

# LAND ROVER LR4

2015

ABOVE AND BEYOND

## LAND ROVER LR4 NEW FEATURES FOR 2015

### CONVENIENT DRIVER TECHNOLOGIES

Optional new technologies are available to help make driving the Land Rover LR4 even more pleasurable. Adaptive Cruise Control with Forward Alert System\* is designed to use radar to scan the road ahead ten times a second and then automatically matches the speed of the vehicle in front of you allowing you to travel long distances in comfort.

### INTERIOR DESIGN ENHANCEMENTS

You can now specify dual-tone Windsor leather, Ebony/Cirrus seats and there is an option of either a Grand Black Lacquer or a Straight Grain Walnut wood and leather steering wheel.

### NEW EXTERIOR DESIGN FEATURES

There is a choice of three new exterior colors available: Aruba, Kaikoura Stone and Montalcino Red. You can also select the new 20 inch forged alloy wheels with a Light Silver Polished finish to accentuate the refined look of the vehicle.

SPECIFICATION

Page 30

The design of the Land Rover LR4 has constantly evolved during its life and that is why it is always in its element, whether it's crossing town or taking everyone way beyond the city limits for the weekend.

The design of Land Rover LR4 is accentuated by the use of jewel-like front lights giving the vehicle a contemporary look. While at the rear, the split tailgate has been designed for maximum reach and flexibility to make loading objects easier.

Escape the daily grind. The 3.0L V6 Supercharged Land Rover LR4 engine delivers in most demanding criteria, including fuel economy, power and performance.

Heading away from the city towards the great outdoors should be a pleasure. That's why Land Rover LR4 features advanced technology to help the driver feel more connected to the road and deliver an engaged and responsive drive. Now, getting there can be as enjoyable as being there.

Stadium seating gives everybody unspoiled views, with head, leg and shoulder room that are among the best in class and full-size seats for up to seven adults. These are just some of the benefits of the bold design and upright side profile of Land Rover LR4.

And with a range of infotainment and technologies to choose from, everyone will be entertained, relaxed and comfortable.

Vehicle shown above is HSE LUX in Aruba.  
Interior shown left is HSE LUX in Ivory/Ebony with optional Rear Seat Entertainment.

What Land Rover LR4 gains in practicality and space, it doesn't compromise in comfort and attention to detail. Its tactile interior is a contemporary and beautifully crafted environment. The seats are available in a variety of materials such as Windsor leather, which include electric adjustments and memory, giving the driver even greater support. Double-stitching on the fascia top is just one indication of the high-quality finish throughout the vehicle.

Land Rover has always had capability at its heart and the Terrain Response® System\* proves it. This proprietary technology acts as an off-road expert enabling the driver to tackle almost every surface with confidence.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown left is HSE LUX in Aruba.

At the touch of a switch, Terrain Response® system\* reconfigures the Land Rover LR4 engine, transmission, throttle and traction settings for optimum drive-ability.

So whether traveling over pavement, grass, gravel or snow, mud and ruts, sand or rocks, the vehicle handles it with consummate ease.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown left is HSE LUX in Scotia Gray.

With exceptional ground clearance and short front and rear overhangs, Land Rover LR4 is cleverly proportioned. Together with impressive torque and delivery of power, these attributes help ensure that the vehicle is eminently capable and highly maneuverable on the most demanding terrain.

As a vehicle crests a steep hill, there is a moment when the feeling of sudden acceleration can occur, which is why Gradient Acceleration Control\* has been incorporated into the standard Hill Descent Control (HDC®) technology. This feature helps reduce the feeling of increased speed and smoothes out the overall effect to make descent feel more assured.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown left is HSE LUX in Scotia Gray.

The odd expanse of water shouldn't affect a drive. Chances are it won't in Land Rover LR4. The vehicle has been designed to allow a maximum wading depth of 27.6 inches.\*

\*These features are not a substitute for driving safely with due care and attention, and will not function under all circumstances, speeds, weather and road conditions. The driver should not assume that these features will correct errors of judgment in driving. Please consult your vehicle's owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown left is HSE LUX in Scotia Gray.

