**BRZ**

**BRZ.** For your every action, an immediate reaction.

## The open road is **your canvas.**

There are sports cars with rear-wheel drive. There are also sports cars with responsive steering, a few with nimble handling, and some that are lightweight. The BRZ has all of these characteristics—and more. And with the supremely low and balanced 205-horsepower<sup>1</sup> SUBARU BOXER<sup>®</sup> engine, the experience is simply divine. This is how sports cars should be built—and how driving should feel.

### Engaging

With a traditional rear-wheel drive layout, the BRZ pays homage to classic sports car ideals while retaining modern necessities. Its combination of traits—lightness, low center of gravity, fully independent suspension, telepathic handling—deliver an unfiltered, unequivocally enjoyable driving experience.

### Potent

Powered by a 205-hp<sup>1</sup> direct- and port-injected 2.0-liter 4-cylinder SUBARU BOXER<sup>®</sup> engine, the BRZ hits all the right notes in both performance and sound. The sonorous, high rpm symphony from the tuned exhaust system is music to enthusiasts' ears.

### Dialed-in

The ideal sports car driving position means you'll find everything you need, right where you need it. The bolstered, sport-design front seats keep you planted, while the small-diameter, leather-wrapped steering wheel is perfectly complemented by a point-and-shoot 13.1:1 steering ratio.

### Connected

Everywhere you go in the BRZ, you'll feel connected to your world, thanks to standard SUBARU STARLINK<sup>™</sup> Multimedia. It allows you to connect via Bluetooth<sup>®</sup> or USB port to apps like Pandora,<sup>®</sup> iHeartRadio,<sup>®</sup> Stitcher<sup>™</sup> and Aha,<sup>™2</sup> for all your favorite news, music and podcasts. For a more engaged experience, upgrade to the 7-inch STARLINK<sup>™</sup> Multimedia system with standard Apple CarPlay<sup>™</sup> and Android<sup>™</sup> Auto integration and a built-in, voice-activated navigation system powered by TomTom.<sup>®3</sup> Both systems offer HD Radio<sup>®</sup> and SiriusXM<sup>®</sup> All Access Radio<sup>4</sup> for the ultimate in sound quality and listening enjoyment.

1 Manual transmission models only. 2 Compatible smartphone and application required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 3 Limited models only. BRZ Limited in WR Blue Pearl with optional Performance Package.

1 Limited manual transmission models only. See your retailer for details. 2 We do not recommend racing your vehicle. Racing may void the vehicle warranty. See Warranty & Maintenance Booklet for details. If you do race the vehicle, do it safely and lawfully on approved racing tracks. Drive responsibly at all times and obey all traffic laws.

## Performance Package

Ready for your best lap.

To push the BRZ harder so it can handle the demands of higher performance driving, look no further than the available Performance Package.<sup>1</sup> With Brembo<sup>®</sup> performance brakes for supreme stopping power, SACHS<sup>®</sup> performance dampers for enhanced stability, and dark gray 17 x 7.5-inch, 10-spoke aluminum-alloy wheels for an exclusive look, this BRZ is ready to perform, lap after lap.<sup>2</sup>

Brembo<sup>®</sup> Performance Brakes

Aluminum Rear Wing

It only lacks one thing—**you.**

#### Driver-focused Cockpit

Everything is designed with the driver in mind. From the small-diameter, leather-wrapped steering wheel to the strategically placed pedals, oblique shifter and low-mounted performance-design front seats with deep bolsters and Alcantara® inserts<sup>1</sup>—it's all perfectly assembled to create the ideal sports car driving position. The 4.2-inch multifunction display<sup>1</sup> keeps you informed with a G-force meter, lap timer, engine torque curve maps and more, while Track Mode lets you push the limits of performance driving even further. The available dual-zone automatic climate control system keeps you in the comfort zone,<sup>1</sup> while standard Bluetooth® allows for an easy connection to your favorite apps and content. Plus, a 7-inch SUBARU STARLINK™ Multimedia system with standard Apple CarPlay™ and Android™ Auto integration and a built-in navigation system is available.<sup>1</sup> You'll also have standard auto-on/off LED headlights to keep you connected to the driving experience, even after dark.

1 BRZ Limited models only.

BRZ Limited with Black Leather and Alcantara.®

Every excess eliminated.  
Every thrill amplified.

### Lightweight—2,789 Pounds<sup>1</sup>

Lightweight sports cars can react more quickly, accelerate faster, and stop with more authority. With less heft, the 205-hp<sup>2</sup> SUBARU BOXER<sup>®</sup> engine becomes a powerhouse, and the available 12.8-inch Brembo<sup>®</sup> performance brakes—world-beaters. High-tensile steel makes it not only lighter but stiffer, too. Also a priority was balance—so it's rear-wheel drive for better front-to-rear weight distribution.

### Low 0.27 Coefficient of Drag

To a sports car, wind is like weight—the more of it you have to move, the more it takes from your ability to perform. Features like a channeled roof, aerodynamic underbody panels and a rear diffuser help the BRZ cut through the air, sharpening the performance you'll feel.

