Volkswagen

Shift into overjoy.

Beetle

Iconic fun comes standard with the 2017 Volkswagen Beetle. After all, it's designed for those in search of a daily dose of excitement. It's also for those who enjoy the comforts of modern technology, in the spirit of an old soul. And for those looking for the refined power found in a Volkswagen, it's got that too. All of this is so that you can drive for the overwhelming joy of it.

The original original.

SEL shown in Habanero Orange Metallic

It's an icon and an original, once again. That's because we gave this classic a modern touch. Like available Bi-Xenon headlights. A sleek available panoramic sunroof. And an overall unique exterior design, including sportier bumpers that amp up its iconic look, no matter what angle you're looking from. Slightly redesigned. Fully redefined. But always an original.

Heated power side mirrors

Even the side mirrors on a Beetle can bring the heat. So if the visibility starts to fog up, these can help give you a clear view.

LED taillights

The available LED taillights have been styled with precise contours that perfectly flow with its design lines. The bright illumination can also help cars behind you know that you're applying the brakes.

Unique exterior colors

Available in Bottle Green, Habanero Orange, Fresh Fuchsia, and Sandstorm Yellow. Four more reasons why the Volkswagen Beetle is as unique today as it was when it first hit the streets.

Iconic design

The Beetle has always been ahead of its time. And we've taken its iconic look to the next level. The Beetle unites classic styling and modern technologies.

Panoramic sunroof

Take a drive on the brighter side of life. Open up the available panoramic sunroof and let the sun shine down on you.

Bi-Xenon headlights

Available Bi-Xenon headlights with sleek LED Daytime Running Lights boost a longer life and use less energy. It's a really bright side to this headlight story.

17- and 18-inch alloy wheels

A Beetle this distinctive needs wheels to match. The available designs are perfectly matched to this time machine.

With a strong allegiance to design, the inside of the Beetle shines as bright as the exterior. Thanks to its retro-modern gauges and multi-function steering wheel, as well as the available customizable interior lighting and heritage-inspired glovebox, the Beetle shows you what it's made of — even while sitting in park.

Leather-wrapped, multi-function steering wheel

Grab hold of the leather-wrapped, multi-function steering wheel and you can take control of the road, your music, and so much more.

Frameless, auto-dimming rearview mirror

The way to look back and still be fashionably forward. The available auto-dimming rearview mirror helps handle that garish light by dimming when things from behind get too bright. Here's to good looks and looking out.

3-color ambient lighting

Available ambient lighting helps set the mood. Want another color? You can get one in the blink of an eye.

V-Tex leatherette seating surfaces

Fall under the spell with available V-Tex leatherette seating surfaces, which offer a premium feel.

Käferfach heritage-inspired glovebox

Vintage design is in the details, including the available Käferfach glovebox that enhances the retro-modern look of the Beetle.

vw.com/models/beetle/section/design

**Hits on all cylinders.
Before it hits the road.**

DEP
DEALER ePROCESS

SE shown in Titan Black V-Tex leatherette

With a turbocharged engine, a sky's-the-limit power-folding soft top, and features like rearview camera and available touchscreen navigation, the Volkswagen Beetle Convertible is an open invitation to enjoy the ride as you hit the town. There's no reason to wait. Open it up.

FEATURES

- Power-folding soft top with simple one-step operation
- Heated front seats
- V-Tex leatherette seating surfaces
- Composition Color touchscreen sound system
- Rearview Camera System

AVAILABLE FEATURES

- Discover Media touchscreen navigation
- Volkswagen Car-Net[®] connected car suite
- Climatronic[®] dual-zone automatic climate control
- Volkswagen Car-Net App-Connect*

Fender[®] Premium Audio System

Want clear, concert-quality sound? With 400 watts of power, every pulsating beat that pumps out of the available Fender Premium Audio System will make sure you can rock while you roll.

