

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

SEE PATHFINDER® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for Pathfinder and every Nissan in the lineup. Available on desktop, smartphone, or tablet, it's the full product story – including demos, videos, and complete info on trims, colors, and accessories.

Innovation
that excites

2019 PATHFINDER®

¹Availability of features vary by vehicle model year, model, trim level, packaging, and options. ²Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ³Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's owner's manual for details. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. For important safety information, system limitations, and additional operating and feature information, see dealer, Owner's Manual, or NissanUSA.com/connect/important-information. Terms and conditions of Subscriber Agreement apply. NissanConnect EV features are provided by Nissan North America. Sirius XM Connected Vehicle Services Inc. ("Sirius XM") partners with Nissan North America to provide NissanConnect Services powered by SiriusXM. All stated terms, disclosures and limitations of liability associated with connected vehicle services extend to Sirius XM and its affiliate, Sirius XM Radio Inc. Sirius XM is a registered trademark of Sirius XM Radio Inc. ⁴Available feature. Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ⁵Available feature. Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ⁶Automatic Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁷Available feature. Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁸Slide forward function should not be performed with the CRS occupied. ⁹See Owner's Manual for safety information. ¹⁰Extra cost option. ¹¹Please follow Towing Guidelines. Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. ¹²The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. ¹³Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁴Information displayed is dependent on how vehicle is equipped. ¹⁵RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ¹⁶Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁷Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. ¹⁸Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ¹⁹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ²⁰Vehicle must be on for the Easy-Fill Tire Alert to operate. ²¹State laws may apply. Review before using. ²²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ²³Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ²⁴Requires compatible auxiliary media system. See Owner's Manual for details. ²⁵Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See dealer, Warranty Information Booklet, or parts.NissanUSA.com for details. ²⁶Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²⁷Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information. ²⁸2018 EPA fuel economy estimates shown. 2019 EPA estimates not available at time of printing. Actual mileage may vary with driving conditions. Use for comparison only. ²⁹For a period of 36 months/36,000 miles from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is earlier. Set off in a whole new direction. Unrivalled space means everyone gets in on the action. Now take on the road, or what they call a road, with legendary capability and Nissan Intelligent Mobility,^{TM1} which gives you some of the most advanced available driver-assistance systems anywhere. The 2019 Nissan Pathfinder.[®] Tech that moves you.

ALL-TERRAIN CAPABILITY

Pathfinder®'s available Intelligent 4x4 system lets you seamlessly choose between 2WD, 4WD, and Auto to give you the traction you need when you need it. There's even a 4WD lock mode for when the going really gets tough.

ADVANCED DRIVING TECHNOLOGIES

Whether you're changing lanes on the highway, maneuvering out of a parking spot, or following stop-and-go traffic, Pathfinder's available driver assistance features, including standard Automatic Emergency Braking, help you see more, sense more, and can even give you an assist when you need it most.^{1, 4, 5, 6, 7}

Pre-production model shown.

- Rear Cross Traffic Alert⁴
- Blind Spot Warning⁵
- Automatic Emergency Braking⁶
- Intelligent Cruise Control⁷

HANDS-FREE ACCESS

Carrying everything at once? No problem. Just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. And there's no more fumbling for keys, thanks to the available Nissan Intelligent Key® with Push Button Ignition. Just step inside, push a button, and away you go.²

THREE ROWS OF FLEXIBILITY

With the EZ FLEX® Seating System's LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place.⁸ And with so many possible seating configurations, Pathfinder is always ready for the next adventure.

ALERTS YOU CAN COUNT ON

Never forget something in the back seat again with the innovative Rear Door Alert system. If the system detects you may have left something, it gives you a visual and audible alert to remind you to check the rear seat.⁹

REMOTE START FROM YOUR PHONE

With available NissanConnect Services, you can remotely start your vehicle from nearly anywhere your smartphone works. Need to unlock your vehicle for a friend? Just tap the unlock button on your phone. You can even check your vehicle's location on a map at any time. Now that's cool.³
