**OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Stolen Vehicle Location Assistance and Remote Door Unlock success varies with conditions. Diagnostic capability varies by model. Visit onstar.com or call 1-888-4ONSTAR (466-7827) for details and system limitations. Hands-Free Calling requires an existing Hands-Free Calling-enabled vehicle, OnStar service contract and prepaid minutes or enrollment in a shared minutes plan. Not available in certain markets. Calls may be made to U.S. and Canada only.			
¹ Turn-by-Turn Navigation is not available in certain areas. Visit onstar.com for map coverage.			
[†] Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.
