

DS AUTOMOBILES

DS 3
— & —
DS 3 CABRIO

CHIC AND UNIQUE

DS 3 is a winning blend of design and engineering. It has a clean, fresh look, exceptional driving credentials and includes technology relevant to everyday life. The unique character of DS 3 ensures it is the automotive embodiment of Parisian chic.

AVANT-GARDE *DESIGN*

INSTANTLY RECOGNISABLE

DS 3 and DS 3 Cabrio guarantee you'll get noticed. The taut, sculpted shape includes the features DS 3 has become famous for: the 'floating' roof, the 'shark's fin' shaped side pillar and our stunning lighting design. Unashamedly modern, it is true to our inimitable spirit of the avant-garde.

DS 3 in Pearl White and Topaz Brown

SEE THE LIGHT

FACE OF DS 3

As with every other DS, DS 3 and DS 3 Cabrio sport our distinctive front grille. We call the unique shape where it merges into the headlamps DS Wings. DS 3 and DS 3 Cabrio also benefit from LED lighting technology with a Xenon module. This is DS LED Vision*, characterised by a wide, deep, white beam that reduces eye strain at night but uses less energy.

** Availability according to model chosen*

REFINEMENT
& ATTENTION TO DETAIL
MENT

HAND-CRAFTED *COCKPIT*

The leathers we use go through an extensive process to look, smell and feel just right. That sort of attention to detail appears throughout DS 3 and DS 3 Cabrio. It guarantees even our most compact car meets the exacting standards of comfort and refinement we demand of every DS.

Trinitario Nappa leather watchstrap design

Crescendo Nappa Watchstrap leather with DS Embossing

CRAFTSMANSHIP *AT ITS VERY BEST*

At DS we employ some of the most talented craftsmen in the world. To ensure that we make the most of their skills, we give them some of the finest materials available. The leather we choose is an excellent example of this. Grained leather* comes from the grained part of the hide. It is then treated to give a regular finish throughout. Nappa leather* displays the natural characteristics of the hide with no or very few imperfections. It needs barely any treatment and is finished with colouring designed to enhance the hide's natural grain. The result is a stunning hand-stitched interior that now includes a leather-clad instrument binnacle for the ultimate touch of luxury.

* Availability according to model chosen

AUTOMOTIVE
EXPERIENCE

TECHNOLOGY AT *YOUR FINGERTIPS*

Every DS 3 benefits from a centrally-mounted 7-inch touchscreen*. This enables easy access to functions such as satellite navigation, the sound system, smartphone connectivity, the car's driving settings and Mirror Screen. For maximum ease of use and safety, it works with steering wheel mounted controls. Without taking your hands off the wheel you can adjust the cruise control or speed limiter and control the audio system.

*Availability according to model chosen

KEEPING CONNECTED

Mirror Screen* uses Apple CarPlay™ and MirrorLink for Android to seamlessly mirror compatible smartphones on the vehicle touchscreen. You're able to access all the key functions of your phone easily and safely while at the wheel of DS 3; browse your music collection and audio books, access maps, compose and listen to SMS messages using voice controls and even access Apple's Siri at the touch of a button. A range of third party apps ensure you're always connected, allowing you to check the weather forecast, locate parking spaces or listen to web radio from all over the world. Mirror Screen is the simple way to stay in touch while you're on the move. (Functionality may vary and is dependent on a compatible smartphone and apps).

CABRIO

DS 3 CABRIO

*ALWAYS
A PLEASURE*

We've made DS 3 even more fun by removing its fixed roof. DS 3 Cabrio has the same striking silhouette, distinctive DS grille, stunning lighting technology, 'floating' roof and 'shark's fin' side pillar as the hatchback. It also enjoys the same comfort, refinement and practicality. In fact, the only real difference is that the roof disappears at the push of a button.

EAT6 automatic gearbox

Dinamica Cloth

We've given DS 3 Cabrio all the benefits of a convertible allied with the strong points of a hatchback. Our aim is to give you and your passengers unbridled pleasure, whatever the weather.

