

VELOSTER N

2019 Hyundai

Hyundai Veloster N received a 2019 Best Buy Award from Kelley Blue Book's KBB.com.³

¹ Horsepower rating with premium unleaded fuel. ² Automobile.com, August 2018. ³ For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

The Hyundai Veloster N: A rally car for the street.

The world's leading car companies all engage in some type of motorsports – it's the ideal research lab for developing high-performance street machines. Our choice of proving grounds? The FIA World Rally Championships, arguably the nastiest test of an automobile ever devised.

Played out all over the globe on every road surface imaginable, the WRC is where the new Hyundai N established itself as a bona fide performance brand. Led by former BMW M chief Albert Biermann, one of the world's most respected engineering minds, the Hyundai N performance sub-brand is the direct result of our successes in both the WRC and Touring Car Racing (where Hyundai won 7 out of 12 races to capture the 2018 Pirelli World Challenge TCR Team championship and Manufacturer's Series title).

Today, there's an even more direct result – the new Veloster N. It looks, sounds and reacts like it was born in the heat of battle. With an available 275-hp turbocharged 2.0L GDI engine,¹ rev-matching 6-speed manual transmission and launch control – plus a reinforced body, suspension and brakes to handle the added power – Veloster N is the tip of our high-performance spear. And it's pointed directly at your senses. Think we're exaggerating? The editors at *Automobile* magazine don't. After their first exposure to Veloster N, they concluded simply: "The hype is real."²

Note Worthy

Shift up and down through your Veloster N's gears, and it sings a tune of perfectly pitched snorts, snaps, crackles and pops. The sound is so distinctive, one automotive journalist called it "one of the best-sounding four-cylinder exhaust notes this side of a vintage Alfa."

Carve Your Path

The Veloster N's Performance Package includes an N Corner Carving Differential. This limited-slip differential with electronic control applies varying degrees of torque to the inner and outer front wheels to help minimize understeer while also helping to increase cornering speed.

Wipe That Grin

See those two blue buttons on the steering wheel? The left one cycles through N Grin Control's five drive modes. That checkered flag button on the right? It triggers N and N Custom modes that let you adjust suspension settings, the exhaust note, throttle response, the available limited-slip differential and more.

Here's to driving past mirrored glass buildings.

With Veloster N, modern architecture has met its match. One look at its asymmetrical three-door design, and it's obvious – Veloster N takes performance seriously. Those vents you see positioned next to the front grille are air curtains designed to smooth turbulence and cut wind resistance near the front wheels. Veloster N's large rear spoiler also manages air flow for more stability and rear downforce at higher speeds. Final aerodynamic tuning was perfected on Germany's famed Nürburgring, where the "macht schnell" performance of Veloster N was instilled.

Large-bore dual exhaust tips tucked into the rear air diffuser hint at the high performance of Veloster N's powerplant. The body is also designed with performance-enhancing reinforcements that can't easily be seen. The strategic use of advanced high-strength steel creates a highly rigid body structure optimized for crashworthiness – yet it's remarkably light for quick acceleration and razor-sharp handling.

Inside, N-exclusive styling cues are everywhere you look. Deeply bolstered front seats with contrast blue stitching firmly hold the driver and front passenger through twists and turns. The steering wheel and gear shifter are trimmed in perforated leather to enhance your grip. Vivid 3D gauges jump off the instrument cluster. And sequential indicator lights signal the trigger point to shift gears for maximum performance. So be ready – Veloster N is a jolt to your senses.

Grip 'N Grin

Veloster N's 6-speed manual transmission features automatic rev-matching, which blips the throttle on downshifts. It can be deactivated via the REV button on your steering wheel if you prefer heel-and-toe shifting.

Wheels Up

The N Performance Package upsizes to available 19" alloy wheels with high-performance summer tires for extra grip. So Veloster N is geared to satisfy your spirited driving urges right off the showroom floor.

Air Force

Performance isn't measured in horsepower alone. It's measured by aerodynamic downforce and coefficient of drag, too. Perfected in wind tunnels, Veloster N's design details help keep you glued to the road.

