

## 2014 Volkswagen Family

Information Provided by:  
**DEALER**  
E-PROCESS

**Das Auto.**

**Why VW**

## Let's start with the fit and finish.

### QUALITY

To us, every little thing matters. From the precise fit between body panels to the solid thunk when you close the door. That's why the quality of every Volkswagen is instantly recognized and felt. Because we've thought about every detail of every car, every step of the way—from building our vehicles with laser seam welds to making sure each one is finished to the highest standard, you could say quality is one of our best qualities.

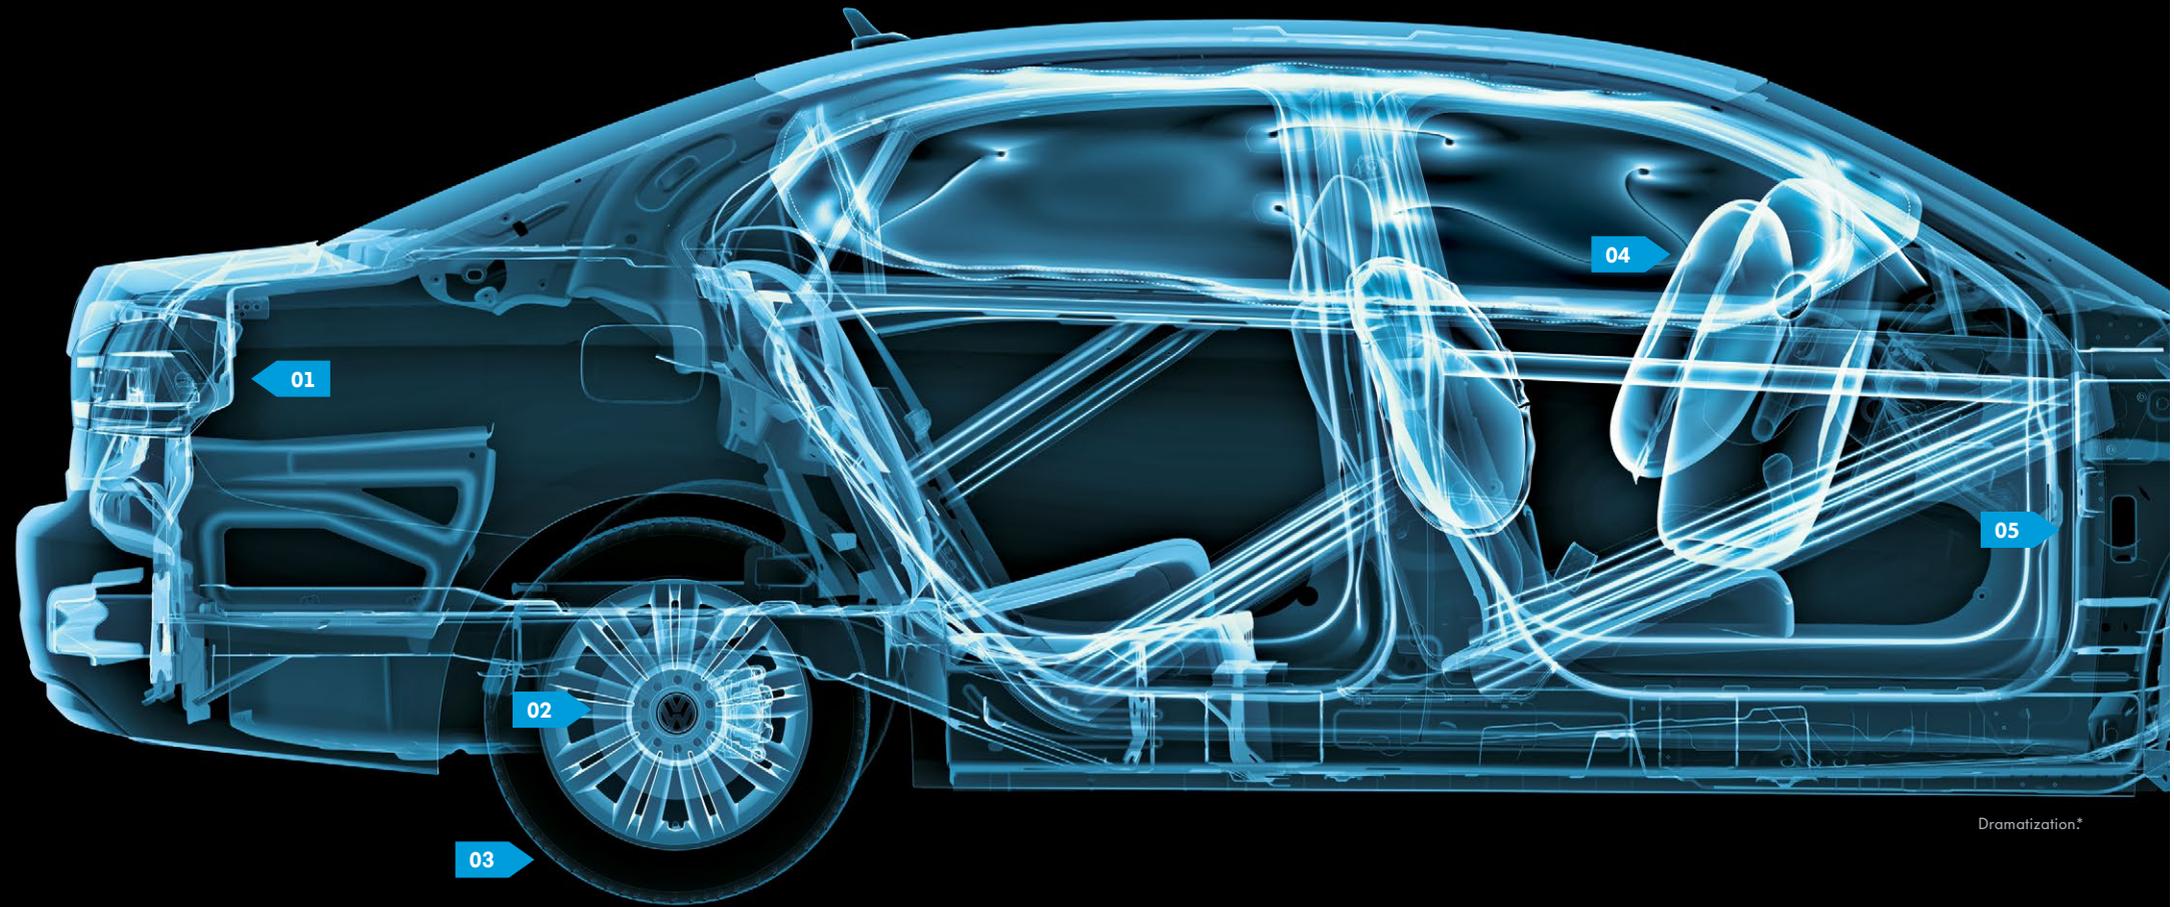

Provided by:

# Safety that's easily transparent.

## SAFETY

Beneath that attractive exterior, you'll find even more attractive features designed to help keep you safe. Numerous active safety features help reduce the likelihood of a collision occurring in the first place. And should the unthinkable become unavoidable, we've implemented multiple passive safety systems to do our very best to help protect you and your passengers. Our focus on safety is pretty clear to see.

Dramatization.\*

1. Intelligent Crash Response System (ICRS)\*\*
2. Active stability-enhancing systems
3. Tire Pressure Monitoring System (TPMS)
4. Adaptive airbags†
5. Reinforced safety cage

\*This is a dramatization and does not depict what will happen in an accident. All bags will not inflate simultaneously in real-world accidents and if multiple bags do deploy they will be in various stages of inflating/deflating and will never all be inflated at the same time. Airbags are supplemental restraints and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. \*\*The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. †Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.

