## 2008 NISSAN XTERRA

**“MAYBE” NO LONGER EXISTS.** Rock your elevation. Take advantage of a 261-hp V6 and steel ladder frame and get going. Bring Bluetooth® along. Versatility and spontaneity forge a hard-core bond. A roof rack ups your options, rear bumper steps get you there. It's all about the adrenaline. And the locking rear differential. Stash the damp and dirty, but clean up easy with a wipe-down cargo area. A higher purpose? Constant motion.
