New Insignia

NEW INSIGNIA GRAND SPORT

YOU'LL FEEL THE BUSINESS.

Imagine yourself inside its low, profiled body, showing off those sporty curves and hi-tech edge. New Insignia Grand Sport is all about cool, calm confidence.

If you're a company car driver or fleet manager, get a feel for New Insignia with our 3 Day Test Drive programme.

For more details, visit vauxhall3dtd.co.uk

NEW INSIGNIA SPORTS TOURER

MAKE YOUR **BIG** ENTRANCE.

Ready to impress? New Insignia Sports Tourer is. Coupé-like lines and a refined style gives you space for adventure – wherever you go, whatever you're up to.

COCKPIT

THIS IS YOUR PERSONAL SPACE.

Sit down, settle in.

Behind the wheel, you'll soon see what it's all about. You.

An ergonomically designed cockpit with controls that fall easily to hand. An infotainment touchscreen poised just a touch away. And a choice of seat that can be adjusted up to 18 different ways (it can even be ventilated and give you a nice massage).

So relax, make yourself at home. This is New Insignia.

New Insignia

INNOVATION AND SAFETY

THIS IS A FLASH OF BRILLIANCE.

Driving at night on busy roads after a hectic day – it's not ideal.

Hang on though. With New Insignia, you can relax.

Because it's got bright ideas like new IntelliLux LED® Matrix headlights. They shape their beam to avoid dazzling oncoming drivers, so you drive with less stress (and no need to switch your headlights, ever).

But it's only one of the smart ways we're making your drive more brilliant.

FRONT CAMERA DRIVER ASSISTANCE SYSTEMS

NOT JUST SAFETY FOR TOMORROW.
SAFETY FOR THE NEXT MILLISECOND.

Ever thought what a good driver does?
Keep their eyes on the road and think ahead.

Which is exactly what Insignia helps you do,
every split second.

Its advanced front camera safety systems
tirelessly watch the road ahead to keep
you alert, calm and help avoid mishaps.

For more detail on the new Insignia's driver assistance systems, please refer to the New Insignia Price and Specification Guide, available to download from vauxhall.co.uk/newinsignia

Please note: 8-inch driver information display, illustrated right, standard on Elite Nav models only, optional on all other models except Design.

1. It watches out for traffic signs.

Get speed limit alerts to help you drive legally and avoid fines. Traffic sign recognition reports important road signs for safer travels*.

3. It helps you drive more precisely.

If you drift out of your lane without signalling, the lane departure warning system alerts you with a sound, then a gentle nudge of your steering wheel.

2. It lets you know if you're approaching too fast.

When you're in busy traffic, forward collision alert warns if you approach the car in front too fast, and will automatically brake for you as a failsafe.

4. It can help avoid accidents.

If a pedestrian is detected in your car's path, automatic emergency braking pre-boosts the brake for greater stopping power, and is ready to fully apply the brakes if you don't react. A true lifesaver.

*Traffic sign recognition is included with New Insignia Nav models.

ADVANCED INTELLILUX LED® MATRIX HEADLIGHTS

YOU'LL LOOK SHARP IN THE DARK.