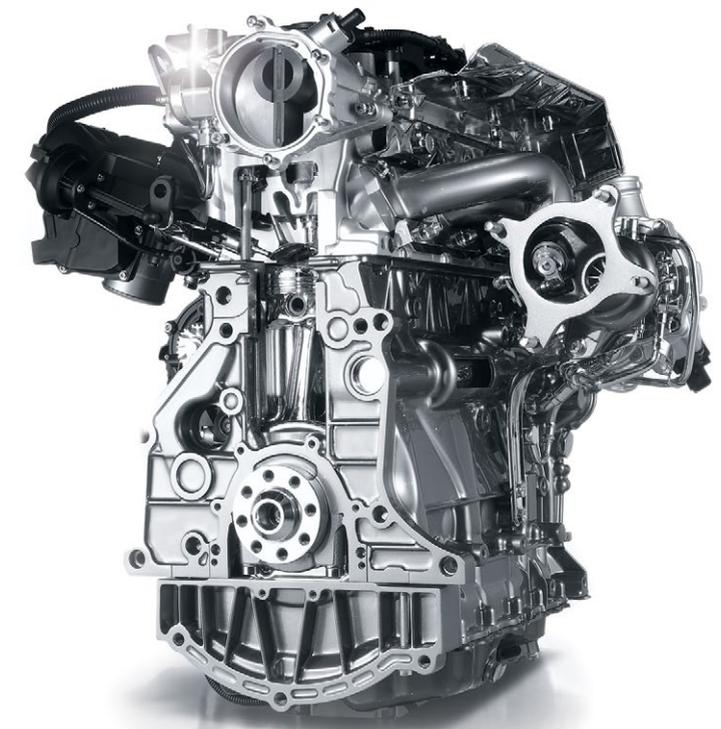

# Made for the autobahn. Built for you.

## PERFORMANCE

You may never see the autobahn, but that didn't stop us from engineering each Volkswagen as if that roadway were your daily commute. You'll know it as soon as you turn the key and turn onto the nearest road. That's when you realize how all the parts on a VW work together beautifully and seamlessly—especially after you've added the final piece: the driver.

- Turbocharged engines\*
- Sport-tuned suspension\*
- 6-speed DSG® automatic transmission\*
- 4MOTION® all-wheel drive\*
- Electromechanical Power Steering\*
- More performance and R-Line models\* than ever

Beetle GSR shown in Yellow Rush

# For greener pastures, think blue.

ENVIRONMENT

We are guided by our “Think Blue.®” philosophy, which promotes eco-conscious behavior everywhere, every day. You’ll see it in the vehicles we design that are fuel-efficient but still a blast to drive.\* You’ll also see it at our LEED® Platinum auto plant in Chattanooga, Tennessee, which follows our “Think Blue. Factory.” philosophy. Of course, the fastest way to see “Think Blue.” in action is with one of our turbocharged TDI® Clean Diesel engines that can get up to 795 highway miles on a single tank.\*\* Just get in and hit the gas. You’ve got the green light to go blue.

Think Blue.®

\*See [www.fueleconomy.gov](http://www.fueleconomy.gov) for EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. \*\*2014 Passat with optional 2.0L TDI Clean Diesel, manual transmission: 31 city/43 highway mpg EPA estimates. 795 miles per tank range based on 43 highway mpg EPA estimate and an 18.5-gallon tank. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

**What brings you here?** Whether it was by choice or chance, it's nice of you to drop by. What you're holding in front of you is everything Volkswagen stands for. Why we do the things we do. And why we think everyone deserves a better car. So if you're looking for a new car or just looking to see what's out there, we'd say it's a pretty good place to start. **That's the Power of German Engineering.**

\*2014 Passat with optional 2.0L TDI Clean Diesel, manual transmission: 31 city/43 highway mpg EPA estimates. Range based on 43 highway mpg EPA estimate and an 18.5-gallon tank. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

V6 SEL Premium shown in Black

## Midsized. Not downsized.

2014 PASSAT

Have you noticed a lot of midsize sedans are downsizing? Smaller in overall size, less powerful engines, less interior cabin space. It seems the list of smaller keeps getting bigger. The Passat takes a different approach, providing more everywhere it can. Which is why it's no surprise that it has best-in-class rear legroom.\* And more highway miles per tank than any midsize car.\*\* And some of the highest possible safety ratings. Drivers seem to like this whole "more" concept. And it looks like the critics do too. It's no wonder that the Passat is one of the most-awarded midsize sedans in its class. So if you're looking for a midsize sedan, get the one that goes big in every way.

### ENGINE OPTIONS

2.5L / 1.8L TSI® / 2.0L TDI Clean Diesel / 3.6L V6

Best-in-class rear legroom\*

Automatic headlights

Multi-function steering wheel

15.9 cubic feet of trunk space

Touchscreen sound and navigation systems†

Fender® Premium Audio System†

Remote start†/††

Information Provided by:

\*Based on manufacturers' published data comparing nonpremium midsize sedans. \*\*2014 Passat with optional 2.0L TDI Clean Diesel, manual transmission: 795 miles per tank. Range based on 43 highway mpg EPA estimate and an 18.5-gallon tank. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. †Feature available on select models. ††See back cover for important information on this feature.