CONVERTIBLE

16 SECONDS is all it takes to transform DS 3 Cabrio from cosy coupe to sophisticated sun trap. With the push of a button on the centre console, you can open or close the roof at speeds of up to 70mph. And it can open in any one of three positions. It'll slide back half way or in 11 seconds open the full length of the vehicle like a massive sun roof. In a further five seconds DS 3 Cabrio goes completely convertible as the glass rear window magically disappears. You can choose one of four colours for the roof: Black, Infinite Blue, Emerald or stylish Topaz DS Monogram.

ACCOUSTICS

Were an area that our engineers paid a lot of attention to. First they chose a high quality material for the roof with such strong sound isolation properties that with the roof closed interior noise is comparable to the hatchback. They also designed an aerodynamic wind deflector that pops up as soon as the roof starts to open. This guarantees a comfortable in-car experience that's breezy never blustery, no matter how far the roof is opened.

WEIGHT SAVING

Has also been an important area for our engineers. Convertibles usually weigh around 100kg more than their fixed roof equivalent. But by optimising the chassis architecture during the design process, DS 3 Cabrio is only 25kg heavier than DS 3 so it's still agile and enjoyable to drive

SPIRIT

GRAND TOURER

DS PERFORMANCE LINE

The PERFORMANCE Line trim level presents a dynamic and distinguished presence on DS 3 and DS 3 Cabrio. Sports styling, highlighted with subtle tricoloured touches of Carmine red, gold and white, complements the technical excellence, comfort and refinement that is characteristic of DS.

DS 3 PERFORMANCE Line: shark grey, black roof, 17" gloss black 'Aphrodite' alloy wheels

To underpin the dynamic spirit of DS PERFORMANCE Line, subtle Carmine red, white and gold highlights are applied to door mirrors and rear spoiler. Unique badges adorn the front wings.

DS 3 Cabrio PERFORMANCE Line: Shark Grey, black folding roof, 17" gloss black 'Aphrodite' alloy wheels.

HYPERCOMFORT

DYNAMIC

ON THE ROAD

DS 3 and DS 3 Cabrio stand out through a finely judged combination of lively handling and excellent ride comfort. We call this Dynamic Hypercomfort. Thanks to its compact dimensions, DS 3 feels lithe and responsive, taking the windiest roads in its stride. This composure is the result of thousands of hours of work calibrating its chassis, suspension and power-assisted steering. From tyres to seats, our engineers have left no stone unturned in their efforts to create a car that reacts rewardingly but also reassuringly.

VERSATILITY

Is vital in a car because we know that you don't always drive for fun. It's easy for anyone to get comfortable at the leather-clad steering wheel because it, and the seats, adjust for both reach and height. We've tuned the suspension dampers to read the road, whatever the surface. This ensures DS 3's cockpit remains calm and comfortable wherever you go. Practicality is helped by five proper seats. And at 285 litres, the hatchback has the biggest boot in its class. You can fold the rear seat backs with one hand in a single move; the glove box is the biggest in its class at 13 litres; and the cockpit is full of handy storage spaces.

THE EFFICIENT PERFORMER

The petrol and diesel engines available in DS 3 and DS 3 Cabrio offer various combinations of performance and efficiency. All but one come with Stop & Start which automatically cuts the engine when you don't need it, restarting it when it's time to move off. The four petrol engines are PureTech 82 S&S, PureTech 110 S&S, PureTech 130 S&S and THP 165 S&S. Awarded International Engine of the Year in 2015, the three-cylinder PureTech engine family has been designed to reduce fuel consumption and emissions by 25 per cent compared to four-cylinder engines with the same power output. In addition to the manual transmission, the PureTech 110 engine is available with the EAT6 automatic. This guarantees changes that are even quicker than a traditional manual gearbox. The THP 165 offers surprising efficiency for such a sporty engine, thanks in part to its six-speed manual gearbox.