For over 65 years, Land Rover has become renowned for many innovations, one of which is the legendary Command Driving Position\*. From here, the driver gets an unparalleled view of the road ahead and greater all round visibility. Hazards can be spotted earlier, parking is made easier and all the key controls are readily at hand.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

Interior shown right is HSE LUX in Arabica/Almond.

With five digital cameras mounted around the vehicle, the optional Surround Camera System\* provides a near 360° view. This greatly aids low-speed maneuverability in such situations as parking. By customizing the number of images the camera relays to the Touch-screen, other functions can be utilized. All Round Vision, Junction View, Curb View, Rear View, Tow Assist and Tow Hitch Assist are included in this advanced system.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown is HSE LUX in Scotia Gray.

Land Rover LR4 goes further. Its capability is born from the first Land Rover vehicle and is renowned across the city, across country and across the globe. Its contemporary design is purposeful, its drive connected and assured. Add class-leading versatility with seven full-size adult seats available and the picture is complete.

# SPECIFICATION

Land Rover LR4 offers an exclusive range of options that allow you to personalize your vehicle. The following pages take you through a logical series of steps to create your ideal Land Rover LR4. You have several choices: from selecting your model to exterior and interior colors before choosing your wheels, finishes and additional options.

If you'd like to bring your options to life, go to our online configurator at [LandRoverUSA.com](http://LandRoverUSA.com)

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

\*\*Please remember that the safety belts in a vehicle constitute the primary protection system for driver and passengers in collisions. Airbags are not designed to deploy in all collisions. The airbag Supplemental Restraint System (SRS) is a supplement to the safety belts and is designed to work as a system with the safety belts. Although airbags provide additional protection, airbags without safety belts do not provide optimal protection in a crash. Always wear your safety belts. Children younger than 13 years old should always be properly restrained in a back seat, away from airbags. Never place an infant seat in the front seat.

<sup>1</sup>Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Jaguar Land Rover Limited is under license.

(1) Only available with Black Design Package 19 inch (2) Only available with Black Design Package 20 inch.

**Please note:** When choosing vehicles fitted with specific wheel and tire combinations or optional wheels and tires, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tires may offer certain styling or driving benefits, but may be more vulnerable to damage. Please discuss your requirements with your Land Rover Retailer.

## STEP 4 CHOOSE YOUR INTERIOR – FINISHES

### **Beautiful materials, flawless execution**

The levels of craftsmanship and finish in Land Rover LR4 are without compromise. Sophisticated colorways and a choice of fine leathers help create your ideal space. Whichever you choose, it will be an exemplary expression of your tastes.

**GRAINED LEATHER**  
Available on LR4 and HSE

**WINDSOR LEATHER**  
Available on HSE LUX

## STEP 4 CHOOSE YOUR INTERIOR – TRIM FINISHER CHOICES

It's those final touches that can make the overall effect even more appealing. That's why there's a choice of finishers available including Cosmic Grey, Straight Grain Walnut and Grand Black Lacquer. These apply to each of the four doors and down through the central area of the fascia.

COSMIC GREY

STRAIGHT GRAINED WALNUT

GRAND BLACK LACQUER

## STEP 4 CHOOSE YOUR INTERIOR – INTERIOR SEAT OPTIONS

### **60:40 five-seats**

The standard 60:40 five-seat option features two rows with three comfortable seating positions and full size headrests.

Within all seating configurations all row two outboard seats feature LATCH child seat anchorage points.

The flexible seating configurations are demonstrated on page 52.

### **Seven-seats**

With seven full size adult seats, this optional configuration includes the 35:30:35 seat formation allowing for improved access into the third row seats and numerous folding combinations, including the ability to fold and store the second row completely flat.

## STEP 4 CHOOSE YOUR INTERIOR – INTERIOR SEAT OPTIONS

With the capability to transport the driver, six passengers and their luggage with ease, Land Rover LR4 is every vehicle you'll ever need. The flexible, versatile layout provides a configuration to suit almost every conceivable use – especially as the second and third rows\* can be folded independently of each other.

<b>Tow Package</b> – consists of detachable receiver and electrics	028CA	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

\*\*Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones, and other devices, even with voice commands, when it is safe to do so.