## This next one is multiple choice.

### 2014 JETTA

From where you're sitting, life is all about choices. Like what your next job is, where to live, even what to drive. At Volkswagen, we've got that last one covered because the Jetta is all about choices. Lots of them, like performance, technology, and features. And with five different engines to choose from, it's no surprise it's the best-selling German-engineered car in America.\* So take your pick, because once you get behind the wheel—whether it's a hybrid, a performance model, or a TDI Clean Diesel to go the extra mile—you'll know exactly where you're headed next.

#### ENGINE OPTIONS

2.0L / 1.8L TSI / 2.0L TSI / 2.0L TDI Clean Diesel / turbocharged hybrid

Best-in-class rear legroom and trunk space\*\*

1-touch power windows

Keyless access with push-button start†

Customizable interior ambient lighting

Bluetooth with audio streaming\*\*

Panoramic sunroof†

Fender Premium Audio System†

Touchscreen sound and navigation systems†

Keyless access with push-button start†

## History repeats itself. And sometimes, outdoes itself too.

**2014 BEETLE**

Few cars are as iconic as the Beetle. Even fewer are better the next time around. So how do you make a sequel that delivers something new, but is still true to the original? Start by keeping the classic design, and then lower the roofline a bit for a sleeker, sportier appearance. Next, add an available turbocharged engine to make it the fastest production Beetle ever in the U.S.\* And just for good measure, throw in a handful of limited-production, special-edition models. Finally, what you have is the reinvented Beetle. Still independent. Still fun. Still cool. But now, a whole lot faster.

Information

DEALER  
EX-PROCESS

\*Always obey speed and traffic laws. \*\*Requires compatible device. †Feature available on select models.

R-Line with Sunroof and Sound shown in Tornado Red

- ENGINE OPTIONS**  
 2.5L / 2.0L TDI Clean Diesel / 2.0L TSI
-

- 
- Fender Premium Audio System†
- 
- Bluetooth with audio streaming\*\*
- 
- Heated front seats
- 
- 50/50-split folding rear seats

## Open up the possibilities.

### 2014 BEETLE CONVERTIBLE

With the Beetle Convertible, you'll see the Beetle in a whole new light. Simply press a button and watch the sun fill the cabin as the top goes down, and you'll feel your spirits instantly lift up. Because few things will brighten your day like driving a Beetle Convertible. With a storied history of being loved by surfers and sun lovers, and everyone in between, it's a car that just makes you want to drive. And maybe even fuels your drive to seek out new adventures. Because when you own a Beetle Convertible, you'll find that a whole new world opens up.

\*Feature available on select models. \*\*Requires compatible device.

R-Line with Sound in Reef Blue Metallic with accessory wind deflector

2.0L TSI engine

Automatic folding hardtop with power sunroof

Bluetooth with audio streaming\*\*

Keyless access with push-button start†

RNS 315 touchscreen navigation system

Volkswagen Car-Net™ connected car features††

Park Distance Control†

Bi-Xenon headlights with LED Daytime Running Lights and Adaptive Front-lighting System†

## Keep all your options open.

2014 EOS

The way we see it, nothing comes close to driving a convertible. You know, that feeling of pure exhilaration when the top is down. But when the weather is less than ideal, what choice do you have? With the Eos, you'd have a lot because it's the world's only convertible with an automatic folding hardtop and a power sunroof. So if conditions aren't calling for the full wind-in-your-hair experience, just open the sunroof to keep that endless blue sky above you. Then top up or down, just step on the gas and let the 200-hp turbocharged engine take you anywhere.\* And leave you open for anything.

\*Always obey speed and traffic laws. \*\*Requires compatible device. †Feature available on select models. ††VW Car-Net services provided by Verizon Telematics, Inc. Automatic Crash Notification may be enabled for up to six months without activating a trial or paid subscription. ## Ever see a sculpture move?

2014 CC

You've seen it on the street. You've noticed how its sleek and sculpted body moves past other cars. You may have even caught yourself stealing another glance as it drove by. That's OK. We don't mind. After all, we designed the CC to be a car that could turn heads. Which is why we gave the CC a low roofline, so it could cut through the air—and the typical styling of other cars. Then we added LED details to further illuminate its unique sense of style. Of course, you don't have to rely on just your eyes to experience the beauty in its design. With a choice of two powerful engines and available 4MOTION® all-wheel drive, the CC delivers a beautiful performance you can also feel. And with an impressive list of luxury amenities, the CC will certainly entertain your other senses. When you experience all of the amazing things the CC can do, we think you'll see that a beautiful work of art can also work beautifully.