Audio & Connected Car Technology

Hyundai Blue Link®			Infinity® Premium Audio with 8 Speakers
Apple CarPlay™ Android Auto™			Clari-Fi™ Music Restoration Technology
8-Inch Display Audio			Dual Charging USB Ports

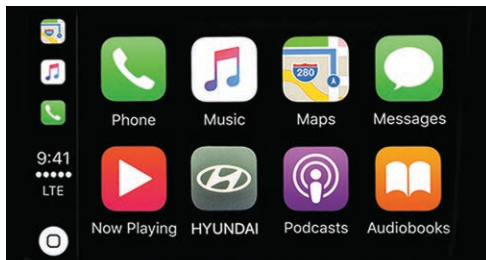

“...it’s a 275-hp hot hatch that promises to be an absolute blast to drive. And now that we know what kind of gas mileage it gets, it looks like the Veloster N will be pretty economical as well.” – *Motor Trend*, September 2018

It's time you felt a truly special connection with your car.

Hyundai's award-winning Blue Link® technology keeps you connected to the services, information and entertainment you need on the road.¹ It starts with Blue Link Connected Care. Complimentary for your first three years, it offers exceptional peace of mind. Wherever you may roam, trained operators are standing by to provide roadside assistance when needed. Your Veloster N also calls for help automatically in the event of an accident where airbags deploy.²

With the power of an external amp and deep bass of a subwoofer, the 8-speaker Infinity Premium Audio system packs a punch. It features Clari-Fi™ Music Restoration Technology, which analyzes digital or streaming audio files during playback and restores high-fidelity sound qualities lost in compression.

Compression removes up to 90 percent of the details originally recorded in your favorite songs. Music that's been 'clari-fied' sounds crisper, wider and more dynamic. So you can enjoy all of the nuances the artists intended you to hear. You'll be blown away by the difference.

Smartphones Made Smarter

Standard Apple CarPlay™ and Android Auto™ integrate your smartphone's functionality with Veloster N's large floating display. So you can seamlessly access contact lists, texts, calls, your music library and more using the car's touchscreen or simple voice commands.³

Your Virtual Pit Crew

Using Blue Link, you can run a full vehicle diagnostic check from your Veloster N's touchscreen. If there's an issue, press the rearview mirror's Blue Link button to schedule service at your Hyundai dealer. We'll also email you diagnostic reports monthly and alert you when it's time for regular maintenance.⁴

Hyundai Blue Link®

What gives Veloster N owners a better connection to the things they need? Hyundai's Blue Link Connected Car System, complimentary for the first 3 years of ownership. For details on all of the Blue Link features offered, visit hyundaibluelink.com.

Automatic Emergency Assistance

Blue Link Connected Care offers 24/7 SOS Emergency Assistance and Automatic Collision Notification that calls for help if you're in an accident where airbags deploy.

On-Demand Diagnostics

Run vehicle diagnostics from your Veloster N's touchscreen, report issues at the press of a button, and receive Monthly Vehicle Health Reports or maintenance reminders by email.

Remote Controls

Use your smartphone, home assistant or wearable device to remotely lock or unlock the doors, locate your car in a crowded parking lot, and more.

Safeguard Alerts

Receive a smartphone alert if your vehicle travels beyond a preset distance from the drop-off point, exceeds a preset speed limit, and more.

Service Link

Conveniently schedule your vehicle for service from the driver seat of your Veloster N or MyHyundai smartphone app.

Car Finder

Forgot where you parked? Just open the Blue Link app, and a handy map will guide you back to your car.⁵

¹Hyundai Blue Link is complimentary for the first 3 years of ownership and requires an active Blue Link subscription. Three-year term starts from the new vehicle date of first use and is available for new vehicle purchases and leases based upon terms and conditions on the Blue Link subscription enrollment pages. Only use Blue Link and corresponding devices when it is safe to do so. Cellular and GPS coverage is required. Features, specifications, and fees vary by subscription plan and are subject to change. For more on details and limitations, visit hyundai.com or your authorized Hyundai dealer. ²Blue Link agents will contact existing emergency service responders. ³Apple CarPlay works with iPhone 5s, iPhone 5c, iPhone 5 and later models running the latest version of iOS 7 and above. Apple is a registered trademark of Apple Inc. Android Auto works with smartphones running on Android 5.0 Lollipop and higher. Android, Android Auto, Google Play and other marks are trademarks of Google Inc. ⁴Requires active Blue Link subscription. ⁵Smartphone GPS location must be within a 1-mile radius of your vehicle to display searched location. ⁶EPA estimates for comparison only. Mileage may vary. Your actual mileage will vary with options, driving conditions, driving habits and the vehicle's condition. ⁷Horsepower ratings with premium unleaded fuel.