## KEY FEATURES

**Automatic headlamps with High Beam Assist and adaptive Xenon headlamps with LED signature\*†**

Is designed to detect vehicle headlamps/tail lights and to dip the high beam until the light source is out of range. The system is able to distinguish between automotive and non-automotive light sources.

Signature LED lights combine practicality with distinctive design. For more relaxed night-time driving, adaptive lighting varies the light cast ahead of the vehicle so that the beams follow the curve of the road.

**Air Suspension**

Four-corner independent air suspension features variable ride height and electronic cross-linking for a constant level ride height irrespective of load distribution. Ride height can be raised up to 4.9 inches to clear obstacles or lowered by 2 inches for easy access and loading.

**Split Tailgate**

Make light work of difficult loads with the Land Rover LR4 two-piece, asymmetric tailgate design. Both upper and lower tailgates are made from resilient lightweight aluminum. The tailgate gives impressive access to the rear of the vehicle and comes into its own when loading large, bulky or heavy objects. The asymmetric portion of the lower tailgate provides a reduced reach-in distance when open and a lower load height when closed.

**Adaptive Cruise Control\*†**

The Adaptive Cruise Control (ACC) with Forward Alert system uses radar to scan the road ten times a second. ACC will dynamically match the speed of the vehicle in front of you, settling down behind it and maintaining a constant speed with one of four cruise gap distances set by your preference. Forward Alert is designed to give an audio and visual alarm when you are closing in on a vehicle.

**Terrain Response® System and Gradient Release Control\*\*†**

The Terrain Response® System\*\* optimizes the vehicle set-up for virtually all on-road or off-road driving situations, with up to five different settings to suit different terrains such as pavement, grass, gravel or snow, mud and ruts, sand or rocks.

Gradient Release Control is a patented Land Rover system that works with Hill Descent Control (HDC®)† across terrains such as rock, gravel and sand for more controlled, confident descents. Works in reverse and first gear.

**Parking Aid\* / Rear View Camera / Surround Camera System with the T-Junction Camera\*†**

The rear view camera provides a rearward view from the full color Touch-screen and works in conjunction with the rear parking aid.

The surround camera system comprises five digital cameras to provide a near 360° view surrounding the vehicle to aid low-speed maneuvering via the full color Touch-screen. Can be customized to provide a single camera view or multiple images. Functions include: Parking aid – rear view camera, All Round Vision, Junction View. Also includes Tow Assist and Tow Hitch Assist.

\*Optional.

\*\*Rock Crawl not available with single speed transfer gearbox.

†These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

Visit [LandRoverUSA.com](http://LandRoverUSA.com) for more information.

## KEY FEATURES

### Intelligent Stop/Start

A welcome addition, designed and engineered to help reduce CO<sub>2</sub> emissions and improve fuel economy. The system is automatically engaged when the ignition is turned on and when the engine is no longer required, at traffic lights for example, it will turn itself off. From a standstill, when the vehicle is in Drive, Sport or Reverse, the engine will instantaneously restart when the brake pedal is released.

### Full Colour Touch-screen

Provides full control and functionality over integrated systems such as navigation, audio, entertainment systems, camera systems, 4x4 information and vehicle settings.

### In Car Entertainment

The Meridian™ Audio System delivers superb acoustics and is noted for its excellent reproduction quality from all sources – radio, CD, iPod® or USB. The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

### Rear Seat Entertainment\*

The Rear Seat Entertainment package ensures passengers can always be engaged. With two eight-inch screens built into the front headrests, a pair of WhiteFire™ digital headphones and a dedicated remote control, passengers can feel truly at home with their choice of film, TV or music.

### Compact Smart Key - Keyless Entry/Push Button Start

Once the vehicle has been accessed using the remote transmitter, the device may be stored in a pocket or bag to allow starting without its use. The optional Passive Keyless Entry system provides even greater convenience. When within close proximity of the vehicle along with the remote Compact Smart Key, simply open the door, get in and push the Start button.

### The Portable Audio Interface\*\*

Allows the connection to the in-car entertainment system of an iPod® with full track and search integration. An MP3 player or a mass storage device can also be connected via the USB port.

\*Optional on some derivatives.

