens, passengers have the ultimate choice in how they pass the time. They can watch the same movie on both screens, a separate movie on each screen or even opt to connect their gaming system.

Rear-seat passengers can tap into the entertainment system via conveniently located ports, or charge their personal electronics.

////// Grand Caravan R/T shown with Torino leather-trimmed seats in Black with Red accent stitching.

A BIG DOSE OF **BOLD ATTITUDE**

AWARD-WINNING 3.6-LITER DOHC PENTASTAR® VARIABLE VALVE TIMING (VVT) V6. Grand Caravan's confident swagger isn't just rooted in its safety and security. It's in its ability to tow up to a best-in-class^[10] 3,600 lb. It's also found in the acceleration of the 283-horsepower 3.6-liter V6 engine. Advanced engine technology allows for a generous 25 mpg highway,* which translates to an estimated 500 highway miles on a single tank of gas.

Grand Caravan's 3.6-liter V6 is also Flex Fuel-capable, offering consumers the choice of using either gasoline or ethanol (E85) fuel. The suspension tuning, an efficient and easy-to-operate gated shifter, and a fuel-economizer feature that alters shift patterns work together to boost overall ride quality and help improve real-world fuel efficiency. For a tighter-tuned ride, choose Grand Caravan R/T. The R/T's standard performance suspension offers increased damper force and higher spring rates for an exceptionally smooth ride and optimal cornering.

*EPA estimated 17 mpg city/25 mpg highway. Actual mileage may vary.

SAFETY & SECURITY FEATURES

PARKSENSE® REAR PARK ASSIST^[11] //// When the vehicle is in Reverse, the system can sense objects at low speeds; if imminent collision is detected, the system will provide a momentary, autonomous brake pulse. In certain circumstances, this system can help bring the vehicle to a stop. (Available on Durango.) For Journey and Grand Caravan, this available system detects objects within 6.5 feet of the backup pathway and provides both an audible chime and visual warning.

RAIN BRAKE SUPPORT //// When the windshield wipers have been activated, the system pulses the brake pads closer to the spinning rotors, helping to keep the rotors and pads dry for greater control and operator security. Standard on Durango.

BLIND SPOT MONITORING (BSM)^[12] WITH REAR CROSS-PATH DETECTION^[11] //// Radar continually monitors rear vehicle blind zones and will visually and audibly alert the driver when a vehicle is sensed in the zones. When in Reverse, rear sensors warn through a chime if cross-traffic approaches the vehicle. Available on Durango and Grand Caravan.

ADAPTIVE CRUISE CONTROL (ACC)^[13] WITH STOP //// Helps maintain distance from the vehicle ahead; under certain traffic conditions, the system can bring the vehicle to a full stop without driver intervention. Available on Durango.

FORWARD COLLISION WARNING (FCW)^[14] WITH ACTIVE BRAKING //// Forward-facing radar sensors detect when the vehicle may be approaching another object too rapidly and the system alerts the driver with both an audible chime and a visual warning. Available on Durango.

PARKVIEW® REAR BACK-UP CAMERA^[11] //// This system displays an accurate visual reference of what is behind the vehicle when it's in Reverse. Available on Durango, Journey and Grand Caravan.

READY ALERT BRAKING (RAB) //// The system anticipates situations when the driver may initiate an emergency brake stop and uses the Electronic Stability Control (ESC)^[7] pump to precharge the brake system in order to decrease the time required for full brake application. Standard on Durango.

ELECTRONIC STABILITY CONTROL (ESC)^[7] //// This system is designed to assist drivers in maintaining control of their vehicle during extreme steering maneuvers. ESC^[7] senses when a vehicle is starting to spin (oversteer) or plow (understeer), and attempts to correct the vehicle's course by automatically controlling the throttle and applying the brakes at individual wheels. Standard on Durango, Journey and Grand Caravan.

ALL-WHEEL DRIVE (AWD) //// A system that automatically detects wheel-slip and sends additional power to the wheels with the most traction. Available on Durango and Journey.

ANTILOCK BRAKE SYSTEM (ABS) //// Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. Standard on Durango, Journey and Grand Caravan.

//// Mopar® was born with a dedication for pure performance. Our desire to move ahead has kept pace with our desire to always be authentic. We were raised with the belief that it's not just about servicing cars, it's equally about servicing people's lives... because it's our customers who truly matter most. That's why our team is created of expert technicians who know your Durango, Journey or Grand Caravan best. And it's why we offer more than just original Parts and Accessories designed by the same engineers of your vehicle. We've created personalized services like Mopar Owner Connect — a secure "owners-only" Web site (register at ownership.dodge.com). In short, Mopar is not only in support of your vehicle, but your total ownership experience. See your dealer for the full line of Authentic Accessories available for your Dodge vehicle, or visit mopar.com

DODGE IS A REGISTERED TRADEMARK OF FCA US LLC. U.S.A.

[1] Based on latest available information and 2015 *Ward's* Mid-size Sport/Utility Vehicle segmentation. Excludes other FCA US LLC vehicles. [2] Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. [3] Based on 2015 *Ward's* Mid-size Sport/Utility Vehicle segmentation. Includes optional second-row Captain's Chairs. [4] Based on latest available competitive information and the 2015 *Ward's* Middle Cross/Utility segment. Excludes other vehicles built by FCA US LLC. [5] SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. **If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. [6] Based on latest available competitive information and *Ward's* Cross/Utility Vehicle segment. [7] No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. [8] Based on U.S. total minivan sales 1984 – 2015 CYTD (June 2015). [9] Based on automotive awards for minivans 1984 – 2015 (through July 2015). [10] Based on the latest available competitive information and *Ward's* Small Van segment. Excludes other vehicles built by FCA US. [11] Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. [12] Always check visually for vehicles prior to changing lanes. [13] ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [14] FCW system is solely an alert system for the front of the vehicle which does not take any actions to change the vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [15] Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Visit UconnectPhone.com for system and device compatibility. [16] WiFi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for WiFi usage. WiFi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of WiFi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using WiFi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. [17] The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. [18] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraints. [19] The 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the Cancel button on the Uconnect touchscreen. [20] Uconnect Access is available only on equipped vehicles purchased within the 50 United States. Services can only be used where cellular coverage is available, see coverage map for details. For a complete list of Uconnect Access services, please visit http://www.driveuconnect.com/features/uconnect_access/packages/. Vehicle must be registered for Uconnect Access and fulfill minimum subscription requirements. [21] Transferable. See dealer for complete details and a copy of the 5-Year/60,000-Mile Powertrain Limited Warranty.