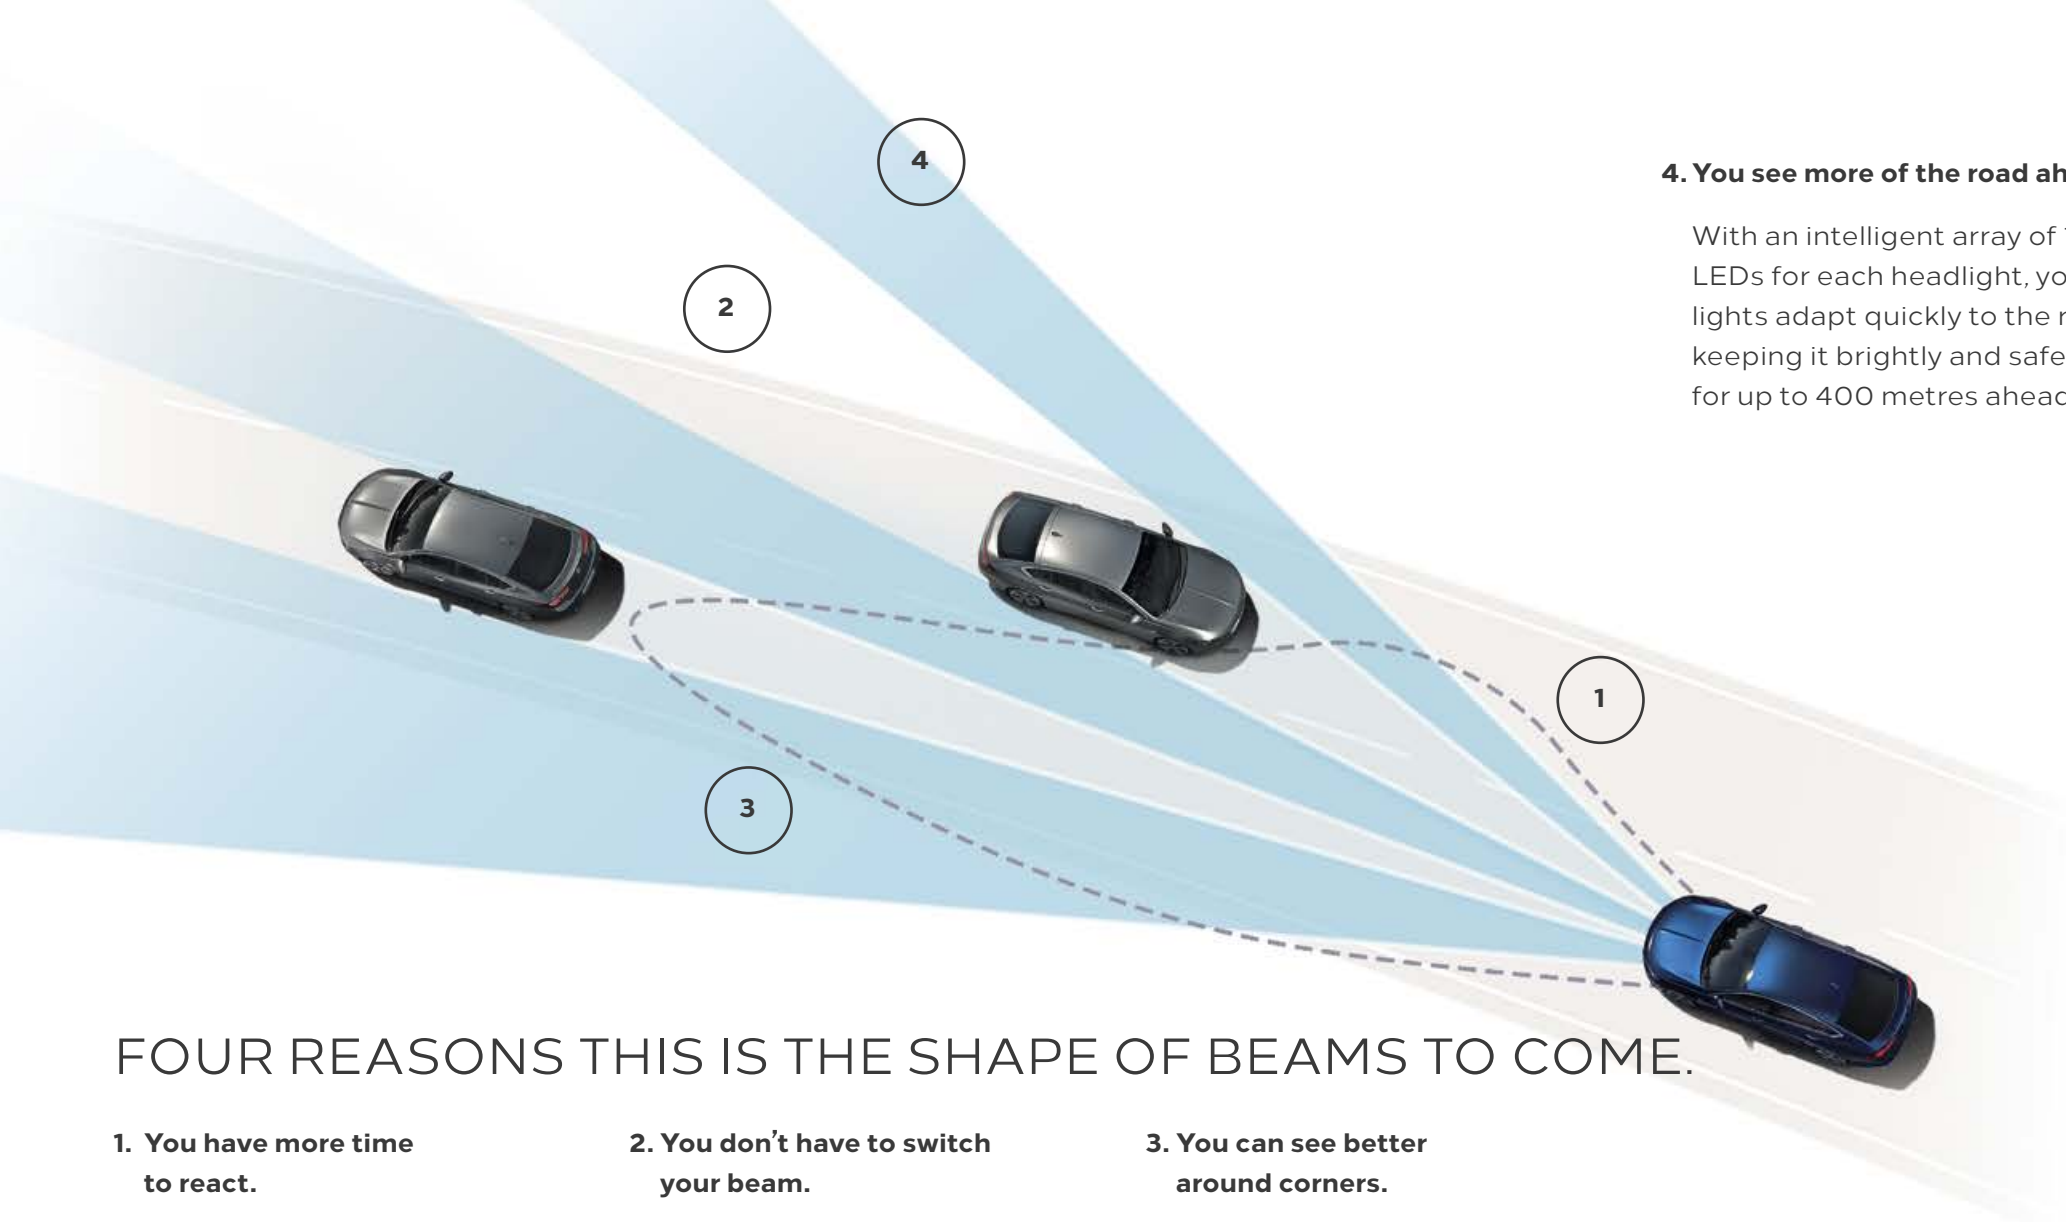

IntelliLux LED® Matrix headlights* are a bright idea for a safer, more relaxed drive on night roads.

They shine a powerful beam that instantly shapes itself to driving conditions.

Replacing the dipped and main beams, each headlight is a cluster of 16 powerful LEDs which illuminate the road, switching independently to precisely shape the beam pattern around oncoming traffic.