\*\*Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

#### Sunroof with Alpine Roof

Even the rearmost passengers enjoy a glass roof in Land Rover LR4. The sunroof tilts and slides electronically and the combined reflective properties of the glass panel and interior sunblinds keep everyone cool and the cabin light and airy.

#### Hard Disk Drive Navigation\*\*

With prompt access speed, graphics and display, the Hard Disk Drive Navigation (HDD) System stores up to 40GB of data. Navigation mapping can be upgraded via a Land Rover Retailer download.

Additional features available on HDD-equipped vehicles are DVD Audio and MP3 DVD playback with single CD disc player.

#### Blind-Spot Monitor/Closing Vehicle Sensing\*\* †‡

Using sensors mounted behind the rear bumper, these systems are designed to see what you might miss. When a vehicle enters a blind spot, a warning light will show in the corresponding door mirror.

Closing Vehicle Sensing scans a zone much further behind the vehicle, to help detect vehicles which are closing quickly from behind and which could cause a threat during a lane change maneuver.

#### Reverse Traffic Detection\*\* †‡

Using radar detectors in the rear of the vehicle, the system is designed to warn you about potential collisions during reversing maneuvers. The system can help detect a vehicle approaching from either side. When a target vehicle with a credible 'time to collision' is detected (a collision within three seconds or less), the system alerts the driver. Three warnings are given: an indicator lights up in the corresponding door mirror, an audible alert is sounded and a warning symbol is displayed on the camera screen.

†Available as part of the Vision Assist Package.

‡These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

# DIMENSIONS AND CAPABILITIES

Wheelbase 113.6 inches

Front wheel track 63.2 inches

Rear wheel track 63.5 inches

Width 80.8 inches mirrors folded  
Width 86.6 inches mirrors out

## Obstacle Clearance

Off-road height up to 12.2 inches  
Standard ride height up to 7.3 inches

Overall length 190.1 inches

## Standard Ride Height

With Alpine glass roof (not open) 74.1 inches  
With roof rails 74.4 inches  
With Alpine glass roof (open) 75.6 inches  
With roof antennae 76.3 inches  
With roof rails and crossbar fitted 78 inches  
Access height setting will reduce each of the above by 2 inches.

## Loadspace Capacity

Rear seats upright  
Height 41.7 inches  
Width 48.6 inches  
Loadspace volume 44.5 ft<sup>3</sup>  
Loadspace width between arches 45.1 inches  
Rear seats folded  
Height 41.7 inches  
Width 48.6 inches  
Loadspace volume 90.34 ft<sup>3</sup>  
Loadspace width between arches 45.1 inches  
Maximum length at floor 76.8 inches.

## Headroom

Maximum front headroom 40.2 inches  
Maximum front headroom with Alpine roof 40.4 inches  
Second row headroom with Alpine roof 42.4 inches  
Third row headroom with Alpine roof 40.1 inches.

	A	B	C
Ride Height	Approach Angle	Ramp Angle	Departure Angle
Off-road	36.2°	27.3°	29.6°
Standard	32.2°	22.8°	26.7°

## Turning Circle

Curb-to-curb 37.57 feet  
Turns lock-to-lock 3.32

## Wading Depth\*

Maximum wading depth: 27.6 inches.

## TECHNICAL SPECIFICATION

3.0L V6 SUPERCHARGED	
<b>ENGINE DATA</b>	
Capacity (cc)	2,995
No. of cylinders	6
Cylinder layout	Longitudinal V6
Valves per cylinder	4
Bore (inch)	3.33
Stroke (inch)	3.50
Compression ratio (:1)	10.5
Maximum power bhp / rpm	340 / 6,500
Maximum torque lb-ft / rpm	332 / 3,500-5,000
<b>BRAKES</b>	
Front type	Ventilated disc
Front diameter (inches)	14.17
Rear type	Ventilated disc
Rear diameter (inches)	13.77
Park brake	Electric Park Brake (EPB) integrated into brake caliper

