

Chipped

it right into the hole.
My trusty wedge
and a keen swing
scored a 4-course dinner
at the 19th hole.
On them.

2007 Crown Victoria

Heralded for its unbelievably smooth ride, bountiful creature comforts and phenomenal 5-Star frontal crash test rating (a full 11 years running*), Ford Crown Victoria also distinguishes itself with extremely adept handling. Its solid body-on-frame construction – Crown Victoria is the only mass-produced American passenger car designed this way – combines with rear-wheel drive for a wonderfully balanced, even feel for the road. The optional LX Premium Sport Handling and Performance Package raises the bar all the more, from its higher-output 239-hp V8, rear air suspension and dual exhaust, to its leather-trimmed interior, body-color grille and 17" touring tires with 5-spoke aluminum wheels. The V8-powered Crown Victoria is what great tradition is all about.

It's a lot of car for the money

- 224-hp 4.6L SOHC V8 with 100,000-mile tune-up interval**
- Fail-safe engine cooling system and battery saver
- Short- and Long-Arm independent front suspension
- Watt's linkage rear suspension
- 6-passenger seating, standard; 5-passenger seating, optional
- Power driver's seat, windows, locks and sideview mirrors
- 4-wheel disc brakes with Anti-lock Brake System (ABS)
- Personal Safety System®
- 5-Star crash test safety rating in all 4 categories from the National Highway Traffic Safety Administration (NHTSA)†
- Highest offset frontal crash protection from the Insurance Institute for Highway Safety (IIHS)

*1996–2006. **Under normal driving conditions with routine fluid and filter changes.
†2004–2006 with optional front-seat side airbags.

Think Big. The spacious, illuminated trunk has a low liftover height to make your loading and unloading a breeze. An optional storage compartment secures smaller items handily.

Steer the Course. An overhead console equips you with some navigation necessities: a quick-read, digital compass and a pair of bright, beaming map lights.

Take Comfort. Electronic Automatic Temperature Control comes standard on Crown Victoria LX. It allows you to precisely select and set the temperature that's most pleasing.

Crown Victoria LX in Black, with optional LX Premium Sport Handling and Performance Package

Super spacious & 5-Star safe

Crown Victoria carries on its classic ways. Stretch out and enjoy the comfortable, stylish surrounds. LX models are swathed in luxurious trim and provide room for 6. Take additional comfort knowing Crown Victoria earned the highest crash test safety ratings – 5 Stars in all 4 categories of frontal and side impact – from the government's National Highway Traffic Safety Administration (NHTSA).* It also achieved 5-Star status from NHTSA for rollover resistance. All around, you're in for one rewarding driving experience.

*2004-2006 with optional front-seat side airbags.

Rest Reassured.

Watching out for the driver and right-front passenger, the system includes:

dual-stage front airbags, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's-seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System.

The Blue Yonder. At the touch of a button, the optional power moonroof provides you with heavenly delights. Take in a stellar display of starlight or sunshine.