For more detail on the new Insignia's IntelliLux LED® Matrix headlights, please refer to the New Insignia Price and Specification Guide, available to download from vauxhall.co.uk/newinsignia

*Standard on Elite Nav models, optional on other models except Design.

4. You see more of the road ahead.

With an intelligent array of 16 LEDs for each headlight, your lights adapt quickly to the road, keeping it brightly and safely lit for up to 400 metres ahead.

FOUR REASONS THIS IS THE SHAPE OF BEAMS TO COME.

1. You have more time to react.

A brighter, sharper beam means you can spot hazards up to 1.8 seconds earlier, the equivalent of 40 metres at 50mph.

2. You don't have to switch your beam.

Individual LEDs independently switch on and off to instantly shape the beam around approaching vehicles so you don't have to switch beams.

3. You can see better around corners.

On slow, tight bends the headlights automatically shine a beam into the corner you're taking, giving you greater visibility.

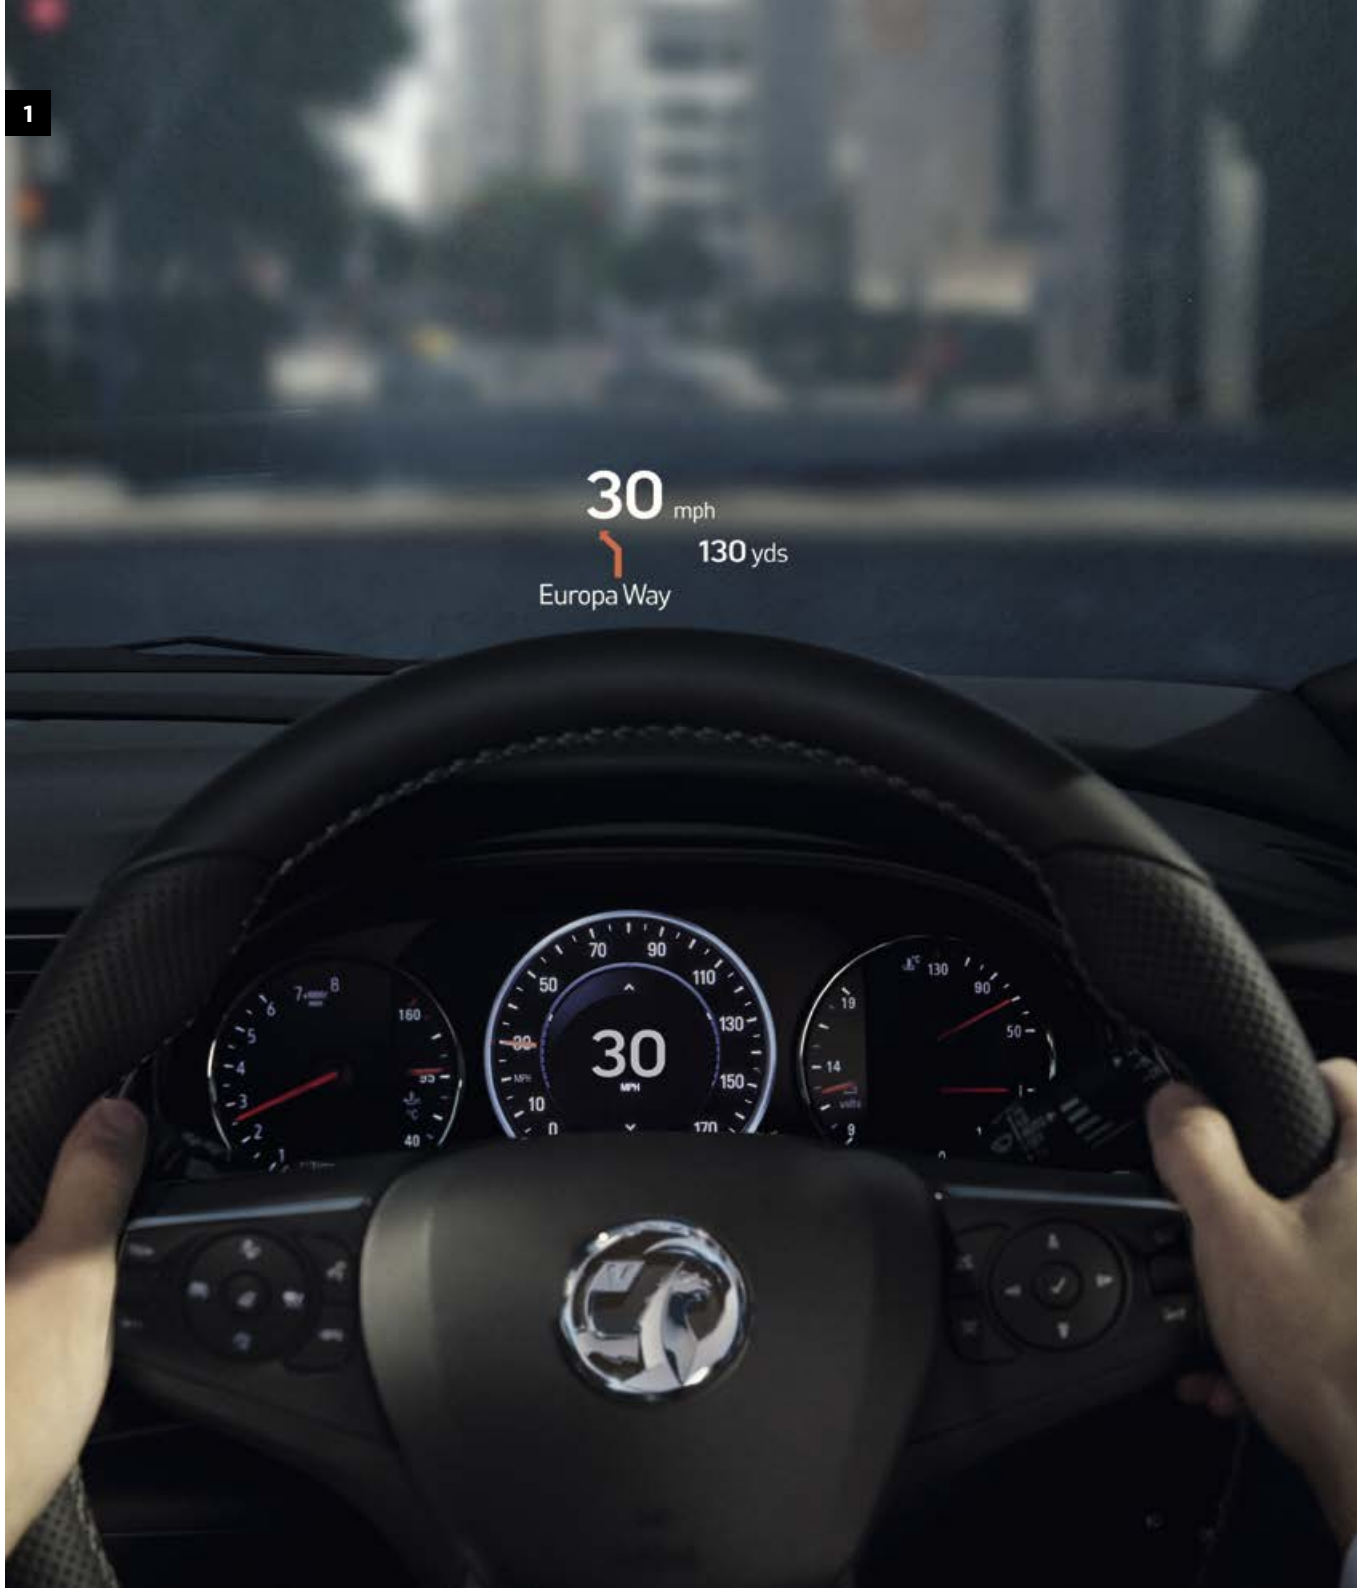

DRIVER ASSISTANCE