## PERFORMANCE AND KEY DATA

3.0L V6 SUPERCHARGED	
<b>WEIGHTS (lbs)</b>	
Weight from	5,655
Gross vehicle weight	7,143
Maximum mass on each axle (front)	3,197
Maximum mass on each axle (rear)	4,090
<b>TOWING (lbs)</b>	
Unbraked trailer	1,653
Maximum towing	7,716
Maximum coupling point / nose weight	551
Maximum vehicle and trailer combination / Gross Train Weight	14,859
<b>ROOF CARRYING (lbs)</b>	
Maximum roof load (including Roof Rails)	165
<b>PERFORMANCE</b>	
Maximum speed mph**	121
Acceleration (secs) 0-60mph**	7.7
Fuel tank capacity – usable (gallons)	22.8

\*These features are not a substitute for driving safely with due care and attention, and will not function under all circumstances, speeds, weather and road conditions. The driver should not assume that these features will correct errors of judgment in driving. \*\*Always follow local speed limits.

## ACCESSORIES

Land Rover LR4 is so capable and adaptable it can get straight to work across a huge variety of vastly differing terrains, conditions and roles. Even so, some owners want to add their own stamp of individuality by tailoring their Land Rover LR4 to their specific needs with a range of stylish, practical accessories that are tough, versatile and bring an opportunity for personalization to Land Rover LR4. These accessories can be added at any stage during the vehicle's life – not just when it's new. Naturally, Land Rover Approved Accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

## ACCESSORIES

Styled Valve Caps  
Land Rover – LR027560  
Union Jack – LR027664  
Black Jack – LR027666

Snow Traction System\*\*  
VPLAW0080  
Applicable to 235/70 R17, 255/60 R18, 255/55 R19, 255/50 R20 wheel and tire sizes. Fit to front wheels only.

\*Not compatible with Electric Winch (VPLAP0130).

\*\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

## ACCESSORIES

20 inch five split-spoke 'Style 510'  
Diamond Turned with Gloss Black finish  
Tire specification: 250/50 ZR20  
VPLAW0002\*

20 inch ten-spoke 'Style 104'  
Tire Specification: 255/50 ZR20  
VPLAW0003\*

**Cargo Divider**  
EOH500040  
Separates luggage space into two protected sections. Lockable outer gate on one side. Must be fitted with Cargo Barrier. Not compatible with standard loadspace cover.\*\*

**Cargo Barrier**  
VUB501170  
Easily removed. Retains cargo and can be used with standard loadspace cover\*\*

**Rigid Loadspace Protector**  
EBF500010 Not compatible with Cargo Barrier  
EBF500080 Compatible with Cargo Barrier and Cargo Divider

**Flexible Loadspace Protector**  
VPLAS0015  
Heavy duty fabric helps protect loadspace up to window height. Also covers loadspace floor with second row seats folded. Includes heavy duty gloves.

**Loadspace Rubber Mat**  
LR006401  
Waterproof with retaining lip and non-slip surface.

**Load Retention Net**  
VUB503130

Utilizes loadspace tie-down points. Includes floor net and two ratchet straps. Strap length approximately 6.6ft.

**Rechargeable Flashlight**  
VPLAV0102

High power 300 Lumen rechargeable flashlight machined from solid aluminum with a black anodized finish. An integral charging dock in the loadspace ensures it is always charged and ready for action. Features maximum output with three further settings including a flashing mode. Land Rover branded.

**Ski Bag**  
VPLGS0166

Carries up to two pairs of skis and poles up to 5.10 feet long. Features removable shoulder straps.

**iPad® Holder†**  
VPLVS0165  
**iPad® 1 Holder**  
VPLVS0164

**Seat Back Stowage**  
Premium – VPLVS0182

Manufactured from the finest materials with soft touch interior lining and magnetic button clasps, this convenient stowage system for the rear of the front seats provides multiple compartments for stowing small items.  
Standard – VPLVS0181 (not shown)

**Center Armrest Cooler/Warmer Box**  
VPLVS0176

This convenient drink and food cabinet is ideal for use on long journeys and can also be used as a rear center armrest. It features a leather trim to provide a premium finish in keeping with the Land Rover LR4 interior. Always keep secured and in closed position while driving.

\*Accessory wheel, rim only. To order the Land Rover Center Cap please quote part number LR023301.

\*\*Can be fitted with Loadspace Rubber Mat (LR006401) and Rigid Loadspace Protector (EBF500080).

†Compatible with 2nd, 3rd and 4th generation iPads®. Not compatible with iPad Air™ or iPad Mini™.

iPad® is a registered trademark of Apple Inc., registered in the US and other countries.

