

CITROËN **C4 CACTUS**

Designed by **Le TONE**

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

### 1934

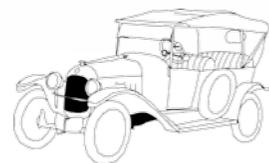

CITROËN revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

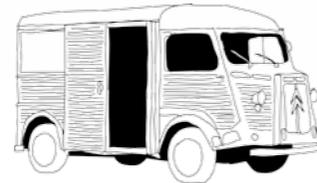

### 2014

CITROËN C4 CACTUS is launched, incorporating the innovative AIRBUMP® protection system.

Discover the models that make up CITROËN's extraordinary history, from 1919 to the present day.

The pioneering CITROËN Type A enters mass-production.

CITROËN launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous type H.

The much-loved 2CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

It's a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

The 70s and 80s see CITROËN technology triumph, with models such as the AX, BX, CX and advanced XM, a prestigious vehicle equipped with Hydractive suspension.

Winners of the manufacturer's Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers Champion four times in a row; eight manufacturer's Champion titles in WRC plus two in WTCC ... CITROËN continues to demonstrate its exceptional motorsport pedigree, year after year.

## A CITROËN FOR EVERYONE

*From the busy city centre to the open road, every trip will be comfortable and stress-free. CITROËN design and engineering keeps it that way.*

Power plus efficiency.

**SIMPLY**  
UNIQUE

In the busy blur of everyday life, CITROËN C4 CACTUS stands out from the crowd because it's fresh, innovative and different in every detail. Here's a new interpretation of crossover, mixing space, comfort, refinement and useful technology with effortless simplicity. CITROËN C4 CACTUS is no ordinary vehicle; it's a celebration of unique design.

## INNOVATION SURROUNDS YOU

Airbump® is a prime example of what makes CITROËN C4 CACTUS so refreshingly original. Distinctive, stylish and practical, it fits seamlessly into the sides, protecting your car from everyday knocks and scrapes. The air filled capsules are made from tough Thermo Plastic Urethane that simply shrug off minor impacts – and unwelcome repair costs. Unique to CITROËN, Airbump® is both head turning and ingenious.

**MINIMAL**  
ELEGANCE

Bright, airy and spacious, the interior of the CITROËN C4 CACTUS welcomes you with a spot-on driving position and minimal, fuss-free dashboard. Instead of a multitude of buttons you'll find a clear, simple digital display that lets you control air-conditioning, music, sat nav and phone.

*\*Overseas model shown with Habana velour and black cloth trim.*

## 7 INCH TOUCHSCREEN INTERFACE

A feature of every CITROËN C4 CACTUS is the 7 inch Touch Screen interface. This enables you to access all your technology.

**AIR CONDITIONING**  
Leave the system in automatic and it will maintain your ideal temperature all day long. You can also manually select low, normal and fast modes.

**MEDIA**  
Move easily between your audio options and choose between radio, streaming, Bluetooth® and MP3 devices.

**NAVIGATION**  
Here's sat nav with added intelligence. Maps include the most economical route to your destination.

**PHONE**  
Bluetooth® Handsfree\* enables you to make and receive calls safely on the move. The 7 inch Touch Screen makes it even easier, giving quick, clear access to your address book – you can even add pictures of your contacts.

*\*Requires a Bluetooth® compatible smart phone.*

# LIVING ROOM

## COMPACT BUT ROOMY

Being only 4.16m from nose to tail, CITROËN C4 CACTUS is compact and handles beautifully. Inside, it's all about innovative space efficiency, with room to relax for everyone. The sofa style rear seats and minimalist dashboard design help to create an interior that's generous, accommodating and very practical. There's 358 litres of boot space and a 60:40 folding rear seat make this a versatile place for your luggage.