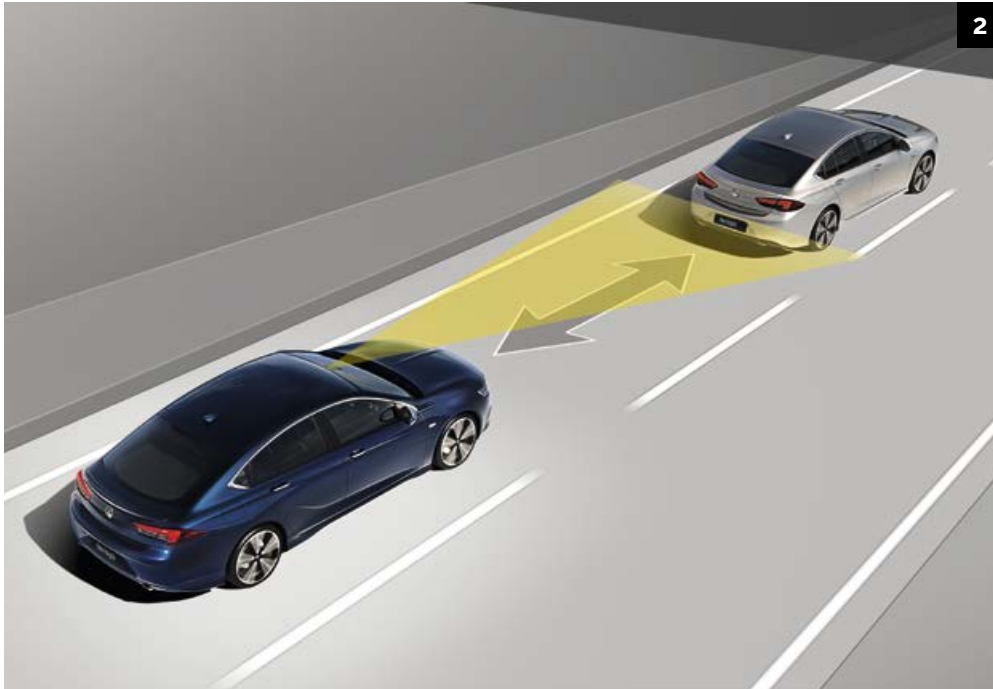

THIS IS YOUR CO-PILOT.

Insignia's got your back. And your front. Oh yes, and your sides too.

It looks out for you using the new generation of radar-based driver assistance systems, supported by front-facing camera technology to constantly scan the road ahead and around you.

For more detail on the new Insignia's driver assistance systems, please refer to the New Insignia Price and Specification Guide, available to download from vauxhall.co.uk/newinsignia

IT'S LOOKING OUT FOR YOU.

1. It helps keep your eyes ahead.

Head-up display* projects important info (like your speed and other alerts) onto the windscreen in your line of sight, so you can keep your eyes front with less distraction.

*Optional on all Insignia Nav models except Design.
 **Optional as part of Driving Assistance Pack Two.
 †Optional as part of Driving Assistance Pack Four.

2. It keeps a watchful distance.

In heavy traffic, adaptive cruise control** helps avoid bumper-to-tail collisions by automatically braking and accelerating to keep a safe distance.