### ENGINE OPTIONS 2.0L TSI / 3.6L V6

Bi-Xenon headlights with LED Daytime Running Lights and Adaptive Front-lighting System

Dual-zone automatic climate control

Dynaudio® premium sound system†

Volkswagen Car-Net connected car features\*

See applicable Terms of Service available at vw.com/carnet for details.

TDI Clean Diesel with Sunroof shown in Candy White

## Brought to you by Jetta SportWagen.

2014 JETTA SPORTWAGEN

If we know one thing about wagon owners, it's that you're a pretty fun bunch. We know you spend your life on the go. And like to bring all your things with you. The Jetta SportWagen is specially designed and engineered to go all in. And with an available TDI Clean Diesel engine, you can also go a long way. So gather up your snowboards, dogs, bikes, friends, and their friends too. Because for 12 years running, you've loved the fact that this isn't just a bigger Jetta, but one with a personality all its own. Now go pack every single inch of that massive 66.9 cubic feet of cargo space.\* Because soon, you'll be driving your own Jetta SportWagen just for the fun of it.

- ENGINE OPTIONS**  
 2.5L / 2.0L TDI Clean Diesel
- 
- 66.9 cubic feet of available cargo space\*
-

- Bluetooth with audio streaming\*\*
- 
- Keyless access with push-button start†
- 
- Rearview camera†
- 
- Touchscreen sound and navigation systems†
- 
- Media Device Interface with iPod cable\*\*/†

## Some SUVs have all the fun.

2014 TIGUAN

The Tiguan isn't like most other SUVs. It's got style. And versatility. And the premium quality you've come to expect in a Volkswagen. But most importantly, it's fun to drive. It's the only German-engineered SUV in its class, after all. Look under the hood and you'll find a standard 200-hp turbocharged engine—the same one as found in our iconic GTI sports car. Want to go off the beaten path? The available and capable 4MOTION all-wheel drive will take you places that many cars can't go. And because we know how active you are, we gave the Tiguan flexible cargo space and seating for just about any adventure. Then we loaded it with premium features to help keep you entertained along the way. Because getting there can be half the fun—and sometimes, even more so.

## We put our best everything forward.

2014 TOUAREG

It's one thing to build an SUV that's truly capable, and it's a whole other thing to create one that's truly premium. But that is the idea behind Touareg—to do both amazingly well. So we took our best comfort, performance, and entertainment features and put them all together into a luxurious, fully capable SUV. One that's just as confident pulling up to a movie premiere as it is pulling up to a cabin, and that represents the best of all our engineering know-how. Because if your goal is to build an SUV that truly stands apart from the rest, you have to give it everything you've got.

Information Provided by

†Feature available on select models.

V6 Executive shown in Canyon Gray Metallic

Jetta Hybrid SEL Premium shown in Oryx White

## There's a first for everything.

### 2014 HYBRIDS

Most people don't associate hybrids with being fun to drive. Fuel-efficient maybe, but definitely not something you'd actually want to drive. We wanted to change all that. That's why we introduced the world's first supercharged hybrid with the Touareg Hybrid, as well as the first turbocharged hybrid in its class with the Jetta Hybrid. With 380 horsepower, the Touareg Hybrid has more power and performance than many V8 models, and noticeably better gas mileage to boot.\* And with the Jetta Hybrid, you don't have to give up the great looks and performance of the Jetta to get great fuel economy.\*\* So now, instead of having a hybrid to just get you from here to there, our hybrids may be the first you'll want to take everywhere.

**HYBRID**

Information Provided by: **DEALER** ACCESS

\*The Touareg Hybrid is available in the U.S. in very limited quantities and only at participating Volkswagen dealers. 2014 Touareg Hybrid, automatic transmission: 20 city/24 highway mpg EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. \*\*2014 Jetta Hybrid, automatic transmission: 42 city/48 highway mpg EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

## Extended play.

### TDI CLEAN DIESEL

**The TDI Clean Diesel engine.** You know that feeling on a trip when you don't want it to end? We do too. This direct-injection engine was engineered to really go the distance—that's up to 795 miles for the Passat.\* It was also engineered with the idea that less is more, so it has lower CO<sub>2</sub> emissions than 93% of other vehicles out there.\*\* Add in all that addictive torque and turbocharged power that the TDI is known for and you may never stop driving. Because it's always more fun finding your next destination than finding the nearest fuel pump.

