

TRAX 2018

CHEVROLET

Trax Premier in Storm Blue Metallic.

FIND A NEW ADVENTURE AROUND EVERY CORNER.

The 2018 Chevrolet Trax proves refined good looks and street smarts can be a very compelling combination. Built for city streets, Trax offers athletic style and nimble handling that know how to make an entrance. A comfortable interior takes the edge off the daily commute, while support for Apple CarPlay™¹ and Android Auto™² helps keep you connected.

With a 5-Star Overall Vehicle Score for safety³ from NHTSA and available advanced safety technologies, you'll always be ready to take on whatever adventure lies ahead.

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. ³ Government 5-Star Safety Ratings are part of the U.S. Department of Transportation's New Car Assessment Program (www.SaferCar.gov).

FIND NEW ROADS™

EXTERIOR DESIGN

Trax Premier in Storm Blue Metallic.

DESIGNED TO ACCOMMODATE YOUR LIFE. Trax has sculpted good looks and the utility to carry camping gear, the coffee table of your dreams and other little treasures that you might find on your travels. A chrome-accented dual-port grille with a sweeping headlamp design makes a memorable first impression.

The rearward-swept roofline is accentuated with bright-finished roof rack rails, standard on LT and Premier. Available bright-finished accents on door handles, beltline moldings and the rear liftgate punctuate the look.

1

1. SEE WHAT'S AHEAD. LED signature daytime running lamps are standard on LT and Premier.

2. STYLE FOR MILES. 18-inch aluminum wheels are standard on Trax Premier.

3. LOOK GOOD COMING AND GOING. LED signature taillamps contribute to the sporty vibe and are standard on LT and Premier.

2

3

INTERIOR DESIGN

Trax Premier interior
in Jet Black leatherette.

CONTEMPORARY COMFORT.

The thoughtfully designed interior is as comfortable as it is stylish. Seats with contrast stitching prove that details matter. Chase chills away with heated driver and front passenger seats, standard on Premier.

COMMANDING VIEWS.

The classic Chevrolet dual-cockpit design is enhanced by an instrument panel that provides the driver with access to important functions. True White backlighting contributes to the elegant look.

SIT BACK AND ENJOY. Sink into soft touch materials throughout. Piano Black accents add another level of sophisticated comfort to the interior.

1. DISPLAY OF POWER. The instrument panel design and driver display features a contemporary gauge cluster with an analog speedometer. The Driver Information Center gives you a read on tire pressure for all four tires, oil life, fuel range and more.

2. NO FUMBLING WITH KEYS. Your morning balancing act of keys and coffee just got easier. Keyless Open and Start is standard on Premier and available on LT.

3. ROOM FOR FIVE. Spacious 5-passenger seating gives you and your passengers plenty of personal space.

ROOM WHEN YOU NEED IT MOST.

Trax offers plenty of space. There's 48.4 cu. ft.¹ of cargo room with the rear seats folded down and even more versatility with the fold-flat front passenger seat — enough to carry items up to eight feet long.

FOLD DOWN AND LOAD IN.

Versatility is a virtue of the modern Trax design. With a 60/40 split-folding rear seat and fold-flat front passenger seat, you have eight different ways to carry passengers and other precious cargo.

¹ Cargo and load capacity limited by weight and distribution.

TECHNOLOGY

Apple CarPlay™ COMPATIBILITY!

Take some of your favorite iPhone® features and put them on your vehicle's touch-screen display in a smart, simple manner. Access your Phone, Music, Maps and Messages, as well as some of your other favorite apps (e.g., iHeartRadio² and Pandora® Internet Radio²).

Wi-Fi IN YOUR TRAX. Chevrolet offers OnStar 4G LTE plus an available built-in Wi-Fi® hotspot,³ providing a fast and reliable connection with bandwidth for up to seven devices, offering a better in-vehicle experience than your smartphone.

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Data plan rates apply. ³ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T.

Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries.