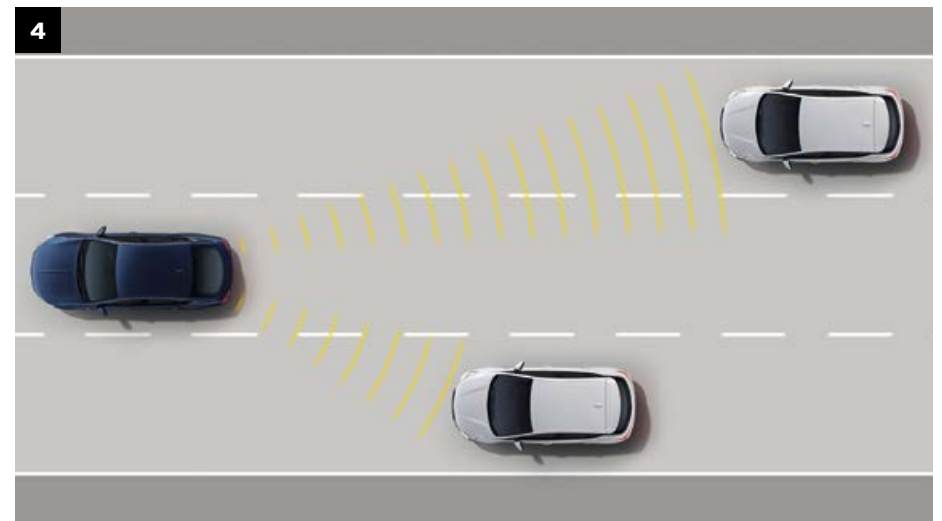

3. It gives you eyes in the back of your head.

When you reverse out of a parking space or your driveway, rear cross traffic alert warns you of vehicles approaching across your rear†.

4. It alerts you to vehicles in your blind spot.

If a vehicle moves into your blind spot, you get a visual alert, and if you've signalled to change lanes, warning icons flash and an alarm sounds too†.

INTERIOR

INSIDE, YOU'LL FIND MORE THAN JUST A CAR.

A place we feel secure, relaxed and comfortable.
That's home.

And yet we can be at home anywhere.
So long as it feels right.

Step into New Insignia's interior and you'll
find generous room to work, relax and travel
in comfort. Not to mention plenty of handy
storage and clever cubby holes too.

So settle in, feel the comfort and enjoy the
sense of space that makes New Insignia a
place to look forward to.

Please note: New Insignia Sports Tourer model illustrated features panoramic glass sunroof,
optional at extra cost.

INTERIOR SPACE

IT MAKES ROOM FOR MORE.

Funny thing about space. There's never enough of it.

Especially when you're packing for a trip away. And by that we mean anything from a shopping trip to a major road trip.

Which is why we designed the new Insignia interior to be as super roomy and flexible as possible.

Look inside and see how comfortably it welcomes people and loads of all shapes and sizes, with plenty of handy, well-thought-out places to keep things nice and tidy.

Because it's not just space, it's room to live.

INTERIOR COMFORT

IT'S THE CAR THAT LOVES YOUR BACK.

That feeling when you sit in a comfy chair that just hugs you. A seat you just don't feel like getting out of. Ever. Or anytime soon.

That's the ergonomic seat we designed for New Insignia.

It's approved by the AGR*, an independent committee of back health experts and medical professionals.

Which means it looks after you, by looking after your back.

*Known as the Aktion Gesunder Rücken, which translates as the Campaign for Healthier Backs. Driver's AGR seat is standard on SRi and SRi VX-Line Nav models only, optional at extra cost on all other models.

Sitting comfortably? You will be.

A. Head restraint is adjustable four ways to give you perfect head support.

B. Tailored lumbar support is electronically adjustable for perfect back comfort.

C. Extendable thigh support provides perfect comfort for your legs.

D. 18 adjustable seating controls give you plenty of settings for the lumbar area and seat position.

Turn perfect comfort into pure luxury.

Choose the Brownstone Nappa premium leather option, and your seat will also include these luxury extras:

E. Shoulder bolsters adjust to cradle your body shape.

F. Active ventilation for driver and front passenger's back rest and seat cushion.

G. Electro-pneumatic massage for the driver's seat, using a three-air cushion system.

H. Driver's seat memory can remember posture settings for six different people.

NEW INSIGNIA SPORTS TOURER

MADE TO MAKE YOUR LIFE EASY.

With its sleek silhouette, the new Insignia Sports Tourer introduces spacious versatility and greater storage with smart technology that helps you every day.

Plenty of room inside

Capacity and flexibility make Sports Tourer a true multitasker. The luggage area gives you 560 litres of space that quickly expands to a whopping 1,665 litres, making it easy to fit in loads of all kinds.

We'll get that for you

Complementing New Insignia's keyless entry system, an optional sensor-operated powered tailgate* gives you hands-free access when you're carrying and loading luggage.

*Not available on Design models.

NEW INSIGNIA COUNTRY TOURER

GET READY FOR YOUR NEXT ADVENTURE.

It's great to have a friend who inspires you to try new things and go just that little bit further.

That's the new Insignia Country Tourer*.

A front-wheel or four-wheel drive Sports Tourer showing off rugged looks, reliable performance and premium comfort all round – it's your perfect travelling companion.

Equipped with four-wheel drive, torque vectoring and greater ground clearance, it's built for adventure, with an improved FlexRide chassis that adapts to changing road conditions and your driving style.

Now, where are we off to?

*Available from Autumn 2017.

CONNECTIVITY

EXCELLENT COMMUNICATION SKILLS AS STANDARD.

“Great to hear from you.” Feels good to hear those words, doesn’t it?

Because life is built on communication – the tools to keep in touch and make more out of life.

It’s why we made New Insignia more than just for driving.

It’s a car to keep you in touch, entertain and keep you safe. Equipped with so many useful technologies, it’s perhaps best to just read on.

IT COULD JUST BE YOUR IDEAL TRAVEL COMPANION.

No matter how long your journey, isn't it great to have company along the way?

Like a loyal friend, Vauxhall OnStar¹ is there for you, 24/7, 365 days a year.

At the push of a button, it puts you in direct touch with an assistant to help you out when you're on the go. Best of all, it's free of charge for the first 12 months with New Insignia.

It also gives you a 4G Wi-Fi Hotspot² to connect up to seven devices, complete with a free data trial period.

Now isn't this the kind of friend you'd like on your next road trip?