There are two BlueHDi diesel engines: the BlueHDi 100 and BlueHDi 120. This new family of engines eliminates 90 per cent of Nitrogen Oxide (NOx) emissions while also reducing fuel consumption and cutting CO₂ emissions. The result is the BlueHDi 100, one of the cleanest engines in its class with CO₂ emissions of just 87g/km. The 94g/km of CO₂ BlueHDi 120 comes with a six-speed manual gearbox.

PEACE OF MIND

SAFETY

The safety and security of you and your passengers is our primary concern. As a result, all DS 3 and DS 3 Cabrio have a formidable braking system: Parking sensors front and rear*, a reversing camera*, Hill Start Assist* or Active City Brake which is an automatic braking system designed to prevent crashes at speeds of up to 18mph. A laser located in the windscreen detects obstacles in your path. If you don't react, it will start slowing down or brake to a halt without you touching the brake pedal.

SERVICES

DS Connect Box is available on every DS model, including DS 3 and DS 3 Cabrio. The SOS & Assistance pack automatically calls the emergency services in the event of an accident. The Monitoring Pack is a virtual service record and gives you eco-driving tips.

Inspired by the world of fashion,
DS 3 and DS 3 Cabrio are the benchmark when it
comes to personalisation.

NETWORK AND SERVICES

When you choose DS, you have the reassurance of knowing that it has been designed and built to give you years of worry free motoring. As a DS owner, you can rely on the customer service of your DS dealership. They are specialists who will listen to you, understand your problems and respond efficiently. They will maintain your DS correctly, using trained technicians, DS diagnostic equipment and DS original replacement parts.

DS CONNECT BOX

Advanced technology is firmly on your side in the event of an emergency with the DS Connect Box. By using geo-location software, this innovative feature automatically alerts the emergency services in the event of an accident, pinpointing your location for a swift response.

DRIVE YOUR DS

There are a range of finance and insurance products to help you get behind the wheel of your DS 3. Contact your DS dealership for detailed help and advice.

CARE FOR YOUR DS 3

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• DS WARRANTY

Every DS has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

** 2 years unlimited warranty. No-fee customer option of 1 year Dealer provided warranty, only on cars supplied by the DS/Citroën UK dealer network.
Note: Dealer provided warranty is limited to 60,000 miles for cars.
** Against all internal to external perforation to bodywork or underbody.*

• DS ROADSIDE ASSISTANCE

Your DS 3, when supplied by the DS/Citroën UK dealer network, is covered for the 36 months from the date of first registration and brings rapid, expert roadside assistance to you in an emergency. This service is free of charge and available 24 hours a day in the UK and Europe. In response to a free telephone call in the UK, DS Assistance brings rapid

expert roadside assistance to you in an emergency. Please note, DS Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. Full details are available on DSautomobiles.co.uk. For complete peace of mind you can purchase DS Assistance Plus to also cover non vehicle faults. Details are available from your DS dealership.

DS offers a range of services to support you and your vehicle including the following:

- DS Extended Warranty: Extend your vehicle warranty into the 4th or 4th and 5th years.
- DS Fixed Servicing Package: Lasts for 36 months or 35,000 miles (whichever occurs sooner) and provides all of your vehicle's servicing needs.
- DS Flexible Servicing Package: A flexible plan, which can last up to 60 months or 100,000 miles, has been tailored to provide you with the benefit of annual servicing.

• DS Maintenance Plan: The benefit of this plan is the inclusion of all annual services, including general maintenance, the replacement of wear and tear parts, MOT Test(s) and DS Roadside Assistance. You can also add the option of replacement tyres and/or replacement vehicle while yours is being serviced. These services are recognised throughout the DS network, so you have the assurance of being cared for anywhere you drive.

ENGINES

FIND OUR TECHNICAL SPECIFICATIONS ON DSAUTOMOBILES.CO.UK

DS prefers **TOTAL**

Engines	Power (hp)	Consumption Combined Mpg (l/100km) Minimum to Maximum	CO ₂ Emissions (g/km)
PETROL			
PureTech 110 S&S EAT6 auto	110	39.1 (7.2) - 44.8 (6.3)	133 - 114

The grouped figures shown above show the lowest and highest performing results for this model. Consult your dealer for information on specific examples. The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors; including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO₂ figures. These CO₂ figures, however, are based on the outgoing test cycle NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These figures are used to calculate tax for first registration. You should only compare fuel consumption and CO₂ figures with other vehicles tested using the same technical standard.