1

2

3

1. ANDROID AUTO COMPATIBILITY.

You can quickly and intuitively interact with select smartphone apps with support for Android Auto.¹ This system takes some of your compatible Android phone's features and puts them on the Chevrolet MyLink² display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

2. STAY CHARGED UP.

Trax makes it easy to conveniently charge your compatible devices with a standard auxiliary 12-volt power outlet and two USB ports.³ A standard 110-volt power outlet on LT and Premier helps you remain plugged in to what's important.

3. KEEP IN TOUCH WITH YOUR TRAX.

Just download the myChevrolet Mobile App⁴ to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off the engine, lock/unlock the doors, send destinations to your available OnStar Turn-by-Turn Navigation,⁵ view key vehicle diagnostic information, set parking reminders and more.

¹ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. ² MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Not compatible with all devices. ⁴ Requires active OnStar service, compatible device, factory-installed remote start and power locks. Data rates apply. Visit onstar.com for details and system limitations. ⁵ Requires Guidance or Navigation Plan Add-On. Visit onstar.com for coverage map. Services vary by model.

Android, Android Auto, Google, Google Play and other marks are trademarks of Google Inc.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

ADVANCED SAFETY TECHNOLOGY HELPS YOU COVER ALL THE ANGLES.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Trax is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

SIDE BLIND ZONE ALERT. With radar sensors on both sides of the vehicle, available Side Blind Zone Alert helps to warn you when vehicles are in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

REAR CROSS TRAFFIC ALERT. This available feature alerts you to crossing traffic behind your Trax when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

REAR VISION CAMERA. When traveling in reverse at low speeds, the standard rear vision camera provides a real-time picture of the area immediately behind your Trax on the touch-screen display.

REAR PARK ASSIST. This available feature helps you when backing up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

10 STANDARD AIR BAGS. Equipped with 10 standard air bags¹, Trax has more standard air bags than both the 2017 Jeep Renegade and the 2018 Honda HR-V. Every Trax includes dual-stage frontal and knee air bags for driver and front passenger, head-curtain air bags for front and rear outboard passengers, and front and rear seat-mounted side air bags.

ONSTAR AUTOMATIC CRASH RESPONSE? In a crash, built-in sensors can automatically connect you to a specially trained OnStar Advisor who will help you get the assistance you need – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response is included in the OnStar Guidance Plan³ limited service trial.

5-STAR OVERALL VEHICLE SCORE RATING. The 2018 Chevrolet Trax has earned a 5-Star Overall Vehicle Score for safety. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA) New Car Assessment Program (www.SaferCar.gov).

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ³ Visit onstar.com for coverage map, details and system limitations.

PERFORMANCE

TURBOCHARGE YOUR LIFE.

Trax Premier in Storm Blue Metallic.

POWERFUL PERFORMANCE.

The power to merge and pass with confidence comes standard, courtesy of the ECOTEC® 1.4L turbocharged engine paired with an electronically controlled 6-speed automatic transmission.

33 MPG HIGHWAY¹ WITH FRONT-WHEEL

DRIVE. Efficient and exciting are not mutually exclusive ideas. FWD offers a remarkable 25 MPG city¹ and 33 MPG highway¹. This can mean fewer stops at the gas station. And really, don't you have more interesting places to go?

AVAILABLE ALL-WHEEL DRIVE.

Responsive and agile, Trax makes it easy to navigate city streets. Front-wheel drive (FWD) with Electronic Traction Control is standard. When needed for road conditions, the available all-wheel-drive (AWD) system engages

automatically when accelerating from a standing start. This system automatically shifts to FWD mode when the system detects there is no wheel slip, helping to enhance efficiency. Trax AWD also offers a smooth-going 30 MPG highway¹!

¹ EPA-estimated 25 MPG city/33 highway with FWD, 24 MPG city/30 highway with available AWD.

NEW VEHICLE LIMITED WARRANTY

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2018 Chevrolet Trax comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Chevrolet will warrant each 2018 Trax from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

¹ Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. ² Whichever comes first. See dealer for details. ³ Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. ⁴ Requires active OnStar service, compatible device, factory-installed remote start and power locks. Data rates apply. Visit onstar.com for details and system limitations. ⁵ Visit onstar.com for coverage map, details and system limitations. ⁶ Head room is the same for models with available sunroof. ⁷ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other

printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Crossover segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs.