Blind Spot Monitor**

The sensors on the available Blind Spot Monitor feature are able to sense what you might miss. When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to other cars that may be in your blind spot.

DEALER ePROCESS

SEL with Lighting Package shown in Bottle Green Metallic

Looks like the desert caught the Bug.

Dune with Lighting and Technology Packages shown in Sandstorm Yellow Metallic

Honoring the design of the dune buggy is at the heart of the Beetle Dune. With its aggressive stance, unique bumpers, stylish rear spoiler, and 18" Canyon alloy wheels, this updated take on the desert icon is both unmistakably Baja and aggressively eye-grabbing all at the same time.

FEATURES

- Large rear spoiler
- Silver mirror caps
- Black wheel arches and side sills
- LED taillights
- Park Distance Control (Park Pilot)*
- Foglights with low-speed corner-illuminating feature
- Rearview Camera System

Bi-Xenon high-intensity headlights with LED Daytime Running Lights (DRL)

Brighter than halogen or regular filament bulbs, available Bi-Xenon headlights with sleek LED Daytime Running Lights boast a longer life and use less energy. It's a really bright side to this headlight story.

Dune front and rear bumpers

More aggressive front and rear bumpers frame sporty black wheel arches. The stylish rear spoiler adds attitude and aerodynamics to the back.

18" Canyon alloy wheels

The 18-inch alloy wheels with a sporty, multi-spoke wheel design. A striking two-tone finish puts the whole look in motion.

Increased ground clearance

The Beetle Dune sits on a wider track and a raised suspension, giving it handling to match its more aggressive style.

vw.com/models/beetle/trims/2017/2017-dune-trim

*The features discussed are not substitutes for attentive driving. See Owner's Manual for further details and important limitations.

Bringing the desert into the driver's seat — and beyond — the Dune comes with several interior design cues. Like desert-inspired stitching found on the sport seats and floor mats, for example. It's a hot desert look, inside and out.

FEATURES

Front sport seats
Composition Media touchscreen sound system
VW Car-Net App-Connect*
Leather-wrapped, multi-function steering wheel with Dune badging and contrast stitching

AVAILABLE FEATURES

Keyless access with push-button start**
Climatronic® dual-zone automatic climate control
Bi-Xenon high-intensity headlights with LED Daytime Running Lights (DRL)
Fender Premium Audio System

Dune seating surfaces with cloth inserts, V-Tex leatherette trim, and yellow piping

Sport seats with cloth seating surfaces complete with V-Tex leatherette trim. Unique Sandstorm Yellow piping with matching contrast stitching provides support and a fresh desert look.

Dune with Technology Package shown in Dune seating surfaces

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. **See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

#PinkBeetle #fun

DEP
DEALER ePROCESS

#PinkBeetle shown in Fresh Fuchsia Metallic

It's hard not to smile when admiring (and driving) the special-edition #PinkBeetle. But here are a few fun features just for good measure. Like Bi-Xenon headlights with LED Daytime Running Lights that shine as bright as the Fresh Fuchsia metallic paint. Pink Club cloth seating surfaces that show how fun is done. And Volkswagen Car-Net App-Connect* and keyless access with push button start** — to give tech an extra dash of color.

FEATURES

Unique Fresh Fuchsia Metallic exterior
17" Linas alloy wheels (Coupe)
18" Twister alloy wheels (Convertible)
Bi-Xenon high-intensity headlights with LED Daytime Running Lights (DRL)
LED taillights
Keyless access with push-button start**
Heated front seats
Composition Media touchscreen sound system
VW Car-Net App-Connect*

Unique Pink Club cloth seating surfaces

Unique in every sense, the Pink Beetle also has its own Pink Club seating surfaces. Complete with pink accents and a nod to VW heritage, the cloth seating surfaces come in perfectly matched pink plaid.

vw.com/models/beetle/trims/2017/2017-pink-beetle-trim

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. **See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

Technically, it's well-rounded.