Interior Features

- Basalt Black leather upholstery*
- Gloss black dashboard
- Leather steering wheel
- Leather gearknob
- Leather clutch bag with Léopard-like cover*

* Elements unique to this trim level and do not apply to step-up.

LIMITED EDITION

Originating in pre-war Great Britain, the term “Café Racer” spread amongst British bikers in the early 1960s. The style came to represent luxury and rebellion with a neo-vintage design. DS AUTOMOBILES now offers DS 3 Café Racer, a daring vision of this universe, paying homage to the past, with clear allusions to the vintage French and British motor racing legacy.

CAFÉ RACER (In addition to Connected Chic)

Limited Edition

Exterior Style

DS PERFORMANCE SEATS

[^] Equipment refers to July 2018 production onwards.

PURETECH PETROL ENGINES

The PureTech Turbo 3-cylinder petrol engine is 'International Engine of the Year 2018'. This is the fourth successive year that the engine has won the award in the 1L to 1.4L category, as judged by a jury of international journalists.

The 1.2L PureTech 110 S&S EAT6 Auto is part of the range and is compliant with the latest Euro 6.2 emissions standards.

Designed to minimise fuel consumption and CO₂ emissions, without compromising engine power, PureTech technology optimises the size and weight and reduces friction between engine components.

— DS — TECHNOLOGY

EAT6 AUTOMATIC GEARBOX

Designed and developed in partnership with market leader AISIN AW, the latest EAT6 automatic gearbox delivers a compelling blend of smooth power delivery, ultra-fast gear changes and exceptional efficiency. Fully automatic torque-converter based technology ensures excellent low-speed driveability with a creep functionality that is particularly convenient in low-speed traffic.

DS CONNECT BOX EMERGENCY & ASSISTANCE

DS Connect Box provides peace of mind that in the event of an emergency, anywhere in Europe, 24 hours a day, 7 days a week, help is always at hand. In the event of a collision severe enough to deploy the vehicle airbags or the seat belt pretensioners, the vehicle automatically makes an emergency call on behalf of the driver. Precise location information is also sent to the call centre so the appropriate emergency service can be dispatched quickly.

ACTIVE CITY BRAKE

Active City Brake helps avoid low speed accidents by automatically applying the brakes when an impact is anticipated. Operating in urban conditions at speeds of less than 20 mph, a short range sensor fitted to the top of the windscreen detects other vehicles that are driving in the same direction or stationary and monitors the rate at which the distance between the two cars reduces. If the distance to the car in front is too small and closing at too great a rate, the vehicle will perform an emergency stop to avoid a collision.

The grouped figures shown above show the lowest and highest performing results for this model. Consult your dealer for information on specific examples.

The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO₂ figures. These CO₂ figures, however, are based on the outgoing test cycle NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These figures are used to calculate tax for first registration. You should only compare fuel consumption and CO₂ figures with other vehicles tested using the same technical standard.

¹ Efficient Automatic Transmission with 6 speeds * (Official Government test fuel consumption figures) + Please note: the maximum plated weights must not be exceeded

DISCOVER MyDS APP

A MOBILE APP CONNECTED TO YOUR DS

A carefully designed App which lets you connect with your DS and its everyday surroundings, before, during or after driving it.

ENHANCE YOUR DRIVING EXPERIENCE

MyDS App has been designed to allow you to connect to your DS, its environment, and the world of bespoke DS Only You services whenever you want. Each of the technologies available in your DS or smartphone will let you extend the driving experience before, during and after each journey.

MANAGE YOUR JOURNEYS

MyDS App keeps a history of your journeys. It allows you to see how far you travelled, and how much you spent on fuel. It is the perfect solution for monitoring your fuel consumption, or claiming expenses if you drive for work.

LOCATE YOUR DS

- **MyDS App** remembers where you parked your car.
- Whether you've parked in the city, or at a festival, you'll be able to find your DS with ease.