¹OnStar Services require activation and depend upon mobile network coverage and availability. Please note that the 4G Wi-Fi Hotspot service requires an account with a nominated network operator.

²The 4G Wi-Fi Hotspot service depends upon mobile network coverage and availability, and charges will apply after the free trial period. Note also that OnStar subscription packages could be different from the services included in the free trial package.

PERSONAL ASSISTANCE

THIS IS YOUR NEW PA.

With OnStar you have online assistance at your fingertips, available 24/7.

Call for concierge services

- Your OnStar assistant can provide local travel advice, book a hotel room¹ and even locate a nearby car park

Ask for directions and local information

- Ask your OnStar assistant about the closest restaurant, petrol station or how to make it home and they'll send directions direct to your sat nav²

Ask for diagnostic advice

- If you see a dashboard warning light, your OnStar assistant will check remotely for any diagnostic issues

How's that for personal service? All without leaving your New Insignia.

¹An OnStar advisor can help you book a hotel room using Booking.com, subject to Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you in making a booking and is not responsible for the services provided by Booking.com or your hotel. Email address and credit card required. Some elements of the OnStar app and Destination Download may not be available for all cars and trim levels.

²An embedded Vauxhall navigation unit and map data are requirements. For terms and conditions, details of availability, coverage and charges, please check vauxhall.co.uk/onstar

ONSTAR CONNECTIVITY

IT'S GOOD TO BE WELL CONNECTED.

We pretty much take mobile connectivity for granted nowadays.

Which is why New Insignia's OnStar system comes equipped with a fast and stable 4G Wi-Fi Hotspot¹ to connect up to seven devices, as well as a smartphone app to give you greater control and connectivity for your car.

HOW THE ONSTAR SMARTPHONE APP CAN HELP.

Check your car's status

- See your car's current tyre pressure, fuel and oil levels using the app

Control your car's security

- Lock and unlock your car doors remotely
- Find your car if you don't know where it's parked
- Flash your car's lights and sound the horn remotely

Find your way quicker

- Type your destination on the OnStar app and it's sent directly to the new Insignia's sat nav system – so you're all ready to go²

¹Wi-Fi Hotspot Services require account with OnStar Europe Limited and nominated network operator. The Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability.

²An embedded Vauxhall navigation unit and map data are requirements for the Destination Download service. Check vauxhall.co.uk/onstar for service limitations and charges. Compatibility and certain functionalities may differ depending on the type of device and version of operating system.

24/7 EMERGENCY ASSISTANCE

A GUARDIAN ANGEL AT YOUR FINGERTIPS.

OnStar's your personal guardian angel. Wherever you are¹, whatever the emergency, your OnStar team takes care of you – even if you can't call for help yourself.

¹OnStar Services require activation and depend upon mobile network coverage and availability.

²OnStar will direct a professional breakdown recovery team to your location. If your car is within the Vauxhall New Vehicle Roadside Assistance coverage period, OnStar will connect with the Vauxhall roadside assistance service, who will send help free of charge, subject to the Vauxhall roadside assistance terms and conditions. If your vehicle is outside the coverage of the Vauxhall New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided.

³OnStar can only override the Privacy Button in an emergency or if your car is reported stolen.

HOW ONSTAR SOS SERVICES CAN HELP.

Automatic crash response in an emergency

- If your airbags deploy, OnStar alerts an assistant
- The assistant speaks to you over the OnStar loudspeaker to assess the situation
- If required, the assistant will send emergency services to your GPS location

Roadside assistance, should you need it²

- If you break down, call your OnStar assistant by pressing a button
- If you run into trouble (or just run out of fuel), push your OnStar button to talk to your assistant who can send assistance to your GPS location

It'll help you out if your car goes missing

- If your New Insignia goes missing or is stolen, the OnStar app helps recover your car
- Your OnStar assistant can locate your car and contact the police with its GPS location
- Once the car stops, the assistant can then disable the ignition so the thief can't use the car

To ensure your privacy, you can turn OnStar off and on anytime³. Find out more at vauxhall.co.uk/onstar

INFOTAINMENT

THIS IS YOUR ENTERTAINER.

“Oh, turn it up, I love this song!”

Whether it's your new favourite sounds or your all-time classics, car journeys go so much better with top-notch entertainment.

What's more, you can be loads more productive and relaxed with seamless, hands-free connectivity at your fingertips.

That's why you'll find an IntelliLink system as standard in every New Insignia. Featuring a colour touchscreen and full smartphone integration†, it does smart entertainment, hands-free and voice operation using Apple CarPlay™ and Google Android Auto™.

androidauto

*Optional on all models. Only available with certain mobile phones.

**Standard on New Insignia Elite Nav 4X4 models, optional on all other Nav models except Design.

†Compatibility and certain functions may be different depending on the type of device and operating system your using with the IntelliLink systems.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.

Stay in charge

Keep your devices powered up and ready with a wireless charging slot*.

It's always playtime

Stream audio to the 7-speaker Bose® sound system** with subwoofer and separate amplifier, using Bluetooth® or the built-in USB port.

NAVIGATION

IT'S THE SMART WAY TO GO.

That feeling when you know exactly where you're going. The Navi 900 IntelliLink system gives you a greater sense of control.

It combines all the features of R4.0 IntelliLink with a larger 8-inch touchscreen, an ultra-fast processor, dynamic mapping and voice recognition for smarter hands-free control.

Navi 900 IntelliLink

- Projects your smartphone* to an 8-inch colour touchscreen using Apple CarPlay™ or Google Android Auto™
- Powered by an ultra-fast processor for dynamic navigation with 2.5D or 3D mapping, including detailed lane guidance for motorways and major roads
- As well as quick route planning, the sat nav gives you different ways to set the destination, making it easy and flexible to use

*Compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.

