

PONTIAC

2005 Pontiac Bonneville

The essence of Bonneville® has always been to make a rapid and permanent departure from compromise. This is a full-size luxury sedan with all the amenities, but it's been designed, equipped and tuned to reward discriminating drivers who above all expect their vehicle to perform. Bonneville delivers the full touring-sedan experience with powerful engines that are also strong in refinement. The advanced chassis systems not only produce deft, responsive handling but a ride that's smooth and comfortable as well. Select interiors offer a wealth of room and a richness of detail. With Bonneville, in short, you will find substance and style, triumphantly combined.

Pontiac® Bonneville GXP shown in Graystone Metallic.