SERVICING REMINDERS

- **MyDS App** will notify you when your next service is due.
- You can book your service directly from the app.

STAY UP TO DATE

- Manage updates for your satellite navigation.
- Receive the latest news and offers from DS Automobiles.
- If you own more than one DS, you can manage multiple vehicles from the same app.

ACCESS TO DS ONLY YOU SERVICES

MyDS App also allows you to access to exclusive DS Only You services:

- Find your local DS Store or Salon.
- Book your next service appointment. Choose to have DS collect and deliver your car, with **DS Delivery Valet**.
- Join **DS Club Privilege**, exclusive to owners of DS vehicles.
- Access exclusive events, discounts and unique experiences.
- **DS at your service*** and **DS Assistance** phone number.
- Enjoy occasional vehicle rental with **DS Rent***.

SCAN MyDS APP

Access your digital DS handbook with your smartphone with the Scan **MyDS App**.

1. Download the digital handbook on your smartphone.
2. Point your smartphone's camera at any part of your DS, and the Scan **MyDS App** will display the relevant information from your handbook.

*Coming soon.

ONLY YOU

THE DS EXPERIENCE

TEL 0800 877 8455

MyDS APP

MAKE THE CHOICE OF DS EXCELLENCE

Inspired by you and created for you, Only You is an exclusive programme offering services tailored to your personal needs. Enjoy a tailor-made programme for a unique DS experience.

Your Only You services are directly accessible via MyDS App, or by using the dedicated telephone number*.

MyDS

0800 877 8455

Available Monday to Saturday 8am to 6pm.
A DS representative will answer your questions and deal with your requests.

*Calls are free from a landline. For mobiles please refer to your service provider for charges.

MyDS App

CONNECT TO EXCLUSIVE SERVICES

MyDS APP, THE KEY TO YOUR DS UNIVERSE
A driving partner that's always ready to help, MyDS App gives you direct access to the exclusive Only You services package and allows you to stay permanently connected to your DS. Compatible with all DS models.

DS CLUB PRIVILEGE

ENTER A WORLD OF REFINEMENT

PREFERENTIAL ACCESS TO NEW EXPERIENCES
To drive a DS is to enter a world of French excellence and refinement. For an unforgettable experience, DS has created the DS Club Privilege. To benefit from your five-year membership, simply register via MyDSApp. Available directly on your smartphone, this exclusive world puts your desires centre stage.

DS RENT

TURN EACH TRIP INTO AN EXCLUSIVE EXPERIENCE

DS SHORT-TERM RENTAL
Continue the experience by renting a DS and take advantage of your journeys to try a new vehicle from the DS range by booking directly on your smartphone via MyDS App, in the DS network or on DSrent.co.uk.

DS ASSISTANCE

DRIVE WITH PEACE OF MIND

3 YEARS OF FREE ASSISTANCE 24/7
To take the stress out of driving, DS goes the extra mile to make your life easier and ensure you are always mobile. Whether you have an accident, break down, lose your keys or put the wrong fuel in the tank, DS Assistance offers free 24/7 assistance in UK and abroad, available via the DS Connect Box button of your vehicle, on MyDS App or by calling 00 800 24 24 07 07.

DS VALET

YOUR TIME IS OUR PRIORITY

HAVE A VALET TAKE CARE OF YOUR VEHICLE
Time is what you have most precious. That's why DS has created the DS Valet experience especially for you.

During regular maintenance checks at one of our service centres or when purchasing a DS, this new service makes a personal car valet available for your daily trips.

DS SERVICE VALET: Pick-up and/or delivery of your DS for regular maintenance check.

DS DELIVERY VALET: Delivery of your new or used DS to the address of your choice and collection of your old vehicle. £195 OTR.

For more information about prices, please refer to the DS Only You section on MyDS App.

DS CARE FOR CAR & DRIVER

COMPANY CAR BENEFIT-IN-KIND TAXATION CHARGES

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO₂ emissions, measured in grams per kilometre (g/km). The table opposite shows the percentage of the car's list price to be taxed (P11D value[†]).