*\*Overseas model shown.*

## SOLAR FLAIR

Unique to CITROËN C4 CACTUS is the sweeping optional panoramic sunroof\* that fills the interior with natural sunlight whilst providing UV protection. In winter conditions it acts as insulation, keeping you snug and warm, and because of its excellent thermal efficiency, there's no need for sunblinds. This means that the panoramic sunroof is lighter than conventional designs, contributing to fuel economy and efficiency too.

*\*Available as an option.*

*\*Overseas model shown.*

# TECHNOLOGY FOR LIFE

CITROËN C4 CACTUS features a diverse mixture of technology that make life on the move effortless, enjoyable and safe.

## SAFETY AND DRIVING AIDS

### AIRBAG IN ROOF

Mounting the front passenger airbag in the roof has created room for the 8.5 litre dashboard mounted Top Box. It's a CITROËN innovation and a world first that simply adds new, perfectly positioned storage.

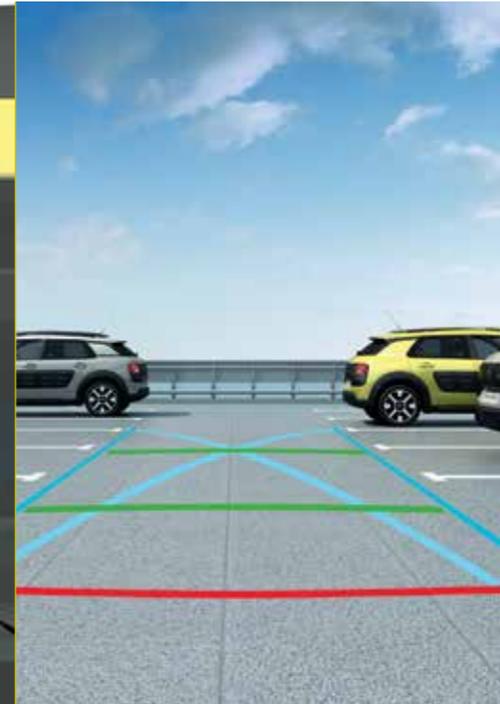

### HILL START ASSIST

On inclines of more than 3%, Hill Start Assist automatically holds the car for 2 seconds as you move off. This helps prevent you rolling backwards when you release the brake pedal and ensures smooth safe hill starts every time.

### MAGIC WASH

More fresh thinking from CITROËN, Magic Wash integrates the washer nozzles into the windscreen wipers rather than on the bonnet. Here they release precisely the right amount of screen wash when activated without wasteful overspray, and use less than half the fluid of a conventional system.

### REVERSING CAMERA

Sending clear images of the view behind to your 7 inch touchscreen, the reversing camera makes even the trickiest parking manoeuvre accurate and easy.

### FRONT FOG LIGHTS WITH CORNERING FUNCTION

As you turn the steering wheel, the front fog lights turn too, lighting up corners and enhancing visibility.

## LIGHT, EFFICIENT, INSPIRING

CITROËN C4 CACTUS makes lightness work for you in so many ways. Every part of its design and construction contribute to low weight, high efficiency and strong performance. On average it's 200kg lighter than equivalent compact hatchbacks, which means that the very latest fuel-efficient engines can be used to deliver extraordinary economy with great driveability. Choose a petrol engine version such as the PureTech 110 S&S automatic and you can expect CO<sub>2</sub> emissions of just 118 g/km. The PureTech 110 S&S with manual gearbox produces an ultra-low 107g/km CO<sub>2</sub>, comfortably meeting Euro 6 regulations.

*\*This document contains emissions and fuel consumption results that are based on NEDC/Australian Design Rule 81/02 standard test procedure to provide customers with a basis for comparison of the performance of vehicles. No test can simulate all 'real world' driving conditions. Actual on-road fuel consumption is will vary due to factors such as traffic conditions, vehicle conditions and load, and how you drive. If you would like more information there is a website you can visit at [www.greenvehicleguide.gov.au](http://www.greenvehicleguide.gov.au).*

## — ENGINES WITHOUT COMPROMISE

At the heart of every CITROËN C4 CACTUS you'll find an advanced engine that effortlessly meets the demands for exceptional fuel efficiency, low emissions and sheer driving pleasure. There is simply no compromise. The latest PureTech petrol engines are refined, responsive and economical and meet the latest Euro 6 standards.