Fun comes in many forms. For the 2017 Beetle, that means the enjoyment of Bluetooth® technology for compatible devices. It means forward thinking in reverse with a rearview camera. Or transforming your Beetle into a concert on wheels thanks to an available Fender® Premium Audio System. With plenty of tech-savvy features, the Beetle shows its gadget versatility, proving it's well-rounded in more ways than one.

Rearview Camera System integrated in rear logo

Hindsight is now foresight. The rearview camera can help you see obstacles when backing up, and it can make parallel parking easier.

USB port

Conveniently located in the center console, the USB port lets you connect your compatible device of choice. Charge up and sync up with ease.

Bluetooth technology with audio streaming for compatible devices

Bluetooth with audio streaming lets you talk to your friends and play your music via your compatible device so you can focus on the drive.

Fender Premium Audio System

Want clear, concert-quality sound? With 400 watts of power, every pulsating beat that pumps out of the available Fender Premium Audio System will make sure you can rock while you roll.

Composition Color touchscreen sound system

This system comes complete with a 5" color display and is MP3- and WMA-compatible. So you can enjoy the ease of Bluetooth technology with audio streaming with your compatible devices.

Composition Media touchscreen sound system

Boasting a 6.33" color display, the available touchscreen sound system is equipped with proximity sensors that detect your hand approaching and display a pop-up menu. Voice control lets you control your music and much more. It can also pair with multiple compatible devices. Tune in to what's new.

Discover Media touchscreen navigation system

Navigation gets even more savvy with an available sleek 6.33" touchscreen display with voice control and a proximity sensor with a pop-up menu that's easy to read. It can also give you turn-by-turn directions, points of interest, and it can pair with multiple compatible smartphones. It's modern technology made more accessible.

Volkswagen Car-Net.

Available VW Car-Net turns your car into a fountain of information, a source of support and help, and, with the help of your compatible smartphone, the center of your own mobile universe. And with the available VW Car-Net App-Connect* you can use select apps right on your dash. Have a better connection when you're on the move.

Volkswagen Car-Net Security & Service**

With your 6-month trial and then paid subscription, you can enjoy a host of available features that help you locate your last parked location,[†] check if the doors are locked,^{††} call for help in an emergency,[†] and even get vehicle health and diagnostic reports.

Volkswagen Car-Net Guide & Inform^{†††}

With available Car-Net Guide & Inform, you can access gas prices, weather, sports scores, and more through SiriusXM Travel Link® services with a 3-month trial subscription. You also get SiriusXM® Traffic with a 3-month trial subscription, which offers real-time traffic information and puts your info front and center.

Volkswagen Car-Net App-Connect*

Available VW Car-Net App-Connect lets you link your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to use select apps on the touchscreen display of your Volkswagen. From streaming music to mobile maps, it can be accessed on the touchscreen.

*Always pay careful attention to the road, and do not drive while distracted. App-Connect features require compatible device, operating system, and mobile app. Standard text and data usage rates apply. See mobile device and app provider for terms and privacy. Helps you stay out of trouble.

We put a little more Volkswagen around your Volkswagen, with available Driver Assistance features that are designed to give you confidence. For starters, there's a Blind Spot Monitor, which can alert you if a car's coming into your blind spot, and Park Pilot, which can help steer your Beetle into perfect parking spaces. And Rear Traffic Alert to help you back up with more confidence. Welcome to the 2017 Beetle, now with available peace of mind.

1 Blind Spot Monitor*

The sensors on the available Blind Spot Monitor feature are able to sense what you might miss. When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to other cars that may be in your blind spots.*

2 Rear Traffic Alert*

The available Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse and even brake for you in an emergency.*

3 Park Distance Control (Park Pilot)*

The available Park Distance Control (Park Pilot) has sensors that can help you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and in front of the vehicle when parking. If you get too close, an alert sounds as a warning. The display provides additional support for the driver by showing the position of obstacles.*

DEP
DEALER ePROCESS

*Driver Assistance features are not substitutes for attentive driving. See Owner's Manual for further details and important limitations.