For example, a DS 3 PureTech 110 S&S manual Elegance has a CO₂ emissions figure of 100g/km (petrol) and the P11D figure of £16,340. The BIK value would therefore be 17% x £16,340 = £2,777.80 (equivalent to £46.30 pcm for a 20% rate tax payer).

ELECT 4

Elect 4 is an alternative way to enjoy a new DS without the cost of ownership. Instead of owning the car, you rent it for a fixed period and then return it to your local dealer where you can exchange it for a brand new one. You set your preferred contract terms, either 24, 36 or 48 months, and anticipated annual mileage. Excess mileage charges may apply if the agreed annual mileage is exceeded. With leasing, which can be arranged for a period up to 4 years, Elect 4 offers you an alternative method of funding your new DS. One initial bulk advance rental will be required. This is between 20%-30% of the 'On the Road Recommended Retail Price' plus any advance rental contribution from DS Automobiles UK. DS contribution is available on selected models at participating retailers only and will be subject to other terms, conditions and exclusions. Payment of the optional final rental extends the rental term (this does not transfer title of the vehicle) & requires an annual rental equivalent to one month's rental. Prices displayed are all based on a 48 months contract with an annual mileage set at 6,000 miles on DS 3, DS 3 Cabrio and 8,000 miles on all other models. All rentals are inclusive of VAT. Finance is subject to status and available to over 18s only. Finance provided by and written quotations available on request from PSA Finance UK Ltd (company registration number 01024322), RH1 1QA, UK. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority. Citroën UK Limited (trading as DS Automobiles) is acting as a credit broker and is not a lender.

3 YEARS' DS ROADSIDE ASSISTANCE

In response to a free telephone call in the UK, DS Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for three years, from date of vehicle registration, and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. You can also purchase additional DS Assistance via your local DS dealer at any time. Please note, DS Assistance applies to incidents covered by the new vehicle warranty, and non-vehicle faults, such as running out of fuel or mis-fuelling, instances where keys have been locked inside the vehicle or lost/stolen, road traffic accidents and punctures/wheel changes. Full details are available on request from DS UK via cuk_contactcentre@citroen.com

COMPANY CAR BENEFIT-IN-KIND TAXATION CHARGES

Tax Band	CO ₂ (g/km)	Petrol First Year VED	Diesel First Year VED
A	0	£0.00	£0.00

DS DELIVERY VALET

YOUR TIME IS OUR PRIORITY

DS DELIVERY VALET allows you to benefit from the delivery of your new or used DS to the address of your choice and collection of your old vehicle.

PRICE: £195 inc. VAT

From January 2019 all models are Type Approved according to Worldwide Harmonised Light-Duty Vehicles Test Procedure (WLTP). WLTP is the new official test regime and replaces the New European Driving Cycle (NEDC). The CO₂ data has been converted from WLTP back to NEDC-equivalent values in accordance with current vehicle tax and Company Car Tax (CCT) legislation. Two values for CO₂ are shown per version, these are the 'Vehicle High'¹ value and the 'Vehicle Low'² value. For transparency and clarity, the 'Vehicle High' value has been used to calculate the first year taxation in the prices shown above. The actual CO₂ value of a version may vary according to optional equipment fitted but, other than in exceptional circumstances, will be between 'Vehicle High' and 'Vehicle Low'. For full information, including WLTP fuel consumption data, please see technical specification pages, or refer to your nearest DS retailer.

1. Vehicle High = High specifications vehicles fitted with maximum available options. 2. Vehicle Low = Standard specifications vehicle fitted with minimal options.

All diesel engines are fitted with a Diesel Particulate Filter System. Insurance groups (1-50) are an indication only, please consult your insurance company for further details. *The Manufacturer's 'On The Road' Recommended Retail Price includes the following; Delivery to Dealer and Number Plates £583.33, V.A.T. £116.67, Government First Registration Fee £55 and Graduated Vehicle Excise Duty.

[^] Available as stock only, please refer to your local dealer for more information.