### SUBARU BOXER<sup>®</sup> Engine

Low, stable, with immediate power delivery, the SUBARU BOXER<sup>®</sup> engine with up to 205 hp<sup>2</sup> is the heart and soul of the BRZ. With port- and direct-injection technology, its efficiency is impeccable—up to 33 highway MPG<sup>3</sup>—and its power easily harnessed with either the lauded 6-speed close-ratio manual transmission or a quick-shifting 6-speed automatic transmission with manual mode and paddle shifters.

### Low Center of Gravity

Not only was the engine designed to be compact, allowing it to be mounted lower in the chassis, every element of the BRZ was placed as low as possible, from the roofline to the seating position. This is what gives the BRZ its supercar-like center of gravity measurement—18.11 inches—that keeps it firmly planted to the ground for otherworldly composure and response.

### Driver-centric Ergonomics

With design features like a small-diameter steering wheel and optimally placed short-throw shifter, your hands can fully capitalize on the quick 13.1:1 steering ratio. And with sport-design instrumentation, you'll immediately get the information you need most.

### Performance-design Seats

When you're deep in the corners, you'll be glad the BRZ comes standard with supportive front seats with deep bolsters. They're also available with Alcantara<sup>®</sup> inserts, which provide extra grip to help keep you in the pocket.

<sup>1</sup> Base curb weight for BRZ Premium. <sup>2</sup> Manual transmission models only. <sup>3</sup> With automatic transmission. 2019 EPA highway fuel economy estimates. Actual mileage may vary.

## 2019 BRZ Series.Gray

### Step up. Stand out.

With a production run of just 250, the 2019 BRZ Series.Gray is no ordinary BRZ. Covered in a rare hue—Cool Gray Khaki paint—accentuated by black mirror caps, black badging, and frameless rearview mirror, this BRZ has “enthusiast” written all over it. And it matches its unique looks with uncommonly nimble performance, thanks to SACHS® performance dampers for sportier handling, and high-performance Brembo® brakes with 12.8" front and 12.4" rear rotors for controlled stopping power. Topping off this limited-edition package are stylish black 17 x 7.5-inch, 10-spoke aluminum-alloy wheels for a presence that’s not only exclusive, but also timeless.

**STI Under Spoiler - Front.** STI Front Under Spoiler gives the BRZ a mean, ground-hugging look.

**STI Under Spoiler - Side.** Continue the mean ground-hugging look down the rocker panels of the BRZ. Kit includes both left and right side under spoilers.

**STI Under Spoiler - Rear Quarter.** Complete the look on the side of the BRZ with the addition of the rear quarter under spoilers. Kit includes both left and right rear quarter under spoilers.

**Rear Bumper Diffuser.** Lower rear body panel helps to direct airflow and adds a sculpted finishing touch to the BRZ lower rear body line.

**Fuel Door Cover - Chrome.** Give your BRZ a sportier look by adding a touch of personalization with this chrome-plated fuel door cover.

**LED Upgrade - Dome Light.** The LED dome light offers brighter, whiter and crisper interior lighting than the standard equipment lighting.

**Footwell Illumination Kit.** Casts a soft blue or red glow onto the front floor area.

**Rear Bumper Appliqué.** Clear, scratch-resistant vinyl film helps to protect bumper upper surface and leading edge. Includes a discreet pearl-colored Subaru logo.

**Sunshade - Windshield.** The foldable sunshade offers a triple layer of protection to help reduce vehicle temperature up to 40 degrees. Custom-cut to fit properly, it includes a handy storage bag.

**Auto-Dimming Mirror with Compass and HomeLink®.** This upgraded Auto-Dimming Mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

**Kicker® Powered Subwoofer.** Provides powerful, deep bass and also assists in clean sound reproduction from all vehicle speakers. This is achieved by its integrated 100W amplifier and a passive crossover network. The self-contained unit mounts in the trunk. Manufactured for Subaru of America by Kicker®. Cannot be installed with Cargo Tray.

**STI Alloy Wheels.** The 17-inch 15-spoke STI alloy wheel set helps to give the BRZ the perfect blend of attitude and style, combined with improved handling performance and steering precision due to the reduced weight of the alloy when compared to the stock alloy wheels. The wheels are finished in black and finished off with STI-branded center caps.

### Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security® ...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

### Subaru Badge of Ownership

Subaru owners are driven by their passions. Whether hiking to see a sunset or skiing through fresh powder. Paddling through rapids or playing fetch with their furry friend. For many, our exclusive Badge of Ownership lets them personalize their vehicle and express their interests. Owners can go to [badgeofownership.com](http://badgeofownership.com) to order **FREE** Subaru Badge of Ownership lifestyle icons.

### Durability

#### It's not disposable. It's family.

Life moves fast. Don't slow it down with a car you can't trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing and with designs that are inherently tough and resilient. It's why our vehicles excel in the extreme rigors of rally racing. And why 97% of Subaru vehicles sold in the last 10 years are still on the road today.<sup>9</sup> It's also why Subaru owners are so likely to stay Subaru owners for years and years. What's more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we've done our job.