Travel your way

It's great to know just where you're going – then go your own way. Always updated route information makes it easy to plan and edit your journey.

Don't miss the interesting stuff

Make the most of every drive with point of interest options to give you on-the-go knowledge so you can blend in with the locals.

DRIVING DYNAMICS

**YOU DON'T DRIVE IT,
YOU FEEL IT.**

When our engineers designed the new Insignia, they set the bar high.

It's made to exceed expectations in every sense, with a range of engines and a chassis for a whisper-quiet, powerful drive with sensationally smooth performance.

Get into a New Insignia and feel it for yourself.

CHASSIS

THE POWER TO ADAPT.

Humans are adaptable. That's our strength. If we're walking a hill we adapt our stance and use different muscles – and if it's rough terrain, we put on tough hiking boots.

We took the same approach with the new Insignia's chassis.

Fluidly responsive and adaptable to road terrain, it features the latest generation of automatic transmissions, intelligent control and a sophisticated four-wheel drive system.

GRIP HARDER WITH NEW TORQUE VECTORING.

Imagine, on almost whatever road you're on, you can be guaranteed a great drive.

Standard on New Insignia Elite Nav 2.0 Turbo 4X4 models, this smart four-wheel drive system uses the latest torque vectoring technology which makes sure torque gets directed to the wheels with the greatest grip, to improve handling and traction in slippery conditions.

TAKE CONTROL WITH AUTOMATIC TRANSMISSION.

Standard on New Insignia Turbo 4X4, the eight-speed transmission* features a choice of driver modes for different road conditions, to give you the most effective gear shifting when you're climbing or descending.

And, if you feel like taking manual control, the ActiveSelect® mode lets you use the gear lever just like a manual shift to change up or down the gears.

*The 8-speed automatic transmission is also optional on 2.0 (170PS) Turbo D engines.

DRIVE SMARTER WITH FLEXRIDE.

Freedom and control. Nice to have both isn't it?

So try FlexRide. This intelligent chassis control system automatically adapts to changing road conditions and your driving style as you drive.

It gives you a choice of three driving modes – Normal, Sport or Tour.

ENGINES

THIS IS NO COMPROMISE.

When it comes to a choice between power or efficiency, who doesn't want both?

With New Insignia's engines, you have it all. A powerful choice of engines that are meaner, leaner and cleaner.

Muscular engines

It gets a choice of two powerful petrol engines, the 1.5 (140PS) Turbo ecoTEC and the 1.5 (165PS) Turbo, with three efficient new diesel engines, including the 1.6 (110PS) Turbo D ecoTEC, 1.6 (136PS) Turbo D ecoTEC and the 2.0 (170PS) Turbo D model.

Cleaner emissions

2.0-litre Insignia diesel engines use the leading BlueInjection technology* that runs on the additive AdBlue® to help reduce exhaust emissions.

*For more information on BlueInjection technology, please visit vauxhall.co.uk/blueinjection

DESIGN | DESIGN NAV

DESIGN sets the bar high with premium features that are far from standard.

- R4.0 IntelliLink audio system with DAB radio and Bluetooth®
- 7-inch colour touchscreen with smartphone projection
- Vauxhall OnStar with 4G Wi-Fi Hotspot
- Air conditioning
- Automatic lighting control and keyless entry and start
- Leather-covered steering wheel with audio, phone and cruise controls
- Front camera safety system
- Security alarm system (Thatcham approved, T1)

NAV models additionally feature:

- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen

SRi | SRi NAV

SRi gives you all the premium features of Design with sports styling and the extra comfort of an AGR driver's seat.

- 17-inch five twin-spoke alloy wheels
- Front fog lights
- Dark-tinted rear windows
- Rear spoiler (Grand Sport models)
- Rain-sensitive windscreen wipers
- Sports front seats, driver's AGR
- Sports pedals
- Dual-zone electronic climate control

NAV models additionally feature:

- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen

SRi VX-LINE NAV

SRi VX-LINE NAV brings you even sportier features above SRi, notably the VXR Styling Pack and Interior Pack.

- 18-inch five-spoke alloy wheels (excluding 1.6 diesel models)
- VXR Exterior Styling Pack
 - Sports-style front and rear bumpers
 - Side sills
 - Visible exhaust tailpipe
- VXR Interior Styling Pack
 - Heated, flat-bottom, leather covered VX-Line steering wheel
 - Dark fabric headlining
- 4.2-inch colour information display
- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen

TECH LINE NAV

TECH LINE NAV features more smart technology, style and comfort over the Design model.

- 17-inch five twin-spoke alloy wheels
- Rain-sensitive windscreen wipers
- Front and rear parking sensors
- Dual-zone electronic climate control
- 4.2-inch colour information display
- Driver's seat tilt and lumbar adjustment
- Front passenger's seat height adjustment
- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen

ELITE NAV

ELITE NAV takes style and innovation to the top, giving you premium features you deserve.

- 18-inch bi-colour alloy wheels (excluding 1.6 diesel and 2.0 (260PS) Turbo 4X4 models)
- 20-inch five twin-spoke alloy wheels (2.0 (260PS) Turbo 4X4 models)
- IntelliLux LED® Matrix headlights
- Front fog lights
- Dark-tinted rear windows
- Torque vectoring system (4X4 models)
- Leather seat facings
- Heated front seats
- Heated outer rear seats (Grand Sport 4X4 and all Sports Tourer models)
- 8-inch colour information display
- Bose® premium sound system (2.0 (260PS) Turbo 4X4 models)

DESIGN | DESIGN NAV

Grand Sport | Sports Tourer

STANDARD FEATURES INCLUDE:

Exterior convenience/styling:

- 17-inch bi-colour structure wheels (1.6 diesel ecoTEC models)
- 17-inch five twin-spoke alloy wheels (excluding 1.6 diesel ecoTEC models)
- Automatic lighting control
- Electrically operated front/rear windows
- Keyless entry and start
- Electrically adjustable/heated door mirrors
- LED daytime running lights
- LED tail lights