Every engine option meets the latest Euro 6 requirements, driving down fuel consumption and CO<sub>2</sub> emissions.

Our PureTech petrol engine was named "2017 International Engine of the Year" in its category for the third consecutive year. The engine also offers one of the most comfortable driving experiences on the market – even at the lowest speeds. With 120 patents to its name, the three-cylinder Turbo PureTech petrol engine cuts fuel consumption and CO<sub>2</sub> emissions by 18% compared with its four-cylinder petrol predecessor. The engine holds two fuel economy records.

# CITROËN C4 CACTUS ONE TONE

PERFECT FOR GETTING UNNOTICED

Born to be different and designed to be noticed, the New CITROËN C4 CACTUS OneTone offers an elegantly styled exterior that plays on the harmony between tone-on-tone body paint, Airbump® and alloy wheels. It features all equipment that amplifies the character and comfort of C4 Cactus. Available in two body colours: Obsidian Black (M) and Pearl White (P) with matching Airbump®.

M) Metallic (P) Pearlescent

## GO BE DIFFERENT

Citroën has introduced the special edition to further enhance the standout style of this unique vehicle. It benefits from additional features which include: Metallic (Obsidian Black) or pearlescent (Pearl White) paint and 17 inch black or white 'Cross' alloy wheels plus all the standard Cactus equipment such as Airbump®, 7 inch touchscreen with navigation and reversing camera that all add up to make C4 Cactus OneTone truly distinctive.

## CITROËN Confidence

### CITROËN THREE YEAR / 100,000KM WARRANTY (whichever occurs first)

Should any part of the vehicle require repair or replacement as a result of a manufacturing or material defect within the warranty period the part will be repaired or replaced without charge by your authorised CITROËN dealer, regardless of any change of ownership of the vehicle during the period covered. The warranty does not cover items replaced during normal service and maintenance operations which are subject to wear and tear. For full warranty Terms & Conditions visit: <http://www.citroen.com.au/citroen-confidence/warranty/>

### CITROËN CONFIDENCE SERVICE PRICE PROMISE

When it comes to peace-of-mind, there is no substitute for quality and certainty. CITROËN Confidence Service Price Promise provides you with a quality service that is restricted to a maximum price nationally for each of the first six (6) scheduled services (conducted annually or at specified km milestones, whichever occurs first). Refer to <http://www.citroen.com.au/citroen-confidence/servicing/> for full terms and conditions.

### CITROËN ROADSIDE ASSIST

In the unlikely event of a breakdown or emergency, assistance is only a phone call away. CITROËN Roadside Assist is free for CITROËN new car owners for the duration of the new car warranty period 3 years or 100,000km (whichever occurs first). The program includes 24 – hour roadside assistance, vehicle recovery and general advice. Full details of all the terms and conditions are available at <http://www.citroen.com.au/citroen-confidence/roadside-assist>

### CITROËN GENUINE PARTS

Genuine CITROËN parts are guaranteed to be of the same quality as the original component and maintain the integrity of CITROËN vehicles when installed during maintenance or repair. All genuine CITROËN parts are backed by a 12 months unlimited kilometre warranty. Refer to <http://www.citroen.com.au/citroen-confidence/genuine-parts-and-accessories/> for further details.

### CITROËN SERVICE

CITROËN retailers are equipped with CITROËN diagnostic equipment and trained technicians. There's also the support of skilled Service Advisors to discuss any service or maintenance enquiries.

### THE CITROËN NETWORK

CITROËN Automobiles Australia has appointed a passionate group of authorised dealerships located throughout Australia. Refer to <http://www.citroen.com.au/find-a-dealer/> to find the nearest dealer or contact our Customer Service Team on 1800 898 058.