# ACCESSORIES

Premium Carpet Mat Set  
VPLAS0192SVB – Nutmeg

Deep pile carpet with waterproof backing.

VPLAS0134PVJ

**Full Length Roof Rail Kit**  
 Bright Finish\*\* – VPLAR0075  
 Black Finish\*\* – VPLAR0074 (not shown)  
 Cross Bars – Bright Silver Finish  
 VPLAR0001

Adjustable position crossbars, for carrying all Land Rover roof mounted accessories featured. Easily removed when not in use. Lockable for security. Maximum payload 158.3lbs<sup>1</sup>. Vehicle must have factory-fit roof rails or Roof Rail Kit fitted.

**Luggage Carrier\*\***  
 LR006848  
 Maximum payload 138lbs<sup>1</sup>.

**Sports Box\*\***  
 VPLVR0061  
**Luggage Box\*\***  
 VPLVR0062 (not shown)

**Large Roof Box\*\***  
 VPLWR0100 (not shown)

Available in a range of sizes, all versions can be mounted either side for curbside opening in any country and include integral locks for security and peace of mind. Carrying capacity ranges from 320 liters with the Sports Box to the 410 liter Luggage Box or the capacious 430 liter Large Sports Box. Maximum payload 165lbs<sup>1</sup>.

**Expedition Roof Rack\*\***  
 CAB500021PMA

Vehicle must be fitted with a Black Finish or Bright Finish Short Roof Rail Kit CAB500120PVJ/CAP500090. Vehicle height when fitted 83 inches at normal ride height. Maximum payload 120lbs<sup>1</sup>.

**Aqua Sports Carrier\*\***  
 VPLGR0107

Carries one surfboard or sailboard and mast, or one canoe or kayak. Includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading and unloading. Maximum payload 99lbs<sup>1</sup>.

**Ski/Snowboard Holder\*\***  
 LR006849

Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Lockable for security. Maximum payload 79lbs<sup>1</sup>.

\*Helps protect seats from mud, dirt and wear and tear. Machine washable. Includes headrest and armrest covers. Colors shown may differ from the actual product.  
 \*\*Roof Rails and Crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.  
<sup>1</sup>Maximum payload equals the load capacity of the roof mounted accessory.

## ACCESSORIES

**Stainless Steel Sill Tread Plates**  
EBN500041

To protect and enhance the appearance of the vehicle sills.  
Covers front and rear door sills.

**Universal Lift and Load System**  
VPLVR0096

This roof loading aid fixes to your garage roof and allows you to lift equipment on to the vehicle with ease. It can also be used for storing the roof box conveniently when removed from the vehicle.

**Quick Release Tow Bar\***  
LR040248

**Quick Release Tow Bar Stowage**  
LR020002 (not shown)

Hidden loadspace stowage block. Seven-seat vehicles only.

**Electric Cool Bag**  
VUP100140L

Powered by the 12 volt auxiliary socket. Thermostatically controlled temperature. Easy clean interior surface. Height 14.9 inches, length 14.9 inches, width 8.6 inches. Volume 3.7 gallons.

**Cross Bar Lashing Eye Kit**  
VUB503160

Six additional tie-down points for use with Crossbar T-slots.

**Bulb Kit**  
VPLAV0018

**Warning Triangle**  
KCC500021

**Tire Pressure Gauge**  
VPLVW0077

**Tracking Target Sticker**  
LR021589

Additional sticker required for vehicles equipped with the Surround Camera System option which includes Tow Assist.

**Ratchet Strap**  
CAR500010

Nylon tie strap for securing items to the Crossbars or Luggage Carrier. 16ft long, 0.7 inches wide. Supplied individually.

**Tow Recovery Strap**  
STC8919AA

Includes storage bag that can be attached as a warning flag to the strap. 6,615lbs maximum load capacity.

**Touch-up Paints**

A comprehensive range of touch-up paint sticks and aerosols to help your Land Rover LR4 look as good as new despite those minor chips and scrapes. Consult your Land Rover Retailer for further details.

**Coat Hanger**  
VPLVS0167

**Collapsible Luggage Carrier**