Volkswagen offers the most clean diesels of any brand in the U.S.†

Beetle Convertible TDI is the only clean diesel convertible available in the U.S.†

Passat TDI; 795 miles per tank is the greatest range of any midsize sedan in the U.S.\*\*†

Greater range than comparable hybrid models††

Turbocharged performance and efficiency‡

\*2014 EPA highway estimates for Beetle, Golf, Jetta, Jetta SportWagen, and Passat models with 2.0L TDI with manual transmission and Touareg 3.0L TDI with automatic transmission. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. See [www.fueleconomy.gov](http://www.fueleconomy.gov) for details. \*\*Based on 2013 Federal Emissions Guide for Department of Energy comparing grams per mile of Combined CO<sub>2</sub> emissions as shown on Federal Emissions label. †Based on manufacturers' published data. ††Comparable hybrid models based on Toyota Prius, Honda Insight, Honda Civic Hybrid, Chevrolet Volt, Toyota Avalon Hybrid, Toyota Camry Hybrid, Honda Accord Hybrid, Ford Fusion Hybrid, Kia Optima Hybrid, Hyundai Sonata Hybrid, Chevrolet Malibu Eco, Honda CR-Z, Toyota Prius c, Toyota Highlander Hybrid, Toyota Prius v, Ford C-Max Hybrid. Based on manufacturers' published data and 2013 and 2014 EPA estimates. Range based on highway mpg EPA estimate and vehicle fuel tank capacity. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. ‡See [www.fueleconomy.gov](http://www.fueleconomy.gov) for EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

# All dressed up and everywhere to go.

## R-LINE FAMILY

These models have a little something extra. We call them the R-Line. First we gave them exclusive body styling details for a more aggressive stance. Then we fitted them with larger, sportier wheels to show off their best profiles. And finally, we finished them off with R-Line badging throughout so you never forget what these cars are truly designed for. So you'll turn heads every time you turn a corner.\*

Bi-Xenon high-intensity headlights with LED Daytime Running Lights

R-Line badging

Aggressive exterior styling details

Larger, sportier wheels

Sport suspension

R-Line door sill plates

**01 Beetle Convertible.** Top up or down, this Beetle with R-Line bumpers, Bi-Xenon headlights, and 19" Tornado wheels will blow your hair back.

**02 Tiguan.** Sporting Bi-Xenon headlights with LED Daytime Running Lights, extended fender flares, and 19" Mallory wheels, this Tiguan is built to impress.

**03 CC.** With its R-Line bumpers, special R-Line badged door sills, and 18" Mallory alloy wheels, this CC will be seen in all the right places.

**04 Touareg.** You don't just get the special R-Line badging, body kit, and 20" Mallory wheels, you get your choice of a 3.0L TDI Clean Diesel engine or a 280-hp V6.

**05 Beetle.** Our classic Beetle gets a whole new look with the R-Line bumpers and badging, and 19" Tornado wheels. And the rest is history.

## Down the road.

ALL-NEW GOLF & GTI

The seventh generation of our legendary hatchbacks is on its way. So go find those hairpin turns and empty straightaways because the Golf and GTI are returning with more refinement, more technology, and more of what made the originals so original.\* Arriving in 2014.

# Golf

# GTI

## Points for originality.

### ACCESSORIES

Maybe you've picked out your Volkswagen already. You may have even chosen the color or decided which features you want. Now it's your chance to really make it your own with custom accessories. Feel free to add Second Skin Custom Vehicle Graphics to your Beetle. A body styling kit to your Passat. Or even a roof rack to the top of your Jetta SportWagen. No matter which ones you choose, you're sure to score a Volkswagen that's one of a kind.

# It's that Volkswagen love.

JOIN THE FAMILY

There are so many reasons to own a Volkswagen. Of course, most of the time, it's usually love. And there's nothing that we'd love more than to have you as part of our family.

To check out stories of VW owners who have joined us, visit [why.vw.com/stories](http://why.vw.com/stories). And maybe you'll get to write your own story soon too.

### Nashville to Orlando on one tank.

We drove our Passat TDI on less than one tank with an average of over 45 mpg.\* Just another reason I love my diesel Passat! — Arin J. Peters

**1 Beetle, 2 Beetle, 3 Beetle.** I love you, VW! Just got my third Beetle a couple of weeks ago and I am smitten. The only thing to replace a Beetle is another Beetle. — Elisabeth Eickhoff

**The fun of driving.** I always wanted a Golf, they have a stylish body, small, perfect for my personality. I love my car and I think my car loves me too 'cause I unleash his power. — Rey Izaguirre