Spoiler alert: it's turbocharged.

SEL with Lighting Package shown in Pure White

1.8L TSI® engine

170
HORSEPOWER

184
LB-FT OF TORQUE

How do you make an already iconic, undeniably fun car even more so? Add a turbocharged engine, naturally. But don't be fooled by the size of this happy-go-lucky 1.8L TSI turbo — one tap dance on the accelerator and you'll feel surprising power, followed by an instant boost to your day.*

1.8L TSI engine

With the turbocharged 1.8L TSI engine, performance comes standard along with practicality. It's fast. It's fun. And it can get an EPA-estimated 33 hwy mpg.**

6-speed automatic transmission with Tiptronic® and Sport mode

The 6-speed automatic transmission offers all the driving enjoyment you'd expect from a Volkswagen. If you're looking for more control, shift manually in Tiptronic mode — and to customize your drive further, drop it into Sport mode to amplify the fun.

*Always obey all speed and traffic laws. **24 city/33 highway mpg (2017 Beetle 1.8L TSI, 6-speed automatic transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

It's safe to say it's fun.

With seven stability-enhancing systems, an Intelligent Crash Response System (ICRS)* and a safety cage made of high-strength steel, the Beetle allows you to be comfortable in your own shell, in its shell.

Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

Automatic Post-Collision Braking System

Not every collision brings a car to stop. That's why our vehicles include the Automatic Post-Collision Braking System. It can help bring your car to a stop after a collision, helping reduce the chance of additional impacts.

Seven active stability-enhancing systems

From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate stopping power during a hard-braking situation, to Electronic Stability Control (ESC), which can adjust engine throttle and apply corrective forces to the wheels that need them most, there are in total seven stability-enhancing systems at your service.

Intelligent Crash Response System (ICRS)*

In the event of a collision that deploys the airbags,** the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

Automatic Rollover Support System (Convertible only)

When it comes to a convertible, safety is as important as the fun. The Automatic Rollover Support System deploys two hidden steel beams from behind the rear head restraints to help keep you safe in the event of a rollover.

DEP
DEALER ePROCESS

*The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. **Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.

Beetle

Bug

Käfer

Vocher

Maggiolino

A kaleidoscope of color options. Nickname badging. An assortment of wheel options. And black mirror caps. Customize your Beetle—and consider yourself expressed.

Nickname badging

As a car that's loved the world over, it has some pretty cool available nicknames in different languages. So feel free to pick out a nickname in your own language. Or one that just speaks to you.

Accessory wheels

Available custom wheels let your Beetle make even more of a statement. Choose your alloy wheels in different sizes and looks. Then watch the heads start turning.

Black mirror caps

One glance at the sleek, available custom-fit black mirror caps and you'll see just how their glossy sophistication enhances the overall look of your Beetle.

Beetle flower vase

Originality has always been part of the Beetle. And the available flower vase is more charming proof of that. Fill it with daisies or daffodils or dare to do something that's original to you.

Color inside the lines.

©2016 Volkswagen Group of America, Inc. Printed in the USA. Volkswagen of America, Inc., believes the information and specifications in this brochure to be correct at the time of printing. Specifications, standard features, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you select includes the equipment you ordered. Tires are supplied and warranted by their manufacturer. "Volkswagen," the Volkswagen logo, and "Beetle" are registered trademarks of Volkswagen AG. "Monster Mats" is a registered trademark of Volkswagen Group of America, Inc. "Bluetooth" is a registered trademark of Bluetooth SIG, Inc. "MuddyBuddy" is a registered trademark of MacNeil Automotive Products Limited. Volkswagen navigation depends on the signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and an update will be required in order to maintain the latest navigation information available to us. Updates will be available for purchase from time to time at additional cost.