Interior convenience/styling:

- Air conditioning
- Cruise control with speed limiter
- Leather-covered steering wheel
- Steering wheel audio/phone/cruise controls
- Steering column adjustable for reach/rake

Infotainment:

- IntelliLink audio system
 - 7-inch colour touchscreen

- AM/FM/DAB digital radio
- Bluetooth® audio streaming/mobile phone portal
- Apple CarPlay™/Google Android Auto™
- USB audio connection
- Seven speakers

Safety/security:

- Vauxhall OnStar
- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Front camera system
- Six airbags
- ISOFIX child seat mounting points on all three rear seats
- Tyre pressure monitoring system

Mineral Black –
Two-coat Metallic

Sovereign Silver –
Two-coat Metallic

Cosmic Grey –
Two-coat Pearlescent

Emerald Green –
Two-coat Pearlescent

Dark Caramel –
Two-coat Pearlescent

Abalone White –
Tri-coat Premium

Please refer to the latest New Insignia Price and Specification Guide, available from vauxhall.co.uk for details of colour availability by model and price.

TRIMS

LOOKS YOU CAN FEEL.

Now you've chosen a colour, how about the furnishings?

Because style, comfort and luxury is a big part of New Insignia's premium look and feel.

Whichever upholstery you choose, each trim is made to give your New Insignia effortless style and comfort, perfectly matched to its interior design.

Standard trims

Aida black cloth seat trim – *Design models*

Monita black cloth/Morrocana seat trim – *SRI, SRI VX-Line Nav models*

Oxford cloth/Morrocana seat trim – *Tech Line Nav models*

Siena black leather – *Elite Nav models*

*Our AGR ergonomic seats are certified by the German organisation Aktion Gesunder Rücken (Campaign for Healthier Backs), a European centre of excellence for ergonomic design.

Optional trims

Siena black perforated leather – *SRi, SRi VX-Line Nav, Tech Line Nav and Elite Nav models*

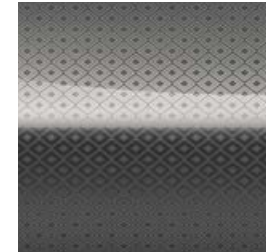

Siena shale perforated leather – *Elite Nav models*

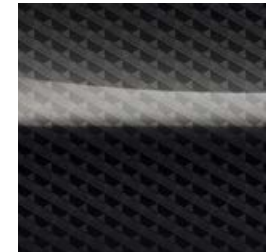

Brownstone perforated Nappa leather – *SRi, SRi VX-Line Nav and Elite Nav models*

Inserts

Metallic silver Raute trim inserts – *Design models*

Dark metallic Hexagon trim inserts – *SRi, SRi VX-Line Nav models. Elite Nav models with optional Brownstone Nappa premium leather*

Dark silver Agate trim inserts – *Tech Line Nav and Elite Nav models*

WHEELS

THIS IS HOW WE ROLL.

When you wear a beautiful dress or suit, you need the right shoes to make the outfit.

So it's only fitting that we designed a full range of new alloy styles and custom wheel sizes to suit the sleek lines of your New Insignia and complete its look.

And who doesn't love choosing a new pair of shoes?

17-inch bi-colour structure wheels – *Standard on 1.6 diesel ecoTEC Design models.*

17-inch five twin-spoke alloy wheels – *Standard on Design (excluding 1.6 diesel ecoTEC), SRi, Tech Line Nav and 1.6 diesel SRi VX-Line Nav and Elite Nav models.*

VXR STYLING PACKS

POWER UP YOUR STYLE.

New Insignia is a powerful car built to perform in every way.

New Insignia's VXR Styling Packs are a set of custom options to heighten Insignia's sports styling, inside and out.

The VXR Interior Styling Pack includes a heated leather-covered, perforated steering wheel, with alloy-effect sports pedals to complete the racing look.

For the exterior, the VXR Styling Pack includes sports-style front and rear bumpers, side sills, rear spoiler (Grand Sport models only) and a visible exhaust tailpipe to complete its edgy look.

Model illustrated also features 20-inch five twin-spoke alloy wheels and Lava Red brilliant paint, optional at extra cost.

The VXR Interior Styling Pack features the following:

- Three-spoke, heated flat-bottom steering wheel **1** with:
 - Perforated leather
 - Electric heating
 - Paddle shift on automatic models
- Dark fabric headlining **2**
- Alloy-effect sports pedals **3**

The VXR Exterior Styling Pack **4** features the following:

- Sports-style front and rear bumpers
- Side sills
- Rear spoiler (Grand Sport models)
- Visible exhaust tailpipe*

*Not available on 1.6 (110PS) Turbo D ecoTEC models.

PERSONALISATION

MAKE NEW INSIGNIA EXCLUSIVELY YOURS.

Imagine being able to personalise the exact finish of your New Insignia. Choose Insignia Exclusive and you can design your New Insignia in just the colour you want.

Personalise it from a choice of millions of tones, or even send us a swatch of your favourite colour and we'll match it.

And if you're feeling sporty, choose the High Gloss Black Pack for a racy high-gloss finish, with exclusive mirror cap and alloy wheel finishes.

Available Autumn 2017.

Exclusive

SUMMARY

IT'S A NEW WORLD.

A place where you feel relaxed, more secure and totally in control, yet surprised at what you can do.

A place where you can

- Travel more safely with driver assistance systems
- Stay safe and connected with 4G Wi-Fi and OnStar personal assistance
- See more of the road ahead with IntelliLux LED® Matrix headlights

Innovations that make New Insignia far more than a new car.

They make it a world to be discovered.

Now it's time to experience it for yourself.

Come explore the world of New Insignia. Book a test drive at your local Vauxhall retailer today.
